Missives

From Their Majesties

To Our beloved Populace of the West, greetings from Fabian and Eliška, last King and Queen of the LIX year of our Kingdom. We now contemplate retirement, confident of our worthy successors and content with a most wonderful reign.

Thanks to your love and support, we had more fun than we could have possibly imagined. We challenged you to celebrate all the ways that you and your friends make this the best kingdom in the World, and you amazed us with your response! More than 250 of you logged over 750 activities as of Spring Crown, and we know that many, many more activities went unreported. We look forward to all the good works we will all continue to do together. Please continue to seek us out to collect your well deserved tokens.

Everyone who came to Spring Crown made a dream come true, with the creativity, skill and hilarity you brought to our Palio Challenge and the Rose & Crown Pub Sing. Remember – we may have had an idea, but it was all of you who made it real! Thank you for laughing with us, and for all the fun we will have together in the future.

With love and gratitude,
Fabian and Eliška
Forever of the West

Cynagua/Mists War

May 9, 2025
KHTI, Catheys Valley, California

A cacophonous clanging spills in from the shore, souring the sweet coastal air. A thick plume of smoke rises from the horizon, painting the otherwise clear blue sky with an ominous grey, as the distant rumble of cannon fire echoes across the coastal cliffs, sending startled seabirds scattering into the air. From the vantage point on the rocky headland, onlookers witness the silhouettes of the battling fleets, their sails billowing in the wind, gradually closing in on one another, now locked in a fierce dance of fire and maneuver on the open sea.

The principalities are at War!

Come support your side in a naval inspired Heavy and Steel Combat, Archery, Horsemanship, Art & Science Deceptive Arts of War competition, Artisan Scriptorium, Privateering, Youth Challenges, and more!
