From the Society
Board of Directors**

REQUEST FOR COMMENTARY – CHATELAINE AND DEIB OFFICES

The Board of Directors is currently considering changes to Corpora. It invites commentary from the membership and participants. These changes aim to enhance recruitment and member retention in the SCA. They also aim to further support these goals. They elevate the Society Chatelaine to a greater Society Officer. They align local and regional chatelaines to this same structure. It is a strategic move. It aims to support the implementation of comprehensive recruitment and retention strategies. It also aims to align the office to a clear vision. The Board also approved proposed wording. It supports the creation of a Society Diversity, Equity, Inclusion, and Belonging (DEIB) Officer. They also approved aligning local and regional DEIB officers into one structure. Like the proposed Chatelaine changes, it aims to support an aligned Society vision. It also aims to support the implementation of strategy in this space. Finally, the Board approved changing the name and scope of the Corporate Diversity Equity Inclusion and Belonging Office. It is now the Office of Inclusive Programs. This office will handle the implementation of large scale, heavy-lift projects. This work will move inclusivity in the SCA forward. It will also transition leadership and management of game-facing DEIB work to the newly created Society DEIB Officer. This office will support all corporate and society officers. It will also serve as a primary DEIB advisor to the Board. Note: Changes to corporate offices don't require changes in Corpora or public commentary. Understanding the changes to the Corporate DEIB Office will add context for the proposed changes to Corpora. It will also provide clarity for the realignment of responsibilities among these offices.

Commentary Request – Draft Corpora Wording – Omnibus Peerage Proposal - SCA.org <<http://www.sca.org/news/commentary-request-draft-corpora-wording-omnibus-peerage-proposal/>>

Provide your feedback on the proposed Omnibus Peerage Proposal wording for Corpora! Inform the Board's future decisions on this topic!
www.sca.org

Currently approximately 8000 people around the Known World actively participate in target archery, combat archery, siege weapons, thrown weapons and equestrian martial activities. While no ultimate decision has yet been made the Board believes that a proposal of a path to peerage for these individuals is worthy of deep consideration .

Having received advice from the Peerage Committee, Directors have discussed the matter and following some minor amendments to language which align the proposed draft of Corpora wording to the existing patent orders, the Board feels that the proposal has matured to the point where commentary on the proposed Corpora wording from members is requested. This commentary will assist the Board in forming further decisions relevant to its consideration of this matter.

We are looking for your feedback – as you begin to type up your comments please feel free to include your thoughts on the following questions:

- *Does this language fill the gap I personally feel exists in the paths to peerage, why or why not?*
- *What is my ideal vision of a new peerage and its members? What virtue will they embody?*

EDIT: If you are a financial member of the SCA, please include the relevant information. The expertise of our community is invaluable, and these responses will contribute significantly to an outcome that positions our Society to meet its goals and future opportunities. Corpora, including the By-Laws, can be found in its entirety here: <https://www.sca.org/resources/document-library/govdocs/>. Please email all commentary to SCA-Comments@sca.org and use the title "Omnibus Peerage Proposal" in the subject line. NOTE: Do not use attachments in your commentary. **Announcements
From the
Society
Board of Directors**

<https://www.sca.org/news/membership-fee-increase-effective-february-15-2024/>

In response to the evolving financial environment, the organization streamlined operations during the 2020 COVID-19 pandemic and significantly reduced corporate expenditures. The relocation of the office to San Jose, CA resulted in an annual savings of over \$35,000, and upgrades to software and CRM systems have netted a further savings of over \$100,000 annually. While membership numbers have rebounded post-pandemic, operational costs continue to rise. SCA, Inc. Corporate is solely funded by membership fees, including the Non-Member Registration fee, and does not currently seek operational funds from its Kingdoms or subsidiary organizations, including those overseeing Pennsic and Gulf Wars.

At the January 2024 meeting of the Board of Directors, the Board approved the following changes, effective **February 15, 2024**:
Raise the Sustaining membership price from **\$45** a year to **\$55** a year (This represents an \$0.83 cents per-month increase over the previous monthly rate.)

Raise the Associate membership price from **\$30** to **\$40** a year. (This represents an \$0.83 cents per-month increase over the previous monthly rate.)

Raise the Family membership price from **\$10** a year to **\$15** a year, per person. (This represents an \$0.42 cents per-month increase over the previous monthly rate.)

No changes to Canadian or International memberships have been announced at this time.

Note: this change will take effect for all renewal transactions processed on or after February 15, 2024. Renewal transactions prior to that date will be processed at the previous rate, regardless of membership expiration date.

The Board also approved the following changes to Non-Member Registration fees, effective April 1, 2024:

- Raise the Non-Member Registration Fee from **\$5** to **\$10** per event. As always, this only applies whenever there is an actual event fee charged.

Both Sustaining and International Membership allow subscriptions to printed publications, as well as the ability to add Family memberships. It should be noted that these increases remain less than the cumulative U.S. inflation increase of 36.5% which has occurred since 2011. (*Data calculated using the US Inflation Calculator*). SCA, Inc. emphasizes its commitment to transparency and sustaining a vibrant community. These fee adjustments aim to ensure the organization’s fiscal health, support ambitious initiatives in 2024 and beyond, and keep the Knowne World thriving and dreaming for years to come.
