Greetings Good Gentles,

The Chroniclers of the Known World are producing wonderful publications that add so much to each canton, barony, and Kingdom, as well as our Society as a whole. Every group from the smallest shire to the biggest Kingdom brought forth so much information, entertainment, knowledge, and light; writers, artists, photographers, cartoonists, and others all working together to brighten our lives and increase our knowledge and awareness.

There were so many wonderful articles, poems, short stories, and more. Check out your newsletters! The William Blackfox Awards nominees were such a joy and privilege for me to go through. If you have not been reading your group newsletters, now is a good time to start! What you can learn may amaze you or may even pique your interest to try something new.

Also, please make your own contributions to your newsletters and you may someday see your name and work in this list. All Kingdom Chroniclers should encourage your group chroniclers to get your populace involved in showcasing their work. Baronial newsletters have no size limitations.

You can publish art, stories, poetry, articles, anything and everything SCA related that would be of interest to the populace and be of help showing the talents of the people to a broader audience. Recipients of this prestigious award will receive a Master William Blackfox token, a certificate, and the right to use the following in their newsletters with the Blackfox logo: "Master William Blackfox Award Winner (or also, Commendation or nominee), [category], AS LV (57)".

Special thanks to my judges, Asta and Ceridwen, who assisted me in the judging of the A.S. 57 William Blackfox Awards nominations and choosing winners. There were some tough choices made. And now, with no further ado, I present the Master William Blackfox Awards for A.S. 57! Well done, everyone!

With thanks,
Cecilia Blythe, OP
Society Chronicler

[Note from Page Editor: the submissions are from May 2022 to April 2023. The next cycle is May 2023 to April 2024.]

Recruitments—Volunteers Needed

Mists Constable

Hello Misties!

It's been my honor and pleasure to serve as Constable of the Mists for the past (mumble mumble) years, but I am coming to the end of my second full term and it's time to pass the office on. I'm hoping to identify a successor in time for the fall event season -- the first Mists event this fall will be Mists/Cynagua War in September -- so that they can be trained (if needed) and step up before the end of this year.

Constable of the Mists is a great job -- the Mists runs 6 events a year, generally 3 camping and 3 day events, and the job of the Constable happens almost entirely at the events so there are very few tasks or paperwork requirements to keep track of between events. You get to be the face of the Principality welcoming everyone to site, and have access to the gate sheets to re-learn the names of people you've known too long to ask; you get a seat at the table in the business meeting to see the inner workings of the Principality without having any homework; and you get to join the communities of Mists Officers and West Kingdom Constables, who are always gracious about supporting and helping out when needed.

If you are interested, please reach out to me by the end of this month to let me know. And if you're not sure or on the fence, or if you have any questions I can answer about what being Constable requires, the support available, or anything else, please reach out and chat -- Constable of the Mists can definitely be a first service job (it was mine!) and I'm happy to answer questions about it, but if you're nervous about the scale of responsibility or can't commit to 6 events a year there are also branch officerships open that may be an option as well.

Looking forward to hearing from you,

Nikolai Yastrebov, OP

Constable of the Mists

SeaWolf Herald

My term as SeaWolf Herald must come to an end at Purgatorio, and I am seeking a successor! The SeaWolf Herald is the Principal Herald for the Principality of the Mists, and responsible for coordinating heraldic activities at Principality events.

Training and support will be available. If you'd like more information on just what a SeaWolf Herald does, please email questions to seawolf@heralds.westkingdom.org -- Viscountess Moira of Kent, OP. If you're interested in the position, please email your SCA Resume and a letter of interest to the above email.

Essential skills include ability to work with a team, attention to detail, in the moment problem-solving, and ability to communicate with a wide array of people. To apply, send a letter including your contact information, previous lists experience, and what you would bring to the job to leahrp@westkingdom.org and seneshal@westkingdom.org by September 15th, 2024. To facilitate the transition between officers, lists for Fall Crown will be be lead as a team and applicants should plan on working at the lists table at that event.
