Advertising rates are free for SCA event advertisements. All advertising is on a space available basis; please see information on <http://chronicler.ansteorra.org/> for more details. Please also see the Publication Policies located elsewhere in this issue. Any ad for early publication should be sent as a half page for space concerns.

All Rights Reserved for each of the above submissions.

## Publication Policies

Send submissions to the Kingdom Chronicler (see Regnum). All submissions IN THEIR ENTIRETY must be in the Kingdom Chronicler's possession no later than the first of the month prior to the cover date (e.g. January 1 for the February issue). This includes e-mail and hardcopy submissions. Should the first fall on a Sunday or holiday, the deadline for hardcopy will be moved to the next business day; e-mail submissions will be due no later than the 1st regardless.

If you are going to be late, you must inform the Chronicler before the first of the month so that space may be reserved. Anything arriving after

the first is subject to refusal and has no guarantee of being published.

Submissions shall consist of a [1] an electronic copy, [2] an event announcement checklist which has been signed off on by the Seneschal of your group, and [3] a release form for any artwork (including maps) in the submission. If your submission is missing any of the previous items it will potentially not be published if not resolved by midnight on the first.

Additionally, if you wish to publish the same ad in more than one issue of The Black Star, you must resubmit your paperwork and event announcement each month UNLESS you have indicated on the first Event Ad/Seneschal Checklist that you wish the ad to run for more than one month. The Chronicler will assume that any ad received will only be used in the month it is received, unless otherwise stated on the Checklist. This is as much for our protection as it is to ensure that only the most current event information is contained in this publication. You are asked to send a half page ad to run in any month prior to your event month.

In order for "lasting business" (for example, laws and awards) to take place at an event, there must be a COMPLETE ad in the Black Star issue for the month of the event (so an August event must be in the August Black Star, and would be due July 1), UNLESS the event is in the first ten days of the month. Then the complete ad may be in the previous month's Black Star.

PDF is the (much) preferred file format for electronic submissions. Any other format MUST be discussed with the Kingdom Chronicler for acceptability. But please, just send PDF. The Kingdom Chronicler can advise free software solutions for doing so for Windows users.

Ads, releases and checklists should be sent in electronic form via e-mail if at all possible. As with all communications, please send them to [kingdom@chronicler.ansteorra.org](mailto:kingdom@chronicler.ansteorra.org).

Again, please see: <http://chronicler.ansteorra.org/> for detailed information on event announcement submissions.

## Express Mail Information

If you are sending your announcement by Express Mail or similar service, you MUST waive the signature requirement by signing the appropriate place on the form. This way the courier may leave the item. Otherwise, the delay in going to the Post Office to pick up your announcement may result in it not making it into The Black Star at all. In that case, you might as well not have sent it at all. So, for everyone's sake: PLEASE WAIVE THE SIGNATURE!

## General Information

The Kingdom Chronicler reserves the rights to redraw any map, retype any submission, or remove any borders to improve the printability of said item. All maps must be the original creation of the submitting party. No reproductions of printed or electronic maps will be accepted without a signed release. The Black Star reserves the right to refuse any item not suitable for publication.

## Copyright Reminder

All content of the Black Star is copyright of the original submitters and/or the Society of Creative Anachronism. While we respect the needs of citing text in fair use, we ask that you not copy segments of the newsletter verbatim by means of screenshots or similar methods. Please respect the rights of the SCA and of our precious contributors, without whom there would be no newsletter.

## Kingdom Seneschal

Greetings Ansteorra

We have a new Crown, Sven Randullsson IV and Antigone of York III King and Queen of Ansteorra. They have many thoughts, plans, and goals for their Reign to help the Kingdom grow and prosper.

Events are going strong this Spring. We have had several demos and activities all across our Great Kingdom. Queen's Champion was held by the Shire of Ffynnon Gath with many great fighters competing for the honor of being her champion. The Shire did a wonderful job hosting this prestigious event.

I am encouraged to see so many groups and areas growing and people wanting to step up and volunteer to serve in one of the many offices that we have.

I want everyone to know that I am here for you. Please use your chain of command for everything official along with my official email address.

In Service,

Margherita de Mantua (mka Vallie Copley)  
Regional Vice President/Seneschal of  
Ansteorra

## Star Principal Herald

Greetings Ansteorra!

The College of Heraldry has really stepped up in the past few months. There were many good reports of heralds doing excellent things. I am so proud of these fine gentles. Thank you for all you do! You make us all look great!

We are currently working on an online Heraldic Retreat for those who have been unable to make those in person. Please look for more information

this month.

Known World Heraldic and Scribal Symposium is happening June 28-30 in the Balliwick of Iveyinrust (Philadelphia, PA) in the East Kingdom. Join us for a righteously good time of learning more heraldry and scribal arts!

We have been updating the College of Heraldry website. Stop by and look at some of the new features at [ansteorra.org/heraldry](http://ansteorra.org/heraldry).

I encourage all of you to display your arms and badges everywhere. This adds so much more to events and meetings.

Join us every month for Heraldic Happy Hour on the third Tuesday of every month at 7:30 on Google Meets. We talk about all things heraldic and sometimes everything else. It would be nice to see you!

Hope to see you soon!

All the Best,  
Annais Star

**Kingdom  
Webminister**

Greetings Ansteorra from Your Kingdom Webminister,

Reports from my end will be relatively brief. Quarterly reports were due in April -- if you are responsible for a website (read: an admin of an [ansteorra.org/something](http://ansteorra.org/something) site) make sure to go to <https://ansteorra.org/webminister> and make sure you submitted your report by the 15th of April! If not, make sure you do ASAP.

Sherwood Demo is underway and the SCA is hosting daily classes at the demo. Links to the schedule have been posted at the top of our /events page and a few others in the hopes that newcomers will find them easily. So far, the results have been promising! Demo-goers have repeatedly mentioned that they've been checking the schedule for classes. This could not have been possible without the monumental efforts of Madalena de Orozco (they/them), and I am grateful for all their hard work.

I'm working with small groups to start doing Website Working Sessions. My first one will be with Southern Landeds and Seneschals, I'll plan to reach out to Central and Vindheim group leads as well after that. Please start making notes of what you'd like to see changed on the website so that you can share them at those meetings. More details to come via email.

In my last piece of news, I am excited to announce that I have made the Ansteorra Regnum and Ansteorra Regnum Update Form live on the [ansteorra.org/officers](http://ansteorra.org/officers) page. This is a collaborative effort between my office and the Kingdom Chronicler and their Directory Deputy to centralize our Regnum across the website and newsletter. If you submit updates to the regnum via [ansteorra.org/officers](http://ansteorra.org/officers), those updates will appear on the website And in the next issue of the Black Star. Very Exciting!

**Kingdom Minister  
of Arts & Sciences**

Greetings Ansteorra,

Summer is almost upon us and you know what that means. Kingdom Collegium is coming! As a life long learner, this is one of my favorite events. Even if you cannot attend, try to learn a new skill this summer or expand your knowledge of a skill you already have.

Speaking of skills, you only have four months left to work on you Kingdom Arts and Sciences projects. Remember all documentation is due August 31st for those who want to enter in all entry categories. After the deadline we will review late entries to see if we have judges available but we cannot guarantee entry.

Also, if you plan on submitting an Experimental Archeology project, please contact me as soon as possible for review and category preapproval. If the project does not fit the category, we will consult with you on the proper category to submit under. It is important to us that everyone is successful and we do not want anyone working a whole project with different expectations for success. We also need specifically trained judges for these projects and need

time to get the best resources lined up. Kingdom Collegium is the deadline for this Experimental Archeology approval, but the sooner the better. After the deadline you may be directed to another category unless judges are readily available. No other category needs preapproval.

Have a great May and enjoy the start of summer.

## Kingdom Chronicler

Greetings, Good Gentles, All!

I wish to extend expressions of gratitude to all of my local Chroniclers who continue to publish entertaining, beautiful and informational newsletters to serve their local groups.

Please read Hersirkona kolfinna's announcement about our collaboration for the Regnum! This was an exciting project, and I hope that it is effective in keeping all of our officer contact information up to date across all parts of the Kingdom! If you are a new officer, or it appears that your officer information needs to be updated, please use this resource to update BOTH the Black Star and the Kingdom Website.

I am accepting applications for my office - Kingdom Chronicler. I would love to be able to announce my successor soon. If people have questions about what is involved in my office, please feel free to contact me.

## Kingdom Youth and Family Officer

Dear Ansteorra Community,

As the Kingdom Youth and Family Officer, I'm always looking for ways to make our events more welcoming and engaging for families of all shapes and sizes. Family participation is vital to the health and

longevity of our beloved Ansteorra, and I'm excited to explore ways to encourage more family involvement in our future activities.

In the past, we've offered a variety of family-oriented events. These events have been well-received, and I believe there's potential to build upon this success.

Here are a few ideas I have for strengthening family involvement at Ansteorra events:

**Dedicated Family Programming:** Set aside specific times or areas at events for family-friendly activities. This could include age-appropriate games, crafts, or storytelling sessions.

**Family Camping Areas:** Designate specific camping areas for families with young children. These areas could be located closer to amenities or have designated quiet hours.

**Volunteer Opportunities for Families:** Create opportunities for families to volunteer together at events. This could involve tasks like set-up, clean-up, or running game booths.  
**Family Recognition Programs:** Recognize families who are actively participating in events. This could be done through a simple announcement or a small token of appreciation.

I would love to hear your thoughts and suggestions on how we can further strengthen family involvement at Ansteorra events. Please feel free to reach out to me at [your email address] to share your ideas.

Together, we can create a more welcoming and inclusive environment for families within Ansteorra, ensuring a vibrant future for our kingdom.

Sincerely,

Baron Goldweard  
Kingdom Youth and Family Officer  
Ansteorra

Greetings!

Everything has been going excellently within the College of Scribes. I would like to thank everyone who

worked hard to design or paint a scroll for Her Majesty Nicollet's reign. Your beautiful work enhances our Kingdom!

Special thanks to Her Excellency Elena Wyth for her work as Sable Scroll during this recent reign, and a welcome and thanks to Her Excellency Katherine le Roux d'Anjou as the Sable Scroll for this new reign.

Open Office: The Southern Regional Signet position is open! If you are interested in encouraging the scribal arts across the Southern Region please put in for this office. You may reach out to Star Signet with questions.

Applications should be filled out through the kingdom form. Please be sure to include star-signet@herald.ansteorra.org in the emails to have your application forward to. Please have applications submitted by June 1st. This will give us time for a smooth transition by Round Table.
