## Their Outgoing Majesties

To Our Honored Populace:

As His Majesty and I gaze back upon Our time as your monarchs, We count Ourselves extremely lucky. Our staff is loyal; Our army is itching to be called forth; and Our populace is generous. We possess the Mongoose of War and the Kitty of Peace (and naps) as well as the War Banner of Inclusion. Truly, We could ask for no more.

Our Heirs will take Our place in September, as is right and proper. We have every confidence in them.

**Skio & Aelina**

## Their Incoming Majesties

Greetings, Northshield!

It has been a hot summer and as We look forward to the winter event season, We wish to take a moment to thank everyone who supported Us as Heirs. From the groups that graciously hosted Us to the people who retained, contributed to making garb, or simply checked on Us, you are what made Our time as Heirs successful. Thank you!

We are recently returned from Pennsic War, and Our scouts and ambassadors tell Us that the possibility of War exists to the South. If this comes to pass, then Northshield will – of course – ride to Gulf Wars to provide what arbitration is necessary.

We are excited to be a part of the great tapestry that is Northshield and wish everyone a bountiful fall and peaceful winter.

**Wu & Tom**

## Kingdom Seneschal

Dearest Northshield,

Fall is now upon us, and I hope your harvests have been bountiful. I look forward to our upcoming Crown Tourneys and Coronation of our new King and Queen. As always, if you see me at an event, please don't be a stranger. Come say hi! Please review our help wanted section, as there are always jobs available.

As always, I am grateful to serve you,

**Morgaine**

## Kingdom Advocates

As the weather starts to cool off and we start preparing for the long winter ahead, many of us are gathering supplies for work on projects during the cold months when it is hard to travel.

Something I'm reminded of as I work on a lucet project, is how much our communities are similar to lucet weaving or even embroidery, another project I have going. In lucet weaving you are tying knots into your threads to make them stronger; you can even use multiple strands of different colors. Every cord is different and uniquely colored and patterned, just as our Kingdom, Baronies, Shires, and Cantons are so very exceptional.

When I work on an embroidery project, it is so satisfying watching the design or scene come to life with each stitch, just as each of us brings something distinctive to the SCA. Sometimes I have to change a pattern for one reason or another and bring in a different color. I often worry how it will affect the overall picture, but when I have completed it, it's like it was always meant to be there. So too is it within the SCA: you might not know where you or someone else fits, but you are necessary to the overall picture of the SCA.

As you start preparing for the long winter ahead and the possibility of not seeing friends for weeks at a time, consider what you can do to help weave new people into your communities.

In Service to the Dream,

**Asa**

## KINGDOM OF NORTHSHIELD – DISCUSSION GROUP

## NORTHSHIELD ARTS & SCIENCES

## NORTHSHIELD DISCORD

## Chancellor of the Exchequer

Greetings, Northshield!

As we move toward autumn, it is time to start thinking about some of things group exchequers will need to do for year end.

Now is a good time to touch base with other group officers to make sure your property lists are current, and find out if any items need to be added or removed. Your group's financial policy should be up-to-date. And don't forget, your group's budget will need to be reviewed and approved by your financial committee. Starting work on that now will help you avoid a time crunch later.

I'd like to encourage all exchequers to review the Northshield Kingdom Financial Policy that details all this information, as well as reporting requirements, time frames and many other important details. You can see it by going to the Northshield Kingdom website, going to the 'Officers' tab, clicking on 'Chancellor of the Exchequer' and scrolling down to 'Resource Links'.

Yours In Service,

**Lachlann**

## Kingdom Minister of Arts & Sciences

Greetings, Northshield!

I want to thank and congratulate our event organizers for making the arts and sciences a part of so many Northshield events this year. It is wonderful to see so much A&S promotion and participation in both long standing and new events. There are so many creative ways that your group can add A&S opportunities to an event or moot of any size – from simply setting up a display table to holding a widely-publicized themed competition, from providing a place to network, to organizing formal classes.

SUN will be coming up soon, on Nov. 1, in Silfren Mere. To submit a class or discussion group, see the SUN website, [Sun-ns.org/sun-2025](http://Sun-ns.org/sun-2025). You can also reach out to the SUN Chancellor, Jehanette de Provins ([sun@northshield.org](mailto:sun@northshield.org)) or to me.

Looking forward to the A&S Faire and SUN for 2026, if your group is interested in hosting, we are looking for bids. I'm available to help out with questions, event ideas or bids. Email me at [moas@northshield.org](mailto:moas@northshield.org).

## Kingdom Chronicler

Greetings unto Northshield,

With luck, this missive finds everyone well after the busy summer season. There have been so many opportunities over the hot summer months to learn something new, practice an existing hobby, and catch up with friends.

At the time of this writing, we are recruiting a new Kingdom Social Media Officer and will hopefully have an update next month as to the status. Additionally, I want to recognize the outstanding service of bantiarna Grainne Dhonn who will be stepping down this fall as the Editor of the *Northwatch*. Please contact [chronicler@northshield.org](mailto:chronicler@northshield.org) if you are interested in this position or have questions about the role.

The *Northwatch* is a fantastic way to showcase all the great work being done in Northshield. Content could include event reports, how-tos, new songs and poems, a recipe redaction, a summary

of a class you taught, or even lessons learned from something that didn't go as planned. These might come from the list field, a moment that inspired you at court, or a recent business meeting. As we approach Anno Societatis 60, this is a great time to remember our history and those who have come before. I look forward to keeping warm this winter reading about happenings all across the kingdom.

Yours in Service,

Sarra

## Northwatch Editor

Cén scéal? What's the news?

I am looking again for a successor for the post of *Northwatch* Editor! We need to fill this post ASAP so I can arrange time for training.

This issue, please note some of the online communities available for interest groups around Northshield.

Deadlines for our upcoming newsletter themes are as follows, but please submit art and articles about anything at all for the edification of the kingdom.

- August 20 – Science! – What new (pre-1600) discoveries would you like to celebrate?

Please send all questions or submissions to [northwatch@northshield.org](mailto:northwatch@northshield.org).

Grainne

## Webminister

Greetings!

The new website will go live August 26, which is the day after the next round of reports are due.

More accurately, on August 25 we'll push the buttons to migrate the domain from our current hosting provider to the new one. (It can take anywhere between a few hours and a few days for this to be complete. To be on the safe side, we'll let people file their reports before we push the button.) The new site will be at the same URL – <https://northshield.org> – but any links that you have to the existing site may not carry over.

You will need to provide a new login. You should use the same email address that you currently use, if you can; provide the email and click

'forgot password' to receive a new one. You can change it when you log in for the first time. Your profile may not be available immediately, because we have to connect your new profile to your old one; we hope this will be done quickly. Kingdom officers please note: to perform office-level functions you will log in with your office name – for instance, [herald@northshield.org](mailto:herald@northshield.org) – and a password which I will provide in advance of the migration. (You can change it once you log in.)

I'm writing this a few weeks in advance of when this article will be published, but if everything goes according to plan we'll have most of the current content in place. We are taking our time with older content because it requires cleanup. You should be able to access your martial records and authorization cards, look up your awards, and file reports. All of the handbooks and resource links and forms will still be there. Event listings are formatted differently, but still exist.

As of right now we are aware of a few bugs, and we're working to get them cleaned up; as I hear in my corporate life, none of them are showstoppers. We may tweak some of the user experience in the next few months – rearranging menus, adding graphics, shuffling layouts. It'll all be fine.

Some of you will be very happy with the new site. Some of you won't. Please remember that the current site has been around longer than some of you have been alive – the code has been patched, band-aided, vivisected and revived more times than Frankenstein's monster. Official support for the code base ended almost a decade ago, and pieces have been falling off of it for years; there are some things that just don't work any more no matter how much we plead with it. The new site is fresh and shiny, has a robust community keeping it afloat, and most of all, it works. Please give it a chance. If there's something you can't live without which isn't there any more, let us know and we'll build something new to replace it.

Welcome to the new Northshield.org!

In service,

Abelard

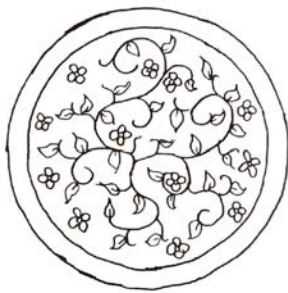

## Kingdom Earl Marshal

Hello, Northshield,

My time as KEM is coming to an end and I looking forward to handing over the job to a new candidate. Please contact me if you're interested in the position. I would love to talk over the job and the requirements needed.

DEAR ABBESS,

I AM A BLACKSMITH IN A SMALL VILLAGE AND PRIDE MYSELF ON MY HONESTY, BUT I FEAR MY SON HAS NOT INHERITED MY TRUTHFUL NATURE. HE IS NOW NEARLY FIFTEEN YEARS OLD AND HAS BECOME INCREASINGLY FURTIVE. I FEAR HE HAS BECOME PRONE TO DECEPTION AND LIES, AND OFTEN HE SIMPLY SAYS NOTHING WHEN I ASK HIM A QUESTION AND MERELY SHRUGS. CAN YOU SUGGEST A FOOLPROOF METHOD TO DETERMINE WHETHER HE IS TELLING THE TRUTH? I DO NOT WISH TO PHYSICALLY HARM HIM, SO WOULD PREFER TO TEST HIM THROUGH LESS DRASTIC ORDEALS IF POSSIBLE.

SUSPICIOUS SMITH

FILLING THEIR MOUTH WITH DRY RICE, WAITING A WHILE, AND THEN LOOKING TO SEE WHETHER THE RICE REMAINS DRY – A PERSON'S GUILT MAY BE BETRAYED BY A DRY MOUTH, THUS THE RICE WOULD REMAIN DRY. THE GREEK PHYSICIAN ERASISTRATUS BELIEVED THAT DECEPTION COULD BE DETECTED BY MEASURING THE PULSE. HOWEVER, GIVEN HIS AGE, YOUR SON MAY SIMPLY BE ATTEMPTING TO BE MORE PRIVATE AND CIRCUMSPECT RATHER THAN DECEITFUL. IF HE SHOWS NO OTHER OUTWARD SIGNS OF WICKEDNESS, YOU MIGHT GIVE HIM A CHANCE TO PROVE HIMSELF BY HIS DEEDS RATHER THAN HIS SPEECH OR LACK THEREOF.

-ABBESS

DEAR SUSPICIOUS,

I CAN SUGGEST A FEW OPTIONS THAT WOULD NOT SEE HIM COME TO BODILY HARM IN THE EVENT THAT HE IS CAUGHT IN A LIE. I HAVE HEARD ONE TALE FROM CHINA IN WHICH A PERSON'S TRUTHFULNESS CAN BE TESTED BY
