Travel to the Northern Realms for the last celebration of summer season! Join the Shire of Windegate at Williamson Park in Shelby Montana and celebrate in jubilant Northern style as Hordes from Avacal cross the border once again to celebrate our friendship. We hope!

Fighting, Archery, Thrown Weapons, Dancing and Music, Arts and Classes, and Shopping! All are to be found in abundant supply amongst the trees along the shore of the Marias River. Before we batten down the hatches for the long nights of winter, the Kingdoms of Artemisia and Avacal shall join together on the fields of battle, and around the campfires beneath the stars, to solidify our mutual respect and kinship.

The Autocrat team is planning activities for full days of merriment and contests! There will be Armored battles, on the main field, and into the woods! Don’t forget our Founder’s Battle, and Sir Terrell’s booty tournament. Rapier will also have battle scenes and tournaments to determine who is the best. For the Arts & Sciences minded persons, we are planning to have classes, and display for your projects. Archery is a mainstay at this event, and there will be animal targets, Royal Rounds, and three archery championships. There will be organized children activities, and hopefully a practice of Youth Combat!

Random Carp that I have learned...

A look at modern practices and their medieval sources

What's your sign? We all think of Astrology as an old science, but how old, really? Turns out it is REALLY old. Not the Romans, not the Greeks, but the Babylonians were the first to start mapping out the heavens with meaning. They used a sexagesimal (that's base sixty) number system in the 3rd millennium BCE, breaking up the 360° sky. From there you can break it up into the 12 (ish) moon cycles per year (the Babylonians used a luni-solar calendar to keep things aligned long before the Romans messed it up). The constellations that ruled the night sky during those sections of time became representative of the month, and onward through the Greeks and Romans to modern Astrology.

Most of the astrological signs relate well with their symbols. Leo the lion, Scorpio the scorpion, Taurus the bull. What is it with Cancer and a crab? In the ancient Aramaic and Hebrew the word for cancer, סרטן(sarten) is the same word that is used for crab. And now you know more random carp.

From the Kingdom Chronicler

Greetings from THL Freydis the Good,

My term as your Kingdom Chronicler concludes in Feb 1, 2026 which means I need to find a successor no later than September 1st. The office does require a bit of commitment and time, but is a fantastic opportunity to create a showpiece of our Kingdom reflecting our beautiful Society. The short list of requirements start on page 5 here: <https://www.sca.org/wp-content/uploads/2019/12/ChronPolicy.pdf> and are basic requirements for most positions within the SCA. Our illustrious and resourceful Kingdom Seneschal has "cinched up" spreadsheets that help make gathering approved content & information much, MUCH easier than it has been in the past.

Those interested in applying for the position are invited to submit a letter of intent to the following recipients:

Their Majesties (crown@artemisia.sca.org)

Their Highnesses (heirs@artemisia.sca.org)

His Excellency Bartholomew, Kingdom Seneschal (seneschal@artemisia.sca.org)

The Honorable Ladyship Freydis the Good (sage-advice@artemisia.sca.org)

All letters of intent must be received by **September 1st**.

In Service,

THL Freydis the Good
