Words from the Crown

Greetings Unto the Glorious Populace of the Solar Kingdom of Atenveldt!

We cannot begin to fully express our thanks to all of the gentles who helped with our Coronation, whether their role be helping with the preparations, hosting the event, or attending the day and bearing witness to the changing of the Crown. We wish Beau and Hürrem a well-earned, restful, relaxing retirement. Their thoughtful care of this Kingdom showed throughout their reign, and we could not be more honored to follow in their footsteps.

With Coronation behind us and the weather rapidly cooling down, we are keenly aware of the ever present threat of War. We know that our neighbors to the East and West of us are hopeful to be able to take on this beautiful Kingdom upon the field of battle and claim it as their own, but we have the utmost faith in the warriors, artisans, and service-minded people of Atenveldt and we know that together, we will rise as one! As in years past, the time to prepare for war begins long before the actual battles: preparing weapons and armor; creating masterful works of art; studying the sciences of the world around us; and working to ensure that the event itself runs as smoothly as possible by being prepared for the demands of the people.

December brings with it the holiday season, and some much needed rest before the frenzy of the new year. Enjoy this time of year with your friends and family, and remember to celebrate all of the wonderful things that make this Kingdom the incredible place that it is. Please, also take this time to prepare yourselves, for in January, we will begin training together as an army.

We look forward to seeing as many Atenveldters as we can during the coming months as we travel around the Kingdom to train with our army. We implore you to seek us out, particularly if we've not had the chance to meet before, and let us get to know you.

We look forward to spending our time with you all as we gear up to defend our glorious Kingdom as ONE!

Warmly,

Morgan & Elizabeth

Proposed Changes to Corpora – Commentary Request

The Board of Directors is currently considering the following proposed changes to Corpora and invites commentary from the membership and participants. You'll find an explanation for the suggested update to each section right after the marked up paragraph. New text is included in italics, with removed text struck out.

IC7: General—Role of the Board—Communications with the Board of Directors of the SCA, Inc.

c. Any written communication with the Board is considered public, *subject to any confidentiality provisions of Corpora, Corporate Policy, and approved Officer Handbooks*, unless the author stipulates at the time of writing that the document is to be considered confidential. *Any communications regarding sanctions and/or Board/Officer work-product are deemed confidential communications.* ~~Confidential documents will not be distributed outside the corporate staff unless the author's permission has been obtained.~~

The Board reserves the right to declare any communication confidential subject to the author's right to republish the communication.

Reasonable requests for copies of other communications must be made in writing to the corporate office, and all such requests are automatically considered public documents.

- [Explanation: Confidentiality is an important topic in the Society, and it can sometimes be confusing. The rules about confidentiality are mentioned in a lot of different places, and over time, the wording in those places has changed a bit, which has caused some confusion about how the Society should handle confidential information. This update is meant to make everything clearer and more consistent, so it's easier to understand what is considered confidential, and what the limits or exceptions to that confidentiality are.]

II. B. Requirements for Participants at Society Events

Anyone may attend Society events provided they wear an attempt at pre-17th century clothing, conform to the *rules of the Society provisions in Corpora*, and comply with any other requirements (including but not limited to site fees or waivers) which may be imposed. At business meetings and informal classes, the requirement to wear pre-17th century dress may be waived. All participants are expected to behave in an appropriate and respectful manner.

- [Explanation: Corpora is not the only document where rules that SCA participants are expected to follow may be found. These rules may also be found in the By-laws, Corporate Policies, and various Society officer policies approved by the Board and contained in officer manuals. The proposed language makes clear that the SCA has rules which participants are expected to follow.]

VI.A.2: Society Officers—General Requirements and Benefits

d. No Society or Corporate Officer may serve as Crown or Coronet during their tenure in office. In order to fight or be fought for in a Crown or Coronet Lists, the officer must have served a minimum of one year in that office and must have an appointed deputy, approved by the Board, who is ready and willing to accept all responsibilities for that office. ~~Committing to become a Crown or Coronet Victory in a Royal List will be considered a resignation from office, effective no later than their Investiture.~~

- [Explanation: This change spells out current practice and defines the exact circumstances under which a Society or Corporate Officer will be expected to resign that office.]

VIII.E.2: Personal Awards and Titles—Reservations to the Board—Revocation of Awards and Grants of Arms

As with Peerages, the Board specifically reserves the right to revoke any Award or Grant of Arms. Kingdom law may make provision for offering such a recommendation to the Board. *Unless stipulated otherwise by the Board, the Board's decision in such a case applies only to the matter at hand. Nothing prohibits a person who has had any award or recognition revoked from being bestowed the award or recognition at a later date, should the Crown determine that the person in question now meets the requirements of the award or recognition being bestowed.*

X.B.4.d: Grievances and Sanctions—Sanctions—Reservations to the Board—Revocation of Awards and Grants of Arms

As with Peerages, the Board specifically reserves the right to revoke any Award of Arms or Grant of Arms. Kingdom law may make provisions for offering such a recommendation to the Board. *Unless stipulated otherwise by the Board, the Board's decision in such a case applies only to the matter at hand. Nothing prohibits a person who has had any award or recognition revoked from being bestowed the award or recognition at a later date, should the Crown determine that the person in question now meets the requirements of the award or recognition being bestowed.*

- [Explanation: The proposed added language already exists in Corpora VIII.E.1 and X.B.4.c., which discuss the reservation to the Board of the right to degrade a person from the Peerage and the ability of a Crown to bestow such an award at a later date should they determine it is deserved. This change is proposed to apply the same language to Board removal of an award or grant of arms.]

X.B.1: Grievances and Sanctions—Sanctions—Royal Sanctions

The Crown of a Kingdom may sanction subjects, residents, and visitors within the borders of the Crown's Kingdom for just and stated cause. Royal Sanctions take effect from the moment of proclamation but must be announced in court and also be published in the next available issue of the kingdom newsletter if the sanction is to remain in effect. Within 15 business days of the imposition of the sanction, the specific cause and occasion of the sanction must be explained in writing to the sanctioned individual *unless it is impossible to do so, in which case it should be done as soon as possible.*

- [Explanation: If the Corporate office or the Kingdom do not have a valid current means of contacting the sanctioned individual, it is not possible to fulfill this requirement unconditionally. The proposed change acknowledges the possibility that a correct means of notification may not be known at the time of the sanction.]

X.B.2: Administrative Sanctions

Officers may impose Administrative Sanctions within their areas of authority, for just and stated cause, only in accordance with the rules defined in their office handbooks or specifically granted to their offices by the Governing Documents of the SCA. Only the Society Seneschal or the Board may impose an Administrative Sanction that precludes the holding of any office including that of Crown.

- [Explanation: This proposed change acknowledges that either the Society Seneschal or the Board of Directors has the authority to impose an Administrative Sanction that bars an individual from holding multiple offices. The Board already has ultimate authority over the rules of the SCA and over sanctions, as established in the By-laws, Section VI.A and Corpora I.C.1, so this simply adds language acknowledging that authority.]

Please email all commentary to SCA-Comments@sca.org and use the title "Clarifying Corpora" in the subject line.

NOTE: Do not use attachments in your commentary. Attachments will cause your message to be marked as spam, and it will be bounced.

Commentary regarding this proposed Corpora change must be received by the Board no later than December 31, 2024.
