 We have Heirs! We are well pleased with the results of Our Crown Tournament weekend. All of the fighting was well fought and brought Us much joy to witness. In April there will be a lot to see and do. Words from the Heirs

Greetings unto the populace of Atenveldt,

We, Baldric and Hürrem extend our warmest regards and appreciation for the incredible outpouring of love and support received thus far. The support and generosity you have shown us shines like the Atenveldt sun.

As we begin this magical journey and eagerly anticipate our reign this summer, we look forward to traversing the kingdom, connecting with the diverse and amazing individuals who collectively make Atenveldt the jewel of the Known World. We are still developing our calendar with plans to visit the seven baronies of our solar kingdom. Our journeys will also take us outside of our glorious lands to the far east to face the armies at Pennsic War and West to take up arms at Great Western War.

For those that are able, we would love for you to travel with us as we journey outside of our kingdom. All are welcome to camp with us at Pennsic and Great Western War. We can't wait to share these experiences with all of you as we travel to distant lands and will be posting details as we get closer to the events.

For those interested in joining our court as a Noble in Waiting or Queen's Guard, please reach out to Mistress Tigra MacKay, our Head Lady in Waiting, or Master Rabbit, our Captain of the Queen's Guard. If you have other help you would like to offer for our reign, our Chatelaine, Duchess Gabriella can point you in the right direction.

As we travel this summer, it is our fondest wish to recognize the extraordinary populace that makes the Kingdom of Atenveldt shine like the summer sun, but we cannot do this without your help! Please submit award recommendations on the kingdom website.

As we prepare to begin our reign, we are excited to share this journey with each and every member of our populace. You are what makes the Kingdom of Atenveldt strong.

With our warmest regards,

Baldric and Hürrem, Crown Prince and Princess of Atenveldt.

Patron Membership – Corpora Commentary Request

As part of the upcoming addition of a Patron membership, we invite you to provide commentary on the language changes in Corpora that this update will require. This commentary will assist the Board in forming further decisions relevant to its consideration of this matter.

What is the Patron Membership?

It is a membership tier that offers the option of a greater financial contribution to the organization. Many non-profit organizations offer tiers of membership.

What is the proposed cost of a patron membership?

The proposed cost of the patron membership is \$150 a year.

Is it linked to titles or in game recognition?

No. Some Kingdoms require paid annual memberships rather than an event membership (non member rate) for awards but this is not a Society wide requirement.

Is it mandatory? No.

Who asked for it? The Corporate Office has received feedback from members at times that this is an option people would like available.

What are the benefits of a Patron membership?

The main benefit is knowing that you are contributing to the ongoing administrative functioning of the Society in a way that you prefer. The organization is providing a small range of options as a gesture of its appreciation for your generosity.

Commentary regarding this proposed Corpora change must be received by the Board no later than May 3, 2024. Add #6 to Corporate Policies below. In bold.

Corporate Policies, I.B, 1-4—Membership Types-Non-Statutory Members:

B. Non-Statutory Members

The Board of Directors has designated the following categories of advisory membership. Such advisory members are not members within the meaning of Section 5056 of the California Corporations Code. California law supports the SCA's use of the terms "member" and "membership" in the common English meaning, referring to persons who have paid to be associated with the organization.

1. Sustaining Membership conveys eligibility to hold office in the SCA, a subscription to a Kingdom newsletter, the option to subscribe to other Corporate publications, and any other privileges designated by the SCA or its subdivisions as accruing to members of the SCA. This type of membership is considered a subscribing membership.
2. International Membership conveys the privileges of Section I.B.1. This membership type is available only in locations outside the United States which are part of the SCA, Inc., and not subject to an affiliate corporation. This type of membership is considered a subscribing membership.
3. Associate Membership conveys eligibility to hold office in the SCA, except where other membership categories are required Governing Documents. Associate membership also entitles the holder to any privileges designated by the SCA or its subdivisions as accruing to members of the SCA, except where another membership type is specifically required by the organization defining the privilege. This type of membership is not considered a subscribing membership.
4. Family Membership extends the privileges of Section I.B.1 to one additional adult and any children aged 21 or younger who live at the same physical address as a member defined in paragraphs B.1-B.2 of this Article. This type of membership is not considered a subscribing membership.
5. Institutional Membership allows a library or school to subscribe to Tournaments Illuminated and The Compleat Anachronist without acquiring the regional newsletter, and without any of the other privileges of membership. The Board reserves the right to determine whether or not a given organization qualifies for this membership type
- 6. Patron Membership conveys all privileges of I.B.1. along with additional privileges as designated by the SCA.**

Corpora, including the By-Laws, can be found in its entirety here: <https://www.sca.org/resources/document-library/govdocs/>.

Please email all commentary to SCA-Comments@sca.org and use the title "Patron Level Membership" in the subject line.

Commentary Request – Draft Corpora Wording – Omnibus Peerage Proposal

Currently approximately 8000 people around the Knowne World actively participate in target archery, combat archery, siege weapons, thrown weapons and equestrian martial activities. While no ultimate decision has yet been made the Board believes that a proposal of a path to peerage for these individuals is worthy of deep consideration.

Having received advice from the Peerage Committee, Directors have discussed the matter and following some minor amendments to language which align the proposed draft of Corpora wording to the existing patent orders, the Board feels that the proposal has matured to the point where commentary on the proposed Corpora wording from members is requested. This commentary will assist the Board in forming further decisions relevant to its consideration of this matter.

The draft Corpora language approved for commentary is:

VIII.A.4:

e. The Order of <Name>

(i) Members of the Order of <Name> may choose to swear fealty but are not required to do so. The candidate must have attained the standard of excellence in skill and/or knowledge equal to that of their prospective peers in a pre-17th century martial pursuit as practiced in the SCA, including, and limited to, target archery, combat archery, thrown weapons, equestrian activities, and siege engineers. The candidate must have applied this skill and/or knowledge for the instruction of members and service to the kingdom to an extent above and beyond that normally expected of members of the Society.

(ii) The duties of the members of the order are as follows:

- (a) To set an example of courtesy and chivalrous conduct on and off the field of honor.
 - (b) To respect the Crown of the kingdom; to support and uphold the laws of the kingdom and Corpora.
 - (c) If in fealty, to support and uphold the Crown of their kingdom.
 - (d) To enrich the kingdom by sharing their knowledge and skills.
 - (e) To enhance the renown and defend the honor of the peer's Lady or Lord.
 - (f) To advise the Crown on the advancement of candidates for the Order of <Name>.
- (other sections re-numbered as needed)

Knowing exactly what the people who work, study, and play in the Society want a potential new peerage to achieve and do will be key to moving forward in this discussion. The Board welcomes any additional context that people feel may be of use to the discussion.

We are looking for your feedback – as you begin to type up your comments please feel free to include your thoughts on the following questions:

- Does this language fill the gap I personally feel exists in the paths to peerage, why or why not?
- What is my ideal vision of a new peerage and its members? What virtue will they embody?

EDIT: If you are a financial member of the SCA, please include the relevant information.

The expertise of our community is invaluable, and these responses will contribute significantly to an outcome that positions our Society to meet its goals and future opportunities.

Corpora, including the By-Laws, can be found in its entirety here: <https://www.sca.org/resources/document-library/govdocs/>.

Please email all commentary to SCA-Comments@sca.org and use the title "Omnibus Peerage Proposal" in the subject line.

NOTE: Do not use attachments in your commentary. Attachments will mark your message as spam and it will be rejected by the server.
