# Royal Message

## **Unto the Populace of Lochac do Ariston and Jochen send greetings,**

It has been a delight to spend Our first month as Kings meeting so many of you; in Innilgard, Aneala, St Florian, Adora and Southron Gaard, We have been awed by Our populace's enthusiasm, prowess, and grace. Whether on the war field or the dance floor, at the feast or the archery range, in classes or court, Lochac's populace truly have 'been their best' in Our presence.

It has also been a privilege to recognise the excellence of so many of Our people. At every turn in Our whirlwind of travel, We have been struck by the worthiness of so many: from children joining the Mouse Guard, to veteran pillars of the society receiving Augmentations of Arms; from new Armigers being welcomed into the

society, to new peers already leading and inspiring it.

Our successful pacification expedition to Western Raids saw the elevations of Her Excellency Bella Romana Valori to the Pelican and of Zaven Zeytuntsi to the Order of Defence; this region will surely see endless peace now that two such fine peers

Barony of St Florian de la Riviere. We thank Sverker and Lovet for their service, and welcome Their Excellencies Gustaf and Kathelyne as splendid and trustworthy holders of this tenure.

At this same event, We also had the honour of making history, elevating Angele, Ulrich and Belgutei (formerly Ranif) to the Order of the Mark in the first of many such ceremonies worldwide on the 7th of June. This recognition of archers as peers at last was a very special moment for the Kingdom of Lochac, and for the Society as a whole. We were not alone in shedding a few tears of joy.

We thank the populace for their enthusiastic welcome and support, for their hard work and dedication, and for laughing along with Our shtick. Even among the icy highlands of the Crescent Isles, Our hearts were warmed to see how well you take care of each other, sharing joy for one others' successes just as you share delicious food, clever ideas, and camaraderie upon the field.

can bolster their Barony's vigour and renown.

At Great Northern War, We oversaw a smooth, and appropriately peaceful and mercantile, leadership transition for the

## Reign of Ariston II and Jochen I

This month, we look forward to bringing Our own smiles and enthusiasm to Inter College War and Mordenvale Midwinter; We hope to see many of you at these wonderful events!

We would also like to remind Our populace of a requirement for entry into Our Crown Tournament in Stormhold in September.

Our society thrives when we are generous with our knowledge. All entrants – both members of each pair – must have engaged in teaching in some fashion during Our reign. This could be a formal class, but it but

it could equally be showing a new person how to sew a hem, cook a pie, or throw a snap, or even facilitating a workshop or roundtable on a subject about which you have some knowledge. We would ask you to simply make a note of when, where, and who was involved, that you might include these details on your Letter of Intent.

# From The Exchequer

Unto the populace of the Kingdom of Lochac does Master Nicodemus Novello, Chancellor of the Exchequer, send greetings.

As required under Lochac Law, I am writing to provide you with a summary of the finances of your kingdom over the past year, and a comparison with figures for the year before.

As the Kingdom is not a legal entity, and exists in multiple legal jurisdictions, these reports are for the information of the Populace only. They do not constitute legal, financial, or regulatory reporting. I will also stress that this report only describes the state of the finances of the Kingdom proper, not the finances of its many baronies, cantons, shires or colleges. If you want to know how your own group is faring, speak to your reeve (or attend a group meeting, at which they will be reporting on a regular basis). These figures also exclude money held by the corporate entities in each country (the SCA (Australia) Ltd and SCANZ Inc), which hold their own finances for mundane administration.

Figures referring to the Kingdom's finances in Australia are expressed in Australian dollars, and those referring to its finances in New Zealand are expressed in New Zealand dollars. The Australian financial year runs from January 1st to December 31st, while the New Zealand financial year runs from April 1st to March 31st. All these figures are inclusive of GST, and reported on a cash basis (ie, they reflect what was actually paid to and from the kingdom account during each period, not what was potentially earned or payable).

The accompanying Cover letter stated "A few submissions this month caused us to consider the per chevron inverted throughout division". Because of this, we will no longer register armory using the per chevron inverted throughout division as of the October 2025 Wreath meeting. For clarity, this only applies to per chevron inverted throughout, not a standard per chevron inverted.

In general, combining a field division with a parallel (or roughly parallel) peripheral ordinary such as per pale and a tierce, or per fess and a chief or base - creates such ambiguity, and will not be registerable going forward without documentation of the practice.

Still awaiting the latest Letter of Acceptances and returns (May) so as soon as it is published I will send it out and report in next months CAMEL.

Lochac Kingdom  
Arts and Sciences Minister

Greetings Lochac!

At Autumn Coronation in Innilgard, a Kingdom Arts and Sciences competition was held; this was the first round for the Championship of A.S. LX.

I am delighted to bring you news of the entries. This time, I was not present myself, and so I borrow from the words of others:

There were twelve entries, across the Beginner to Advanced categories, taking inspiration from the themes of 'Locks and Keys', 'Memento Mori' and '13th Century'. We had five Experienced entries, six Intermediate entries, and one Beginner. One person had two entries, meaning there were eleven contestants.

~ In the Experienced Category, the gold bell went to Mistress Gwen verch David, with a fantastic 13th century outfit, of multiple layers and items.

~ In the Experienced Category, a silver bell went to Master Padraig Lowther with one of his famous wines.

~ In the Intermediate Category, the gold bell went to Lady Euphemia di Niccolo Ziani, for an Italian-style sonnet.

~ In the Intermediate category, a silver bell went to The Honourable Lady Melissa Wijffels, for her digital-entry sling project.

~ In the Beginner Category, the gold bell went to Mestrez Ysabeau Chanteuse, with her knitted pouches.

Three cheers for all the amazing artisans!

My thanks and appreciation go out to all the judges, who graciously dedicated many hours of time and effort to examining the entries and providing thoughtful feedback.

The judges for this round of the Championship were:

- ~ Noble Oisín a Run
- ~ Lady Anneleyn Cornelisse
- ~ Mistress Fionnabhair inghean ui Mheadhra
- ~ Mistress Collette de Harecourt
- ~ Master James Douglas
- ~ Dame Miriam Gailbraith
- ~ Master Duncan Chaucer
- ~ Viscountess Ingerith Ryzka

Three cheers for all the magnificent judges!

I would especially like to thank Lady Anneleyn Cornelisse who coordinated A&S for this event and did an excellent job with it - especially as she was also coordinating the bardic entertainment.

The next competition will take place in Stormhold, in concert with the Spring Crown Tournament. Themes will be 'Food Storage', 'Linen' and, for the more adventurous, 'On Squares and Commons'.

In service,  
Dame Joan Sutton,  
KMoAS, Lochac.

# SCA Limited - Report

## SCA Board - Chair Report June 2025.

It has been a busy time since the AGM. The Board has seen a rather large turn over of members recently from a variety of Baronies, surely a sign of a strong and committed Kingdom. We welcome to the Board, our newest member, Alison Carr, Ismena Gamel, from the sunny state of Queensland.

We thank those who attended the AGM from the wider populace of the Kingdom for attending and seeing what the Board is up too. May I say that I am in awe of our Secretary and Treasurer! They have hit the ground running and I for one am very grateful. I have emailed the SCA in the US, and introduced the new and expanded personnel of the Australian Board. I am very proud to be working with such a fantastic team of committed and hardworking people.

The Board is currently updating the Child Protection policy, in consultation with the Kingdom Children's Officer.

There have been recent pushes to change mundane law around weapons in Victoria, and the Board is aware of what is happening and will update members should any actions need to be taken to update our weapons policy, forms, or authorisation cards.

The recent Alternative Crown Poll concluded recently with a large number of members voting (58.5% of adult members) and with an overwhelming yes to conducting the three consecutive trial formats (79.6% in favour). The next step is to create fully fleshed out proposals for all three formats to take to SCA Inc for them to approve the trials.

Yours in Service,

Baroness Catherine James of Glastonbury  
(Catherine Conner)

A regular fixture of the Stormhold calendar, Monthly Bash is a day filled with medieval fun of all sorts. Comprising of heavy and rapier tournaments, and members of the populace pursuing their own interests – singing, sewing, dancing and much more.

The July Monthly Bash is brought to you by Orlok Hanbal al Barbari, ably assisted by Julyan Graye of London with a theme of: 'The Mid-Tudor period (specifically 1547-1558 Edward VI and Mary I)'. This is the period immediately following the Death of Henry VIII. A tumultuous period following the death of such a significant and long serving ruler.

Both the Rapier and Armoured Combat Tournaments will be timed challenge tournaments. Combatants will take the field, challenging their opponent.

The Arts and Sciences competition theme is the same. Competitors are asked to submit an artistic work in any style which they consider relates to the theme 'The Mid-Tudor period (specifically 1547-1558 Edward VI and Mary I)'.

Bring a picnic lunch for yourself or to share with friends, some craft projects, your armour/protective gear, music and musical instrument, games, depending on what you intend to do. Water and toilets are available on site.

This is a garbed event, and loaner gear is available by prior arrangement by contacting the Stormhold Hospitaller: Lady Fionnghuala nic an tSionnaigh. [hospitaller@stormhold.lochac.sca.org](mailto:hospitaller@stormhold.lochac.sca.org)

**11th-15th July 2025: Inter College War 2025**  
**"Traditions of War & Deceit"**  
**Blessed Herman the Cripple, South Australia**

**Location:**

Roonka Adventure Park, 209B Boy Scout Road, McBean Pound, South Australia, 5357.

**Cost Per Person:** This is a College Event, so Insurance/membership is covered by the University. Prices are based on the accommodation selected. Lowest cost is non-powered camp site.

**Member:** Adult - \$110 - \$155  
Minor (under 18) - \$65 - \$95

**Timetable:** TBA

Come to the Inter-College War of 2025. The colleges are assembling for their traditional war of supremacy. They will vie against each other for honour and glory. Ursulan vs Herman, Monican vs Basillian, the lines are assembling and all should attend.

Something though, is different. The stories are the same, the carrot tales thrive and the Hermans talk of fiery goats, but underneath it all is a current of intrigue and deceit. For this year, the colleges will bring their most prized of relics to the warfield. These are the things they fight for, the symbols of their tradition and proof that they know better than their peers. Should they lose these things before they get to the field, they won't be able to fight at their very best. They may even need to fight for someone else.

As the oldest college, Blessed Herman has proposed a small holding out near Blanchetown, in the small field at Roonka Adventure Park. We will host tournaments for steel, shield and arrow. We will feed the masses with a feast and will enable our peers' attendance on the field of war. All the colleges must do is attend en masse and bring 3 of their most prized relics to the warfield. We issue the challenge and wager that none of our peers will dare stand before us on the fields of war, showing once again that the College of Blessed Herman is the oldest and noblest of the colleges in Lochac.

WAR! Training has been solved. In consultation with the ACT Government, we have been approved to conduct war training on any of the ACT's many dryland ovals.

This even is the first in a series of trainings leading up to both Radburne War and Spring War throughout August and September.

War training is an opportunity to ensure your gear is in working order including gauntlets and mesh, to get to know your fellow war combatants, practice tactics and working as a coordinated unit (with archers) and refresh war actions such as killing from behind and killing plumed combatants.

War is also more fun with more people. Bring your friends!

Greetings fair populace of the Kingdom of Lochac. We would be honoured to invite you to witness those who wish to partake in the Spring Crown Tournament to choose the future Heirs of Lochac.

The weekend's theme is 'Along the Coffee Trail' and as such the menu will include delicacies from the regions that the bittersweet liquid spread.

Coffee is thought to have spread from Ethiopia to Egypt and Yemen where it was first roasted, and then by the 16th century it spread throughout the Middle East, Türkiye, Persia, and into northern Africa. Later coffee spread from the Muslim regions to Italy and Hungary in the 17th Century. The first coffee house was in Constantinople.

There will be a market bazaar set for those who wish to sell goods during the weekend and a young merchant will be selling Turkish coffee over both days.

The event has dorm and camping options, with catered and offboard pricing.

The Barony of River Haven is pleased to be hosting a Kingdom Event within its Borders and it would be our pleasure to welcome the Kingdom of Lochac to the salubrious climes of Your Majesty's most Northern Barony. November is one of the hotter months of the year, but this has been anticipated in advance and we have secured a large air-conditioned Hall to host the festivities in honour of the Coronation of the incoming King and Queen of Lochac. Despite the summer weather notorious in River Haven, we have gone to great lengths to procure the magic of snow (Snow Cone Machine) as was a popular treat in both the Tudor and Elizabethan Courts.

Instead of the traditional sit-down feast on Saturday, we will hold a Ball with finger-style food being served between courts and dance sets throughout the day and evening. We can guarantee that each person will receive a goodly amount of food and will not feel the loss of the more traditional feast. Their Majesties and attending Landed Barons and Baronesses will be served a special seated degustation menu, composed of delicacies, in place of a traditional sit down feast.

A short parade of Lochac Banners will herald the commencement of the evening Ball. We anticipate that the dancing will continue for approximately 90 minutes in total with an intermission to allow for dessert and further light refreshments. Members of the populace will also be encouraged to entertain and share their talents with the Company in attendance throughout the day.

On the Sunday, the first day of their new Reign, we will recommence at the River Haven Hall, with a Banner Parade with all the attending Barons and Baronesses to open Court. The day will be filled with excitement as the traditional Rose Tourney is contested by Lochac's Mightiest Warriors. Peerage Meetings will be held commencing at 9am. For those attending these meetings, a light breakfast of toast, tea, coffee, and fresh fruits will be provided.

Whilst awaiting Opening Court, a light morning tea with hot and cold refreshments will be served. Lunch will be a mix of grilled foods (grilled sausages) served on the finest white bread, accompanied by a wonderful range of period salads, dipping sauces and other period morsels to delight the palate so as to enhance your enjoyment of the day.

Market Vendors will be encouraged to be in attendance, as will small sessions of interesting topics for discussion and learning.
