From the Society Seneschal

Policy Clarification: Kingdom Earl Marshals and Authorizations

The following is a joint statement from the Society Seneschal (Lis Schraer) and the Society Marshal (Melissa Midzor). This is a clarification of Society Seneschal's Corpora interpretation regarding the "Authority of a Kingdom Earl Marshal (KEM) to issue or confirm martial authorizations" (July 24, 2022). The long version of this clarification (including Corpora and Marshal Handbook references) can be found at: <http://www.sca.org/resources/document-library/#marshal>

Clarification: If there is a question on the validity of the proof of an authorization, the KEM is responsible for and is the arbiter for confirming that yes, a person did authorize properly (and thus were properly issued their authorization) or no, they did not authorize properly. If a proper authorization was completed and verified, the KEM can also issue the proof of authorization (for all martial forms). This provides a quick remedy for participants in the case of a lost card, or when paperwork filing or online system updates were delayed. "Issue" in this context refers to the proof of authorization provided to the participant upon an authorization being completed, registered and tracked by the kingdom (Corpora IX.A.6).

This does not mean a KEM can singularly authorize an individual unless they are a warranted and designated authorizing marshal of that form and follow established processes. Paperwork should be processed in a timely manner. Undue delays in the registration and tracking of properly submitted paperwork must be reported to the Kingdom Marshal immediately. Further disagreements on the issuance of authorizations are referred to the Society Marshal for resolution. Additional information on authorizations:

1. a) A marshal, including KEMs, cannot authorize a participant unless that marshal is an authorized marshal of that martial form, and designated as able to authorize individuals. Warranting and authorizations must follow Society and Kingdom processes. (Corpora IX.A.2, and IX.A.3)
2. b) All authorized and warranted marshals, including KEMs, PEMs, Society, and their Deputies, must meet Society requirements before they can be authorized and warranted in that martial form. They are not, and cannot be, automatically authorized and warranted in any martial form solely because they hold an office or an award. Society requirements include demonstrating the ability to oversee that martial activity, judge an authorization, and inspect weapons and armor, and be knowledgeable about the safety and rules of that martial activity. (see specific Marshal requirements in the Handbooks.)

Questions or comments on this clarification can be sent to Dr. Melissa Midzor (Maestra Arabella da Siena), marshal@sca.org

Membership Fee Increase Effective February 15, 2024

The Society for Creative Anachronism, Inc. (SCA, Inc.) is announcing an increase in membership fees and non-member registration fees for events. This decision comes after careful consideration and extensive discussion among the Board of Directors, office staff, and Corporate officers. The effects of inflation across all sectors of operation, as well as other factors impacting the organization's operational costs, including insurance premiums, legal expenses, and general business expenses, necessitated a comprehensive review of membership rates.

Annual membership fees have not been adjusted in over a dozen years, and non-member registration fees have not increased in over 15 years. In response to the evolving financial environment, the organization streamlined operations during the 2020 COVID-19 pandemic and significantly reduced corporate expenditures. The relocation of the office to San Jose, CA resulted in an annual savings of over \$35,000, and upgrades to software and CRM systems have netted a further savings of over \$100,000 annually. While membership numbers have rebounded post-pandemic, operational costs continue to rise.

SCA, Inc. Corporate is solely funded by membership fees, including the Non-Member Registration fee, and does not currently seek operational funds from its Kingdoms or subsidiary organizations, including those overseeing Pennsic and Gulf Wars.

At the January 2024 meeting of the Board of Directors, the Board approved the following changes, effective February 15, 2024:

- Raise the Sustaining membership price from \$45 a year to \$55 a year (This represents an \$0.83 cents per-month increase over the previous monthly rate.)
- Raise the Associate membership price from \$30 to \$40 a year. (This represents an \$0.83 cents per-month increase over the previous monthly rate.)
- Raise the Family membership price from \$10 a year to \$15 a year, per person. (This represents an \$0.42 cents per-month increase over the previous monthly rate.)
- No changes to Canadian or International memberships have been announced at this time.

Note: this change will take effect for all renewal transactions processed on or after February 15, 2024. Renewal transactions prior to that date will be processed at the previous rate, regardless of membership expiration date.

The Board also approved the following changes to Non-Member Registration fees, effective April 1, 2024:

- Raise the Non-Member Registration Fee from \$5 to \$10 per event. As always, this only applies whenever there is an actual event fee charged.

Both Sustaining and International Membership allow subscriptions to printed publications, as well as the ability to add Family memberships. It should be noted that these increases remain less than the cumulative U.S. inflation increase of 36.5% which has occurred since 2011. (Data calculated using the US Inflation Calculator).

SCA, Inc. emphasizes its commitment to transparency and sustaining a vibrant community. These fee adjustments aim to ensure the organization's fiscal health, support ambitious initiatives in 2024 and beyond, and keep the Knowne World thriving and dreaming for years to come.

For more information, please contact John Fulton at president@sca.org.

January 2024 Commendations to the Board of Directors

The following individuals and groups were commended to the SCA Inc. Board of Directors as part of the Quarter 4 reports by Society and Corporate Officers:

Society Minister for Arts & Sciences Commendations:

- Congratulations to Atenveldt's new King's Champion, Emeludt von Zerssen for her display of metalwork in Finnish garb
- and to their New Queen's Champion, Mistress Catlyn O'Sullivan for her work in Illumination.

Commentary Request – Draft Corpora Wording – Omnibus Peerage Proposal

Currently approximately 8000 people around the Knowne World actively participate in target archery, combat archery, siege weapons, thrown weapons and equestrian martial activities. While no ultimate decision has yet been made the Board believes that a proposal of a path to peerage for these individuals is worthy of deep consideration.

Having received advice from the Peerage Committee, Directors have discussed the matter and following some minor amendments to language which align the proposed draft of Corpora wording to the existing patent orders, the Board feels that the proposal has matured to the point where commentary on the proposed Corpora wording from members is requested. This commentary will assist the Board in forming further decisions relevant to its consideration of this matter.

The draft Corpora language approved for commentary is:

VIII.A.4:

e. The Order of <Name>

(i) Members of the Order of <Name> may choose to swear fealty but are not required to do so. The candidate must have attained the standard of excellence in skill and/or knowledge equal to that of their prospective peers in a pre-17th century martial pursuit as practiced in the SCA, including, and limited to, target archery, combat archery, thrown weapons, equestrian activities, and siege engineers. The candidate must have applied this skill and/or knowledge for the instruction of members and service to the kingdom to an extent above and beyond that normally expected of members of the Society.

(ii) The duties of the members of the order are as follows:

(a) To set an example of courtesy and chivalrous conduct on and off the field of honor.

(b) To respect the Crown of the kingdom; to support and uphold the laws of the kingdom and Corpora.

(c) If in fealty, to support and uphold the Crown of their kingdom.

(d) To enrich the kingdom by sharing their knowledge and skills.

(e) To enhance the renown and defend the honor of the peer's Lady or Lord.

(f) To advise the Crown on the advancement of candidates for the Order of <Name>.

(other sections re-numbered as needed)

Knowing exactly what the people who work, study, and play in the Society want a potential new peerage to achieve and do will be key to moving forward in this discussion. The Board welcomes any additional context that people feel may be of use to the discussion.

We are looking for your feedback – as you begin to type up your comments please feel free to include your thoughts on the following questions:

- Does this language fill the gap I personally feel exists in the paths to peerage, why or why not?
- What is my ideal vision of a new peerage and its members? What virtue will they embody?

EDIT: If you are a financial member of the SCA, please include the relevant information.

The expertise of our community is invaluable, and these responses will contribute significantly to an outcome that positions our Society to meet its goals and future opportunities.

Corpora, including the By-Laws, can be found in its entirety here: <https://www.sca.org/resources/document-library/govdocs/>.

Please email all commentary to SCA-Comments@sca.org and use the title "Omnibus Peerage Proposal" in the subject line.

Crown Proclamation Award of Arms

Greetings unto the Solar Populace of Atenveldt,

Whereas the Sumptuary Traditions and Guidelines of the Kingdom of Atenveldt do recognize the right of the Crown to decide on the appropriate use of personal regalia during Our reign,

And, more importantly, because We wish for the Lords and Ladies of Our glorious Kingdom to be able to proudly display their nobility outwardly,

We, Cona, King by Right of Arms, do hereby proclaim that, for the duration of Our reign, those who have been given an Award of Arms may don a circllet constructed of precious metal, unadorned, to be no taller than one quarter of an inch, as an external marker of their recognized nobility.

This proclamation will serve as standing written permission for all who have received an Award of Arms to don such regalia during Our reign. And furthermore, We encourage our future Heirs, and so on, to uphold this proclamation and practice after Our reign, as We believe it is the right of all those who have been given an Award of Arms by their rightful Sovereign.

New Society Fencing Marshals Handbook

The new Fencing Marshals Handbook is released, and is available on the SCA.org website. KRMs have also been informed, and are working on incorporating these changes.

Society Fencing Marshal's Handbook: <http://tinyurl.com/5asj3jtm>

Cliff notes:

- Bare limbs and reduced back of the head for Rapier only. No change to torso.
 - Flexidaggers are no longer allowed for Rapier.
 - Experimental programs for Reduced armor for C&T, and Torso, will continue to collect data.
- We are updating the format and questions.

War of the Phoenix - (update) It has been announced by the Atenveldt KRM and KEM that the new reduced armor standards will be in use at War of the Phoenix.

We are only 38 days from Gulf Wars! As this affects the Society Minimums, the DSM Rapier office is reaching out to Master Brock (Rapier MiC), Giovanni (Rapier Deputy), and Viscount Skeggi (the new GW MiC) to bring them up to date and formulate a plan for armor inspection.

If you have questions, please reach out to your KRM, or the Society Deputy for Rapier office, or sent to Dr. Melissa Midzor (Maestra Arabella da Siena), marshal@sca.org
