From the Departing King and Queen of the West

Dearest West Kingdom,

Our time on the Western thrones has come to its end, and We wish to thank you all one more time for such a wonderful reign and all the joyful memories We carry into our retirement. It has truly been a wonderful experience, and We treasure the time We have shared with you all.

We are so pleased with Our Heirs, and know the Kingdom will prosper in Their reign. Please don't forget to send in award recommendations so that They can recognize all of the incredible members of the West Kingdom! We all know people who make beautiful art, serve selflessly, give of their time to teach, or exemplify what we all wish to see on the martial fields. Even if you aren't sure what award they deserve, you can send in a recommendation!

Thank you all again for the love you all have shown Us, and Our daughters. We look forward to many more years of making memories with you all in Our retirement.

Our love always,

Miles & Jitka

From the Incoming King and Queen of the West

Treasured West Kingdom

Populace It is with great pride and honor that We step forward to lead the first Kingdom. We hope everyone has a joyous and fulfilling time under Our reign, and We wish you a warm hearth and home as winter rages outside. When the days grow longer and Spring brings new life, We shall raise the Western Banner of War in the far off lands of Atenveldt and Gleann Abhann. We hope many of you will join Us in battle and in revelry!

A few notes on our Tournament to chose Heirs:

First off, as per Western tradition We welcome both combatants and consorts from foreign lands, although We reserve the right to refuse any entrants. If you or your consort are not residents of the West, please send Us a brief note indicating your interest in entering Our Crown prior to April 15th, so that we may announce your intent to the populace.

Second, as a personal whim of the King, We have declared that this tournament will be fought as if helms are closed faced. We are announcing this now to give people plenty of time to experiment with this minor modification in calibration. This modification has been discussed with our Earl Marshal and his likely successor.

Yours in Service,

Sigifrith and Sof'ia
