## Calontir,

As Our own time as Crown is coming to a close it has given Us time to reflect on what a great time We have had. It also made Me think about other people who serve Our Kingdom who will also be stepping down during Our reign, but because their work is mostly quietly in the background it is not so public when they do. I just wanted to take this moment and say thank you to all the officers who serve our kingdom. In particular this reign we have THL Anne Von Weingarten, our Kingdom Chronicler stepping down at Toys for Tots. The new Chronicler will be Lord Randal Logan of Knightsbridge. Countess Giulia Isabella da Venezia, our Kingdom Seneschal, will be stepping down possibly by Our Coronation. The new Seneschal will be Lord Áed mac Cormaic Uí Feidhlim, and lastly We have Master Rhodri, the Gold Falcon Herald, who has just started looking for his replacement, but hopes to step down soon.

Thank you all for your tireless work supporting the Kingdom of Calontir and making it functional so the rest of us can have fun. :)

## *Robert and Magge King and Queen of Calontir*

### Greetings Calontir!

What an amazing year. I want to thank every one of you for all the support and hosting of the first ever virtual Known World Newcomers' Symposium. It was a great day of classes and networking, and I am so proud to have been a part of it. We could not have done it without you!

As the holidays approach, take a moment to reflect on this amazing thing we get to do. Whether with your family, friends, chosen family, or simply taking a moment for yourself at home, think of this shared dream and what it means to be a part of it. You are the example for our newcomers, and in some small way they are my heroes. So again, thank you.

I cannot believe that I am writing this, but April 1, 2025, will be the official end of my time in this office. Are you

interested in being the next Chatelaine for the Kingdom of Calontir? Please send in a letter of intent to serve to myself, Their Royal Majesties, Their Royal Highnesses, and our Kingdom seneschal. The hope is to have a smooth transition of office and to be there to support whomever the chosen candidate is.

Please stay tuned here, on our announcements section of the kingdom website, and on social media for the deadline for letters of intent, and how interviews will be held. Calontir, it is my absolute honor to have been able to serve this kingdom in this office. Do not worry, it is my hope to always be able to support our newcomers, helping all of you build bridges to our dreams. Thank you again for all your support and I look forward to seeing every one of you at an event soon.

**In Service to Crown, Kingdom, and the Dream,  
Ottar Surtson  
Chatelaine, Kingdom of Calontir**

If you have questions about RUSH or suggestions for programs please feel free to contact any of the RUSH Officers or Regents. We want to hear from you!

## Greetings,

Bids need to be submitted to the following people: Kingdom Seneschal; Kingdom Exchequer; Kingdom Reeve; Kingdom A&S Minister. Please reach out if you have any questions.

**Yours in service,**

**Gyda Kennara**  
**Kingdom Minister of Arts and Sciences**

**Ciao Calontir**

One of an officer's primary duties is to send reports to their upline officer. Every office has some type of report: Chroniclers submit their newsletter, Exchequers have financial reports, other officers have a write-up of select questions they answer. These reports are important and the information that kingdom officers get is used to create reports for Society offices. Society officers use these reports to make reports to the Board of Directors and, often, to external entities like the IRS.

Reports are also guides to the health of the local groups and the kingdoms. I know it can feel like reports fall into black holes - I try to answer every question and to acknowledge each report, but I have let real life interfere with that. I've also been a local group officer who spent years in the office without ever knowing if my report was received or read, except that one time I got a phone call that it hadn't been received. I apologize every time I failed to respond to a seneschal report or question.

To every local group officer that takes time from their busy life to send a report to their kingdom office - THANK YOU! Your work really is appreciated, even if your kingdom officers don't always remember to say so.

Another duty of officers is to provide answers and

guidance about policy and law. This can be a tricky thing as people don't like being told they can't do a thing they want to do or must do a thing they don't want to do. Following the rules is important to the continued existence of the SCA, Calontir and your local group. Many people think that rules are unnecessary, and only serve to stop us from enjoying our time in the SCA. This is incorrect and a disservice to the officers and Directors who have created these rules ONLY to protect the SCA and out groups/kingdoms. The rules and policies may not be perfect but know that every decision is made carefully with the best of intentions. Sometimes that takes longer than most of us want, or think it is necessary. Sometimes there are unanticipated consequences of the implementation. But these are often hard decisions, resulting from serious, often unpleasant, situations.

If people didn't volunteer to fill these offices and do this work there would be no SCA for us to enjoy. I encourage every member of the SCA to find a person who has ever held an office and done the hard work and tell them "Thank You" - for doing the work so we can continue to have the opportunity to enjoy all the things that the SCA has to offer.

**In servicio dove posso**

**Greetings Calontir:**

I would like to announce that we are looking for a replacement for the Pre-registration Deputy. I will accept letters until Jan 15, 2024. The goal is to get someone in place to be trained by the current deputy before she steps down this coming summer. Ysabel de la Oya has done an amazing job and its time to give her some downtime to enjoy her new role.

Local Exchequers, a shout out to you and all you do! And a reminder we are just a few short months away from the Domesday. Please make sure you are current in reporting and are working with your regionals if you have any questions or concerns. We have two new regional exchequers added to the helper list, Rolanda de Lyndhurst and Roise ni Ullachain, I appreciate their willingness to serve.

**Yours in Service**

**Mistress Meadhbh inghean ui Shuibhne**  
**Kingdom Exchequer**

## Greetings Calontir!

I am HL Isibil Edvinsdottir and I will be stepping into Ottar's position as Kingdom Chatelaine to finish his term to April 1 2025. I have been very active the SCA since the early 2000's and I live in the Barony of Vatavia. I am a seamstress, weaver and a fledgling metal smith. I love meeting new people and look forward to serving my Kingdom.

**Thank you!**

**Iszy**

## Calontir!

I saved the best for last, and am working on this right up to the last minute. This will be my final issue as Chronicler for the Kingdom of Calontir, by the time this issue goes to press, most likely, I will have stepped down at Toys for Tots and Lord Randal Logan of Knightbridge will be stepping into my position. Please, show him the same kindness and courtesy that you have shown me.

You will see some drastic changes to the layout for this last issue of 2024. These are a result of requests for more time for a flyer to run in the Mews, for event pages to be created on FaceBook, more time for Pre-Registration to take place, for people to plan better on what events they can attend, and when are they happening and where. Will those requests come changes. For more flyers / event information to run, the information submitted needs to be trimmed — drastically. Going forward all event "flyers" will be at maximum 1/4 page, text only.

The information required is: Event Name, Group hosting, Date, Time that Site opens and closes, Event Registration Fees, Name both SCA and Mundane of the Event Steward along with a contact email for them AND a phone number. All of this information is non-negotiable and is require both by Corpora and Calontir.

But what about the work that we put into the flyer? The art work, the extra "fluff" bits??? Where will that go? Do not worry, the event flyers that you send will be added to the Kingdom Calendar on the Kingdom website, or they might even be incorporated into the event information, it just depends on time and other things. Also, all of that

information can be added to the event page that our KSMO, Mielikkä will create for you once the Mews is published by Society, and not before! Also, websites, all of this information can also go on to the event website.

Another reason for the change is that I have had a number of flyers recently that had either incorrect dates, an address that was not correct, pricing information was not correct, or event staff was listed that we later find out are not staff. It takes time for me to request the new information from the event steward or group seneschal for them to edit the flyer, get it to me and for me to update the page. Now, with the required information and it being in an editable format, the Chronicler is not waiting for anyone to get back to them, they can change the information and also have the Mews to Publications on time.

I know not everyone will be pleased with these changed, but give it time, we are trying to make it so we can get as much information out to everyone in a timely manner. And who knows, maybe with this change we will see more events showing up in the Kingdom.
