Publication Policies

Send submissions to the Kingdom Chronicler (see Regnum). All submissions IN THEIR ENTIRETY must be in the Kingdom Chronicler's possession no later than the first of the month prior to the cover date (e.g. January 1 for the February issue). This includes e-mail and hardcopy submissions. Should the first fall on a Sunday or holiday, the deadline for hardcopy will be moved to the next business day; e-mail submissions will be due no later than the 1st regardless.

If you are going to be late, you must inform the Chronicler before the first of the month so that space may be reserved. Anything arriving after the first is subject to refusal and has no guarantee of being published.

Submissions shall consist of a [1] an electronic copy, [2] an event announcement checklist which has been signed off on by the Seneschal of your group, and [3] a release form for any artwork (including maps) in the submission. If your submission is missing any of the previous items it will potentially not be published if not resolved by midnight on the first.

PDF is the preferred file format for submissions. Any other format MUST be discussed with the Kingdom Chronicler for acceptability.

Ads, releases and checklists should be sent in electronic form via e-mail to kingdom@chronicler.ansteorra.org. Please see: <http://chronicler.ansteorra.org/> for detailed information on submissions.

The Kingdom Chronicler reserves the rights to redraw any map, retype any submission, or remove any borders to improve the printability of any item. All maps must be the original creation of the submitting party. No reproductions of printed or electronic maps will be accepted without a signed release. The Black Star reserves the right to refuse any item not suitable for publication.

Stellar Majesties

Greetings Ansteorra

We are getting to see so many of our populace, and because they do so many things, we have had the honor and privilege of recognizing many of them!

Due to the weather in Oklahoma, Wiesenfeuer Baronial had to be canceled, but they are working on a new date! Be sure to watch for news and updates for this event.

We visited a couple of our Southern groups and were overjoyed with their events, hospitality, and fun!

We also had our Queen's Champion, which was hosted in the North. This is always a very emotional and overwhelming event, but it is so much fun to be a part of. The Order of Defense is now 10 years old!

June has many great things happening.-
We will hold Crown Tourney and our heirs will be found.
We will open the Order of the Mark (the new Missile Peerage) and elevate the premier members. At the end of June, we attend the Vindheim Coronet Tourney to see who the new Coronet will be.

As we enter the warmer months, please be careful to hydrate and not get overheated!

In Service to the Dream,
Jason and Margherita IV
King and Queen Ansteorra.

Kingdom Seneschal

Greetings Ansteorra!

This month we will meet the Heirs to our Kingdom and I look forward to the Crown Tourney!
Please consider volunteering for an office, there are openings all across the Kingdom.
My office has been super busy and so I don't have a lot

of words to share at this time.

On April 26, 2025 at Bjornsborg's Roman in the Round, We, Jason Drysdale and Margherita de Mantua, Crown of Ansteorra issued the following sanction:

Temporary Removal of Participation against Schotte Shaun Wengland, known in the Society as Artur Wolfe

Beatrix Alfray (LKA Laura Meissner)
Regional Vice President/Seneschal of Ansteorra

Kingdom Exchequer

Greetings,

I want to thank everyone for turning in their reports to Domesday. The end of the year report has been turned into society. Now, we start the standby for the audit requests. When these go out please answer quickly.

I am including a link to the E-sign site that we use for the kingdom and principality. It might be useful to you as well. Free Electronic Signature - Xodo Sign (formerly eversign) Another version of the free digital signature is smallpdf.com

Kingdom Minister of Arts & Sciences

Greetings Ansteorra,

Summer is upon us and Kingdom Collegium is right around the corner. We will be closing class proposals on the 30th. This year we have space for wet, messy, fire based, archery, cooking and fighting classes. If you have not found a great place to share you art, this is the time.

We will have limited access to video screens in the class areas. If you need a screen and don't have something you can use, let the autocrat team know so we can make sure we provide something for you. If you have a freestanding screen and would like to loan it please let them know that as well. I think we only need a couple more.

If you have not reviewed the new inter-kingdom judging forms for Kingdom Arts and Sciences please review them before you finish your documentation. If you are a Kingdom A&S

veteran, you will notice that we are not asking for anything new. If you are entering for the first time, this will guide you more specifically on the items that we are going to judge by art type grouped into three areas, Academic, Performance and Static. Academic projects do not require approval this year as we now have more specific guidelines for many more types of research.

Please attend one of the classes at Steppe's Warlord, Kingdom Collegium and on the website.

If you have questions feel free to contact me or grab me at an event. I can't wait to see all the projects.

Have a great summer and if you have a summer break, now is a great time to make something new or share an art with your friends!
