# From Their Royal Majesties

Greetings to Our dear people of Caid!

This missive finds Us preparing for Our imminent departure for Atenveldt and the second War of the Phoenix. It is shaping up to be wet, but hopefully not as inclement as Estrella War has been in the past. As Her Majesty was raised in Atenveldt, less than an hour's drive from the site of War of the Phoenix, this is a welcomed visit to the lands of Her youth.

We have a packed schedule of travel coming up, both within Caid's borders and outside. We are excited to visit Western Seas, somewhere also near and dear to Her Majesty, since She is hapa haole. The opportunity to visit Our most tropical barony could not be passed up, and We look forward to visiting friends and enjoying a day in the park in paradise.

Looking further forward, Gulf Wars looms large, with an activity packed schedule. We hope to see a good turnout from Our populace there to represent Our Kingdom at the event in Gleann Abhann. We look forward to visiting with Our friends from Drachenwald and are thankful for the opportunity to reinforce Our bonds with Our cousins from abroad.

On the home front, We have the very exciting task of preparing for Crown Tournament and the determination of Our Heirs. We hope for a good list, a clean tournament, and a thrilling competition.

Her Majesty's rescheduled Consort's Champion Martial Tournaments are this month as well, and We are optimistic that We will be able to complete the competition to determine Her Majesty's remaining champions. We appreciate greatly the generous support of the Barony of the Angels in offering up their date and site for the Queen's use, and We hope to see many of you there.

We continue to be proud and thankful for Our great Kingdom and look forward to representing it well in Atenveldt and Gleann Abhann. Thank you to all who are helping keep Us fed, clothed, watered, and on schedule through this marathon calendar!

In service,

# From the Kingdom Seneschal

Greetings!

In February, the Board of Directors announced an increase in membership fees and non-member registration fees for events.

Membership fees are the only source of income for the SCA, Inc. and the funds are used to cover the operating expenses incurred at the society level including, but not limited to, insurance premiums, legal expenses, and general business expenses.

Annual membership fees have not been adjusted in over a dozen years, and non-member registration fees have not increased in over 15 years. In order to keep up with the increasing costs of doing business, the BoD enacted the increases detailed below.

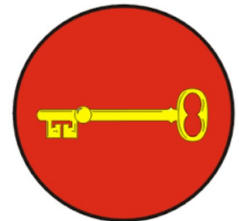

Effective for renewals submitted on and after February 15, 2024, the following membership rates are in effect:

- Sustaining membership price from \$45 a year to \$55 a year
- Associate membership price from \$30 to \$40 a year
- Family membership price from \$10 a year to \$15 a year, per person

In addition, starting April 1, 2024, the Non-Member Registration Fee for events charging a Gate Fee will increase from \$5 to \$10.

For those who find themselves financially stressed and find it difficult to purchase or continue their memberships, the Society has set up the donation-driven **Signorotti Membership Assistance Fund**. No financial questions will be asked, as the request will be taken on good-faith. More information on applying for or donating to this fund can be found at <https://www.sca.org/membership-assistance-fund/>

In Service,  
Master Laertes McBride

# From the Kingdom Chronicler

Hello Caid!

March is here, which means the calendar is full of All The Things! Crown? You bet! An Interkingdom War far away? Gulf Wars if you please! A re-do for Her Majesty's Martial Champions? Sure thing! We have Academies and Anniversaries and other great events. Please remember that we are a volunteer organization, so, help out when and if you can.

I would also remind you that, at the Society level, there are several things afoot for members and those who peruse the SCA alike. Some good, some challenging, but all need your attention. Thank you for reading the Crown Prints, keeping abreast of our Society, and being the amazing people you are!

In service to Crown and Kingdom I remain,

# SCA, Inc. Fee Announcements

The Society for Creative Anachronism, Inc. (SCA, Inc.) is announcing an increase in membership fees and non-member registration fees for events.

This decision comes after careful consideration and extensive discussion among the Board of Directors, office staff, and Corporate officers. The effects of inflation across all sectors of operation, as well as other factors impacting the organization's operational costs, including insurance premiums, legal expenses, and general business expenses, necessitated a comprehensive review of membership rates.

Annual membership fees have not been adjusted in over a dozen years, and non-member registration fees have not increased in over 15 years.

In response to the evolving financial environment, the organization streamlined operations during the 2020 COVID-19 pandemic and significantly reduced corporate expenditures. The relocation of the office to San Jose, CA resulted in an annual savings of over \$35,000, and upgrades to software and CRM systems have netted a further savings of over \$100,000 annually. While membership numbers have rebounded post-pandemic, operational costs continue to rise.

SCA, Inc. Corporate is solely funded by membership fees, including the Non-Member Registration fee, and does not currently seek operational funds from its Kingdoms or subsidiary organizations, including those overseeing Pennsic and Gulf Wars.

At the January 2024 meeting of the Board of Directors, the Board approved the following changes, effective February 15, 2024:

Raise the Sustaining membership price from \$45 a year to \$55 a year (This represents an \$0.83 cents per-month increase over the previous monthly rate.)

Raise the Associate membership price from \$30 to \$40 a year. (This represents an \$0.83 cents per-month increase over the previous monthly rate.)

Raise the Family membership price from \$10 a year to \$15 a year, per person. (This represents an \$0.42 cents per-month increase over the previous monthly rate.)

No changes to Canadian or International memberships have been announced at this time.

Note: this change will take effect for all renewal transactions processed on or after February 15, 2024. Renewal transactions prior to that date will be processed at the previous rate, regardless of membership expiration date.

The Board also approved the following changes to Non-Member Registration fees, effective April 1, 2024:

Raise the Non-Member Registration Fee from \$5 to \$10 per event. As always, this only applies whenever there is an actual event fee charged.

Both Sustaining and International Membership allow subscriptions to printed publications, as well as the ability to add Family memberships.

It should be noted that these increases remain less than the cumulative U.S. inflation increase of 36.5% which has occurred since 2011. (Data calculated using the US Inflation Calculator).

SCA, Inc. emphasizes its commitment to transparency and sustaining a vibrant community. These fee adjustments aim to ensure the organization's fiscal health, support ambitious initiatives in 2024 and beyond, and keep the Knowne World thriving and dreaming for years to come.

# Commentary Request

Draft Corpora Wording – Omnibus Peerage Proposal - SCA.org

<http://www.sca.org/news/commentary-request-draft-corpora-wording-omnibus-peerage-proposal/>

Currently approximately 8000 people around the Knowne World actively participate in target archery, combat archery, siege weapons, thrown weapons and equestrian martial activities. While no ultimate decision has yet been made the Board believes that a proposal of a path to peerage for these individuals is worthy of deep consideration.

Having received advice from the Peerage Committee, Directors have discussed the matter and following some minor amendments to language which align the proposed draft of Corpora wording to the existing patent orders, the Board feels that the proposal has matured to the point where commentary on the proposed Corpora wording from members is requested. This commentary will assist the Board in forming further decisions relevant to its consideration of this matter.

The draft Corpora language approved for commentary is:

VIII.A.4:

e. The Order of <Name>

(i) Members of the Order of <Name> may choose to swear fealty but are not required to do so. The candidate must have attained the standard of excellence in skill and/or knowledge equal to that of their prospective peers in a pre-17th century martial pursuit as practiced in the SCA, including, and limited to, target archery, combat archery, thrown weapons, equestrian activities, and siege engineers. The candidate must have applied this skill and/or knowledge for the instruction of members and service to the kingdom to an extent above and beyond that normally expected of members of the Society.

(ii) The duties of the members of the order are as follows:

- (a) To set an example of courtesy and chivalrous conduct on and off the field of honor.
  - (b) To respect the Crown of the kingdom; to support and uphold the laws of the kingdom and Corpora.
  - (c) If in fealty, to support and uphold the Crown of their kingdom.
  - (d) To enrich the kingdom by sharing their knowledge and skills.
  - (e) To enhance the renown and defend the honor of the peer's Lady or Lord.
  - (f) To advise the Crown on the advancement of candidates for the Order of <Name>.
- (other sections re-numbered as needed)

Knowing exactly what the people who work, study, and play in the Society want a potential new peerage to achieve and do will be key to moving forward in this discussion. The Board welcomes any additional context that people feel may be of use to the discussion.

We are looking for your feedback – as you begin to type up your comments please feel free to include your thoughts on the following questions:

- What is my ideal vision of a new peerage and its members? What virtue will they embody?

EDIT: If you are a financial member of the SCA, please include the relevant information. The expertise of our community is invaluable, and these responses will contribute significantly to an outcome that positions our Society to meet its goals and future opportunities.
