We, Mordygan and Ymanie, Cyning and Cwyne Utenweard send warm tidings to you, great and wonderful populace of The Outlands!

As We write these letters We have begun Our journeys to the various Yule, Midwinter, and Twelfth Night celebrations throughout Our lands. We were lucky to begin this journey in the wonderful hospitality of Windkeep, where We had a great time. al-Barran Midwinter will be quite full with camaraderie and joyous times, along with tasty food. Caer Galen's Midwinter will also see the ascension of the Righ Tuatha, Bryn and Ronan, to the thrones of Caer Galen. We want to thank Shoshanah and Hayashi for their dedicated and long service and wish them well in their free time! Caerthe will host Us well for their Twelfth Night celebration, where once again, the friendships shared and created there will last a lifetime!

As this is Our final letter to you, fair people of The Outlands, We wish to write words of gratitude to several people, who have made Our time serving this kingdom easier through their own great efforts. Firstly, We could not have done so well and been so efficient with Our courts without the voice of Our Cwyne, Blue Iris Herald, Countess Matilda. She was more on top of everything than either of Us could have asked for and kept Us well in her service. Baron Jorundr, Cwynes Huscarl, has traveled far and wide to accompany Our Cwyne and keep her safe. Sir Zachariah, Cyninges Huscarl, ever the stalwart companion, helped to keep the Cyning's heart light and full of laughter, and always there to serve and follow Us into ridiculous battle tactics. Duchess Anna Mactaggart, Cwynes Weardgeréfa, whose companionship was valued more than she might ever know, cunning warrior, skilled with spear and needle, making us both look regal, thank you. Baroness Safiyya, noble Stigweard, worked hard to keep us informed and to keep Our Meadhall running smoothly. To Our head attendants, Mistress eKaterina and Sir Hrolleifr, who tirelessly gave of their time to make sure that We were well attended, and most importantly, that Our Cwyne was well stocked with snacks, We thank you tremendously! Countess Mariana, whose organizational and communication skills were extremely appreciated as you worked to keep Us clothed in the finest that all the wonderful artisans were able to make for Us, Our deepest gratitude for this effort. Lastly, to all the guards and attendants that joined Us as We traveled both near and far, without your work We could not have done any of this and it is you that shined through, allowing Us to serve this wonderful kingdom. Huzzah to all those that worked with Us throughout Our reign. We are assured that The Outlands passes to the next generation of servants with Our Heirs, Fjölverkr and Melissa, who will continue to work to make The Outlands the shining example of grace, valor, and hospitality that it is known for.

Please remember to listen with empathy and speak with kindness.

Happy New Year to the greatest Kingdom in the Known World
 from your Dread Lord and Lady of Argonia!

Our hope is that you embrace the chance for fresh beginnings, aspiring to carve a narrative woven with joy, resilience, and boundless possibilities. May each dawn be a promise of opportunities, and every sunset a canvas painted with the hues of gratitude and growth. Cheers to the unwritten chapters and the unwavering hope that accompanies the journey into the unknown year ahead.

Attending al-Barran and Caer Galen's Midwinters alongside Caerthe 12th night allowed Us to take in the delight of Winter's beginnings while basking in the happiness of a Kingdom full of love!

And then there's a little Coronation something or other we're supposed to attend...oh and a Queen's Champion heavy combat tournament too! But We digress...

Within Our embrace, We wish to nurture the environment of fellowship within these great lands. Together we can flourish like a garden of diverse blooms. Every soul, a unique petal contributing to the vibrant tapestry of unity, forging bonds that withstand the test of time and adversity.

Thank you for believing in Us, as We do in YOU

Words from the Officers

From the Office of the Seneschal:

Joyous Winter Season and Greetings to the Good People of the Outlands,

As I sit and reflect on the events that occurred this month, I am thankful to live in a wonderful kingdom with amazing talent, dedication, and creativity that is the Outlands. I have also witnessed what can go wrong when people have problems communicating. Finding the office in need of an additional Special Projects Deputy, Master Juan Balthazar Tegero joins the Seneschallete to assist in researching and investigating the Bullying, Harassment, and Retaliation claims. All bullying complaints are confidential and will follow the SCA's Investigation policy.

What is bullying?

When someone says or does something unintentionally hurtful and they do it once, that's RUDE.

When someone says or does something intentionally hurtful and they do it once, that's MEAN

When someone says or does something intentionally hurtful and they keep doing it even when you tell them to stop or show them that you are upset, that's BULLYING.

As always, I will be hosting Open Office hours via Zoom the 2nd Thursday of each month from 7-8pm. Feel free to pop in and ask any questions about the office, kingdom, or myself. The link will be posted on Facebook, or you can reach out via email for more information.

Be Excellent to one another.

In Service to the Kingdom of the Outlands,
Baroness Ays,e al-Rumiyya, OSO
Kate Tingley
Regional Vice President SCA, Inc

From the White Stag Principal Herald:

Greetings unto the Outlands from Ædeluulf munec, White Stag Principal Herald.

The Midwinter season is upon us, and we will soon welcome a number of new peers across the kingdom, and the changeover of the Barony of Caer Galen. I hope to see all of you, and share in the cheer this season brings, with Midwinter, Twelfth Night, and soon enough the Coronation of Their Royal Highnesses Fjolverkr and Melissa, the Dread Lord and Lady of all Argonia.

Within the College of Heralds, we are anticipating the publication of the Sixth Edition of the Heralds' Handbook this month, and we will make sure that all branch heralds have an electronic copy. We are also celebrating the promotion of a number of heralds within the ranks of the College; I would like to thank each and every one publicly and personally for their contributions to the Outlands over the past year.

Finally, the time has come to open letters of intent for my successor. I have greatly enjoyed my time as White Stag, but my time must come to an end. We will be soliciting applicants for the position of Palmer Herald (Herald-Elect) through 28 February 2024.

The duties and responsibilities of Palmer Herald are generally the same as that of White Stag (see below). It is also a great opportunity for a herald to see if Principal Herald is a job for them. Success in this position (and in the position of White Stag) is mostly keeping track of projects and shepherding them along, not being the single point of authority.

As the chief executive of the College of Heralds, White Stag works with the Crown of the Outlands, the Greater and Lesser Officers of State, as well as Laurel Sovereign of Arms and their deputies Wreath, Pelican, and Palimpsest. They are ultimately responsible for the timely processing of heraldic submissions, notification of registration decisions, and recording of awards issued by the Crown and Their Coronets. They are to inspect and confirm the proper display of emblazons of armory on official documents, and to put their seal and or signature to correct displays. They are also charged with the creation and education of new heralds to support the continuation of the College of Heralds.

If you are interested in the administration side of the College of Heralds, or want to see what being a Kingdom Deputy Officer is all about, please reach out to whitestag@outlands.org. Your letter of intent should include SCA Name, Mundane Name, Membership Number, previous heraldic and administrative experience, and a brief statement about what you want to see the College of Heralds do under your tenure.

I remain, in service,
Æthelwulf munec
White Stag Principal Herald

Words from the Officers

From the Ministry of Arts and Sciences:

Greetings beloved Outlands

I hope you had a beautiful holiday season and as we move into winter and the time of Epiphany, I want to encourage you to take up and continue your arts and sciences! We will be holding our Kingdom Arts and Sciences Competition at the end of the winter season on March 23rd, 2024 in the amazing Barony of Caerthe. To that end, there have been some changes to the Arts and Sciences competition that I encourage you to explore early. I and the Web Ministry office are diligently working to update all of our Arts and Sciences information, please see what's new at <https://www.outlands.org/resources/kingdom-arts-sciences-competition-information/>

I have 4 new deputies that I am honored to introduce to the kingdom. First are my regional deputies. In the North your Arts and Sciences resource is Countess Martine de La Rochelle and in the South Baroness Gwenlyn Aldwyn. These are my representatives in your more immediate areas and I encourage you to reach out to them if you need anything. Finally we have a rockstar team that is assisting me with both Competition and Collegium. Your Kingdom A&S Competition Deputy is Countess Richenda de la Selva, OL and your Kingdom A&S Collegium Deputy is Countess Aria de Chatillon, OL. These amazing women are all dedicated leaders in our A & S community and I am blessed to have them at my side as we update and build.

Keep learning and growing. Know your fellow artisans and scientists are cheering you on. I look forward to seeing you all this winter and in the coming spring. Stay inquisitive.

Yours in service and camaraderie:

Mistress Rannvaeig

Brigit was a pre-Christian Celtic Goddess and was celebrated in late winter with Imbolc, loosely translated as "ewe's milk" and indicates that the sheep are lambing and a new season has begun. St. Brigid was a 5th century Irish woman adopted as a patron saint for dairy workers & farmers, blacksmiths, poets and midwives & healers.

We will make St. Brigid's crosses, have games and ask the populace to entertain during feast with a song or poem. A feast will feature spring foods. A menu will be published to social media and our web site once it is settled on.

This promises to be a day of fun, food and friends so don't miss this chance to visit the Shining Hill for our first feast since the dark years.

Details are still in the works, but we are hoping to have Arts & Sciences from Caerthe, Caer Galen, Unser Hafen and Aarquelle as well! There is sure to be something fascinating for almost anyone to view and discuss with its creator.

Additionally, as is traditional, Candlemas will feature heavy and rapier (and possibly cut-and-thrust) fighting for those hearty souls willing to brave the winter weather. (Some combat may be held indoors if the weather requires it.) There will be space for games during day, so bring them along.
