## Words of the Crown

**G**reetings to the people of Drachenwald!

We are happy and grateful to have had such an excellent experience at Midsummer Coronation in our beautiful lands of Ad Flumen Caerulum. We were greeted by beautiful weather, a very relaxed event, old and new friends, amazing autocrats, helpers and cooks and by so many delicious meals! Thanks to fellow northerners we also got to celebrate a very Scandinavian midsummer in the midst of all the other celebrations!

It is very soon time for us to go onboard our long ship to hit the coasts of Aarnimetsä and attend the Cudgel war. We look forward to spending time there and to meet lots of people that are new to us! There might be gambling, singing, swimming and of course courts in our plans.

After enjoying the hospitality of Aarnimetsä we will steer towards the chalky cliffs of Styringeheim to take pleasure in all the things that Visby Medieval week has to offer.

Lastly we are rejoicing over amount of recommendations we have received, it is truly inspiring and gives us great joy! To read all the lovely things about many different people warms our hearts. Drachenwald is full of good people, help us see them and keep up the good work and continue to recommend those you see.

For the dream,

**Krake**  
Konungur/ König/  
Drottning/ Königin/  
Queen

**Beatrix**  
Kuningas/ Rí/ King  
Kuningatar/ Banrion/

## Greetings from the Seneschal

**G**reetings and salutations, good gentles of Drachenwald! 144 hours in the office (as of the time of writing this) and the Kingdom still stands! So I think we are off to a good start... :D

I now have access to the seneschal's email address (seneschal@drachenwald.sca.org), so if anyone has any questions or concerns for me, please feel free to reach out. I am also available on Facebook/Messenger and Discord, albeit irregularly, so email is the best way to reach me.

On that note, I would offer an opinion on the topic of communications...To me, the official communications channels are the Dragons Tale, Kingdom website, and email. I encourage the use of social media as a means to help get the word out, but refrain from endorsing any platform as 'official' nor using it as the primary mechanism for Kingdom business. I say this considering there is, at the moment, no platform widely used by the entire populace... Having said that, one of my goals is to see what we can do to ensure wider dissemination of key information - i.e. articles in the DT also being echoed on the email list and social media, and vice versa.

One last item, and a shameless plug: your Kingdom needs you! If anyone is interested in taking part in the administration of the Kingdom, please do get in touch, as I'm looking for volunteers to help with a variety of tasks, or dare I say, a future deputy or replacement. No experience necessary, and I'm confident we can

find tasks suitable to your interests and available time. I'm also sure other officers could use a helping hand, so if your interests are in areas other than the Seneschalate, feel free to reach out to the officer of your choice - locally, regionally, or Kingdom - to see how you can assist. As they say, "many hands make light work"!

In service to Drachenwald & the Dream,

**Tyndall**  
Kingdom Seneschal

## Greetings from the Chronicler

**G**reetings from the Chronicler!

Summer is here and so is the camping season! Lots of events going on during the summer. I myself am currently enjoying Cudgel War here in the Barony of Aarnimetsä.

Loads of upcoming events as well and I would like to take the opportunity to remain the autocrats out there to be in time in case you wish to have your event approved as official, that is important not only for any royalty holding court in the event but also to those who wish to take part into crown tourneys, as official events are counted.

Also heralds, please do remember to add your name into court reports and of those scribes who produced the scrolls and those folks making tokens for awards (in case known). I would always like to credit the incredible and amazing artists in our kingdom for freely giving their time and effort to make scrolls and tokens.

Thank you so much everyone!

YIS,

**Maerith aff Weselax**  
Kingdom Chronicler

We were also entertained with seeing the previous Prince and Princess do some clean-up work which pleased Their Majesties greatly! And at the end, pleased with their service, John and Gwen were awarded their Viscounties. And there was much rejoicing!

At this event you will be able to join workshops and walk away with your own selfmade bling. Or you can join lectures on how to bling things up, or teach your own class!

**Kingdom University**  
**07 - 09 November 2025**  
**Miehonlinna - Finland**

The Canton of Miehonlinna is proud to invite all to attend the Kingdom University held in Ahtela Youth Camping Center in Sauvo, Finland. The weekend will be filled with arts and sciences, great lectures and intriguing workshops. Come to learn new things and share your knowledge! The event will culminate to a delicious feast and a grand ball.

**Site**

Ahtelantie 21, Sauvo, Finland

The site is Ahtela youth camping center. The site has been previously successfully used for several SCA events including Coronation and Crown Tourney. The site is spread over a forest near the sea. We'll be using all buildings on site. The site is in our exclusive use. There are few neighbours and no services (gas stations, shops, etc.) in the immediate area.

Ahtela is a typical youth camping centre in the sense that activities will take place in different buildings and therefore one will have to do some walking outdoors to get to places, regardless of the weather. We recommend that all guests bring good outdoor shoes that are suitable for walking in Finnish winter weather. The roads between the buildings are sand/gravel and very well lit even during the night time. Maintenance of the roads is taken care of by a hired care keeper. There's some trekking up/downhill, but the slopes are not very steep. We do try to limit on-site driving as much as possible during the event. But if one cannot walk the distance, it is possible to drive by car almost door-to-door between accommodation and feast hall. Most buildings are not handicapped accessible.

There is the main hall building that will have space for 120 for the feast. Courts will also be held in the main hall. There is a smaller hall for 40 persons that will be

used for classes. In the additional hall there is a large industrial style kitchen that can be used for cooking classes. These two halls have no accommodation spaces.

University classes will be held in the main hall and the small hall but accommodation buildings also have spaces that will be used for University classes. There are at least 7 areas that can hold classes simultaneously. These areas are not uniform in size which will have to be taken into consideration when submitting classes for the University. Some areas are large enough to hold 2 classes simultaneously. As the class spaces are 5-10 minute walk apart from each other this will be taken into account when planning the University schedule to allow convenient time for changing classrooms.

There are 8 accommodation buildings spread over the site. These have beds for 6-30 people each. All beds have pillows and blankets. All guests must bring bed linens and use them even if they are using a sleeping bag. There is also some crash space on the floor in some buildings. Crash space is a single mattress sized spot on the floor. If you have been assigned crash space you will need to bring your own mattress, pillow and blanket.

All buildings are modern and in good condition.

This is the same site as was used for SCA 50 years. It is a large fair grounds with plenty of flat space for camping. Centrally on the grounds there are several large paved areas with roofs but no walls where activities such as fighting, fencing, A&S, equestrian etc take place. There will be plenty of merchants for all kinds of stuff and food. There is one building that is air conditioned with a large exposition hall where the history display will be held. There are plenty of bathrooms and showers in small buildings around the site. Within walking distance is a large Walmart store and a short drive away are several restaurants and other grocery stores etc.

The site is about 30 minutes drive from Indianapolis airport. It is about 3,5 hours drive from Chicago O'Hare airport to which you can fly direct from many major european airports.

## Greetings from the SCA 60th year display team

As the Society's 60th year dawns, we are reminded of those who have walked before us and live on in our memories, and to that end, we wish to represent them within the hall of history at the 60th Year Anniversary. Send in those we've known and loved, those whose spirits honored the SCA and whom we will now honor in return. The submission process is simple, you will simply need to fill out the following Google form <<https://forms.gle/YNfPe5PbuDkGbzzq7>> and include some basic information about the person. (Their name, heraldry, a little about them, etc.) Do not worry overmuch about submitting someone who may have also been submitted by someone else, as we will be thoroughly reviewing submissions to make sure we don't end up with duplicates in the end display."

I very much appreciate your assistance with this project. I will likely reach out, in three to four months, to make this request again and refresh it in the minds of the populace.
