Words of the Crown

From their most humble majesties of the Black Dragon Thrones,

Greetings to Our most beloved populace of Drachenwald.

In the middle of the winter, with snow and icy cold weather, at least here up in the north of Drachenwald We have had a wonderful event with amazing teachers and interesting lectures as well as nice talks among friends.

We are of course talking about Kingdom

University online. Thank you all that made it happen!

Drachenwald truly is filled with amazing people with uncountable skills.

Soon it is time for Us to meet more of you. We will go to beautiful Aarnimetsä for Midwinter Feast and later to wonderful Gyllengran for Fencing Weekend and many more and We do hope to see a lot of you there. We are also happy to see people from Drachenwald joining Us on Our trip to Gulf Wars.

Of course there are many other events in our kingdom and We wish We could go to them all. Go, people, go to events! Enjoy yourselves! Eat, drink, do Arts & Crafts, sing, dance and be merry. Make new friends and spend time with old ones.

And as always, if you see someone you think deserves an award and some encouragement, don't hesitate to send in a recommendation to us, so we can give it to them!

(<https://forms.drachenwald-sca.org/forms/award-recommendations/>)

We are looking forward to meeting as many of you as possible, with joy in Our hearts.

Greetings from the Seneschal

Dear Drachenwald!

Greetings Drachenwald!

Thank you Turmstadt, Knights Crossing and Ad Flumen for hosting the 12th Night Coronation! It was a really nice event with great food, dance and laughter.

In the last couple of years we have seen an increasing need from event sites to have early confirmation of the bookings. Since the bids for Kingdom events also are more and more only one bid that we have had to work towards getting in at all we have several times decided to accept a bid before the deadline. So if you are planning to submit a bid please let me know as early as possible.

Tova av Attemark

Kingdom Seneschal

Greetings from the Chronicler

Greetings unto the populace of our wondrous Kingdom of Drachenwald,

Welcome to a very, very stuffed Dragon's Tale. Between continuing to catch up on the backlog of court reports, and the massive influx of event announcements this month, we simply did not have the space to accommodate the equally large influx of society announcements from January - February. To resolve this I have included an announcement summary complete with web links and deadlines. I highly encourage everyone to check out those links and read the various announcements. There is much happening on a society level right now.

To elaborate a little on publication of Court reports - we are almost completely caught up on the backlog, and should now be able to progress much more normally from here on out.

Furthermore, we have had an amazing influx of events with twelve new events included this issue. Unfortunately some of those events were not only submitted at the last minute, some of them were submitted after the deadline causing an irate chronicler to grumble excessively. Please be aware that such last minute or post-deadline submissions cause additional work, and thus I would like to take a moment to remind anyone organizing an event, that due to the publication deadlines for Kingdom newsletters (which are defined at a society level), you need to get event announcements in the kingdom calendar, with all required information, in good time. These society deadlines are why we require submissions two months prior. Please do not leave it to the last minute before adding an event to the calendar and expect magic to happen.

Yours in Service,

Dafydd Myfyrgar

Event Announcements

An Irregular Event - bread, butter and birthdays 01 - 03 March 2024 Styringheim - Sweden

Welcome to a most ordinary irregular event. We (Duchess Siobhan, Duke Sven, Mistress Silwa, Mistress Unna, Baron Einar Helsingr and Mistress Alma) realized that we would like to spend more time together with all of you, our SCA friends in Drachenwald and the Known World. How could this be arranged? On a 12 hour long tour to Skellitta, the bards inspired us to host an event to make this easier. The song that inspired us will remain our secret for a little while longer, but if you would like to prepare for the Feast, bring a lot of feast gear... This is not a coronation, not a university, not an inauguration, nor a serious event. It is however a feast among friends, celebrating the coming of spring, various birthdays and the joy of the SCA.

Hosting the event is the Barony of Styringheim. This being the first event in West Styringheim, aka Swedish mainland since Baron Cormac claimed Styringheim for himself, we are proud to welcome you all to the famous landscape that has been seen in Ronja Rövardotter (the Swedish medieval film from the 1980s with Helvetesgapet, Björngrottan etcetera). This being the lands of Highway Robberies, we encourage each and all to bring something as a ransom.

On site we have access to 200 beds, saunas, castle-in-the-making, courtrooms and plenty of indoor and outdoor areas. During the event, there is plenty of space to do A&S and there will be martial activities.

Rajataverna / Gränstavernan 2024

Torna - Sweden

On the 17.-19.5. the northern medieval and Iron Age folk will gather on the border and welcome all travelers from near and far!

Event will be located in Sweden on the island of Seskärö, which has a summer camping site Seskärö lägergård on the southern beach of the island. The event will be a relaxed reenactment event, which is open to new and old historical reenactors.

The event is organized by the village of Torna, which is part of the international Society for Creative Anachronism and Suomen keskiaikaseura (The medieval society of Finland) ie. Aarnimetsä. The official sponsor for the event will be Frostheim (Luleå) from the principality of Nordmark (Sweden), which is also a part of the SCA.

Although Rajataverna / Gränstavernan is a SCA-event, you do not need to be a member of the society in order to participate! Rajataverna is a place for everyone to meet regardless of any borders. The event languages are Finnish, Swedish and English. Program is currently under construction and we are looking for teachers in Arts & Sciences, fighting, etc. If you want to teach, let us know! So far the program will include archery (including a competition), heavy fighting, nålebinding and historical dances.

There will be a homely feast and a small market, where you can bring new and second hand items. The program is updating all the time and the final schedule will be published well before the event. It is possible to arrive at the site on Friday 17 o'clock and the event site must be empty by midday on Sunday. Please note that Rajataverna is living in Swedish time due to its location.

Seskärö lägergård is a summer camp with beds for 58 persons. Accommodation takes place in rooms and cottages of four persons each. It is also possible to bring your own tent, but note that the temperatures can be quite low this early in the summer. The summer camp has a sauna, good facilities to wash up and a beach right next to it. There is also a fireplace with a view to the ocean.

The price for the event is 40 € for SCA-members and 45€ for non-members, and it includes the event fee and food (snacks on Friday evening, breakfast, lunch and feast on Saturday and breakfast on Sunday).

Children under 7 years old accompanied by (a) parent(s) are free of costs and children between 7-15 cost 22€. Day visit on Saturday including all the food costs 15€ (children over 6 years 10€). Day visitors and people coming from outside the Nordics can pay at the door. Payment information will be sent later via email. The last day for registration is Tuesday 30.4.2024.

Please note that the event is inclusive and we actively work towards a safe environment to have fun in. If you are interested, but new to reenactment, you can contact the event organizer for help.

Announcements - People on the Move – Laurel Sovereign of Arms

The Board of Directors is pleased to appoint Unni Leino (Birgitta Lulli) as the Society's Laurel Principal Sovereign of Arms (Laurel).

Laurel is the principal heraldic officer of the Society and the head of the College of Arms, and is responsible for fostering the study and practice of heraldry, supervising the processing of submissions, and overseeing the heraldic activities of the Known World.

Birgitta Lulli (no relation to Giovanni Battista, the Italian/French composer) started her heraldic career as Deputy to the Acting Pursuivant Extraordinary for the Incipient Shire of Aarnimetsä in what was then the Principality of Drachenwald in the East Kingdom. Since then, she has seen the incipient shire become a barony and served it as scribe, herald, seneschal, fencing marshal, and surgeon, and the Kingdom of Drachenwald in various heraldic offices, as regional fencing marshal, and as the Clerk of the Crown's Ships. This may sound more impressive than it is – 35 years in the Society just provide opportunities to try different things. She's Finnish but hasn't yet figured out whether from the 16th or 8th century.

Unni Leino (no relation to Eino, the Finnish national poet) lives a couple of kilometres from her daughter in Helsinki, Finland, and works at Tampere University just down the hill from her great grandfather, the last family member to own the 16th century farm Veräväinen-Lulli. Her main research interests revolve around the variation of Finnish and the use of computational methods; somewhat lower-key interests include onomastic theory, heraldry, and gender studies. She has served as a member of the Heraldry Council at the Finnish National Archives and on the Board of the International Council of Onomastic Sciences, and was the chief negotiator for Suomen Keskiäikaseura ry for their affiliation agreement with the SCA, Inc. She can write 16th century Old Finnish but isn't quite old enough to speak Proto-Finnic fluently, although her father has taught some.
