From the King and Queen of the West

Greetings West Kingdom! Thank you to all who joined Us at Great Western War! We had an incredible time with all of you. We would like to thank everyone who joined Us on the field, and also a huge thank you to all of our allies for the war! We look forward to joining you all on the war field again at Mists / Cynagua war next month!

We are so pleased with all of the positive things We are seeing within the Kingdom. Arts and Sciences are going strong, with a great deal of active participation and beautiful works being showcased. We are seeing newcomers being welcomed and treated with great kindness and respect. Both long time members and Our newest members finding ways to volunteer and give back to the community. The West Kingdom is truly thriving, and We have all of you to thank!

Please keep the award recommendations coming - We have been able to recognize a great deal of deserving people already in Our Reign, and would love to keep up that momentum! We would also like to take this opportunity to give a special thanks to all those helping Us in Our goal to provide scrolls throughout the Reign - Our scribal community is strong, and so generous with their time - you have Our heartfelt thanks for helping Us to make each recognition truly magical.

With love,

Miles Jitka
Rex Regina

From the Kingdom Bard

as requested by their Majesties, Miles and Jitka

Now here's to those who keep the gate,
who welcome every soul;
but I'm in a confused state -
not one of them's a troll!

The marshals keep a watchful eye
to help the tourney grow,
the lists assign each fight and bye:
the outcome's theirs to know.

The heralds speak each fighter's name,
inform us with their shout -
they wake us up to start our game,
so kindly hear them out.

The list page is a faithful wight
who runs beneath the sun
so that the list record each fight
until the day is done.

Do not forget the faithful crew
who do so many deeds,

who keep the privies safe and clean
and see to the site's needs.

The kingdom's officers all work
to bring to life our world -
behind the scenes is where they lurk
after their hands unfurled.

The steward is the one who cries,
"This is my circus, true;
these are my monkeys, no surprise -
I shape all that you do."

We make of grass and sky and air
a splendid, shining place
where we become good gentles fair
and share with all our grace.

So be you new or mighty king,
this magic we have caught
is breathed to life in everything
our volunteers have wrought.
