Their Royal Majesties

Greetings and Salutations unto the Populace of Northshield,

I am well aware the theme of this *Northwatch* is a tongue-in-cheek knowledge of history in honor of April Fool's Day, I would like so much to make this, Our last missive, funny and witty in response to Our editor's request. However, my heart hurts as I know Our time on the Stellar throne comes to an end. This has been, by far, the best and most magical experience in my entire life in the SCA and I cannot thank you all enough for making it so. We have travelled far and wide during Our reign. We have visited large and small events, recognized amazing people for doing amazing things, and have felt the overwhelming love of Our people. YOU have made this time so amazing for His Majesty and me, and We honestly do not know how We can thank you adequately for allowing us to serve as your monarchs.

We wish, at this time, to personally thank Our two stalwart Chamberlains, Countess Jehanette de Provins and Countess Gwenhwyvar verch Owen ap Morgan. We would be lost, utterly and completely, without your guidance, your faith in Us, and your mad organizational skills. These women brought so much knowledge, understanding, and grace to Our team and I am still trying to figure out how to appropriately thank them. His Majesty still insists that they have no accommodations for a pony nor do they have room in their dwellings for the gifts I keep wanting to heap upon them. Please know my love for these two women runs deeply and that I hope to, at some point, repay them for their hard work and dedication this last year.

We also wish to personally thank Our Champions: THL Muiradach mac Seamus – Queen's Rapier, Master Piero di Salvestro Verrocchi – King's Rapier, Baroness Jois Corbet – King's Armored, Lord Knutr Olafsson Osidar – Archery, THL Aine ingen

MaelPatrac – Thrown Weapons, Sergeant Katja Borsukska – Equestrian, and Davin of Jararvellir – Youth. You have represented Us with grace and honor and I will NEVER forget you and what you were able to do for Us and for your Kingdom. Long may your names echo in Our halls.

Further, we wish to sing praises to the rafters for House Wortham. They clothed Us, fed Us, helped Us, and provided a wealth of knowledge. Many may not know this, but this is the fourth reign they have worked on and their unending joy, support, and love is massively felt and endlessly appreciated. If anyone ever wants to know what it takes to successfully support a royal reign, look no further than this household.

To my sisters, Baroness Ellen de Wynter, Dame Marwen de la Rivere, and Sitt Samia al-Lulu bint 'Isa, you know. I know you know. His Majesty also knows. Never was a woman so lucky to be graced with sisters such as you. I wake up every day and ask myself how I managed to find AND KEEP you. We will never truly deserve you in Our lives nor can We adequately repay you for all you have done for Us.

Finally, to Our respective families. Thank you for your support, your love, your humor, and for understanding just how important this was to the two of Us. We love you. Always and forever.

Northshield, you are in safe hands with Our heirs. We know in Our hearts that this Kingdom will continue to be a shining star in the Known Worlde's heavens and that you will continue to represent all the magic, all the diversity, and all the blessings Our people and Our land have to offer. Please ALWAYS remember to fight well, to dance often, and to have as much fun as you possibly can.

Yours Ever in Service to the Dream, the Kingdom of Northshield, and the Society,

**Queen Isabella Beatrice della Rosa
& King Yngvar inn Heppni III**

Their Royal Highnesses

Greetings, Northshield!

Well, it's April already and that means Coronation time. At Coronation we will be holding a Rapier Tournament and a Heavy Combat Tournament to determine who will be our champions. We hope that a lot of our populace can make it to Coronation and enjoy the festivities.

Remember that Letters of Intent for Crown Tournament are due on Saturday, April 13, 2024, by 11:59pm.

A fun little medieval fact: Our modern year is closer to the year 1300 (the undisputed best century, in my opinion) than 1300 is to the fall of Western Roman Empire (476).

In Your Service,

Hans & Genevieve

Dear Kingdom of Northshield,

Thank you for allowing me to serve you for the last two years as your Kingdom Seneschal. It has been a journey from being shut down and wearing masks to people now seeing one another and just testing regularly. I know many of you still have reserved the right to stay home and only participate in the periphery and that is okay. I think coming back should be on your own schedule when you feel safe.

Please give the new Kingdom Seneschal a warm welcome as we continue to transition from a pandemic world to something new and hopefully better. The SCA can be a wonderful place if we remember that the world could benefit from how we look at the time periods we play in. We choose to learn about the medieval ages but tell others that we play at history as it should have been.

To that note, I hope we all continue to remember to be kind to one another and remember that the world is a scary place still for some. Make good choices and do what gives you joy.

Thank you.

Sorcha

Greetings, Exchequers!

Another of my deputies has changed over – Baron Eyricke Rycard has taken over the office of Regalia Minister! He has worked with several reigns wrangling regalia, and so comes to the office with plenty of relevant experience.

This is also a point to give my deepest thanks to Baron Geoffrey of Warwick, who has been covering the office for over a year. This is after many dedicated years of service to exchequers, and the Kingdom in general. I hope he enjoys getting to do what he wants to in his retirement.

In other Kingdom job news, my PayPal deputy wishes to step down after she has trained a successor. If you know of anyone who might be interested in doing service that

doesn't require leaving the house – but does require timely responses and being organized to keep track of event pre-registration – please encourage them to apply. The job description is posted in this issue of the *Northwatch*.

Because I haven't said it in a while: I appreciate all of your efforts as exchequers, in whatever capacity you serve. While doing consolidated reports, I have to do a detailed review of every single group's report. I see in detail all the work you do. Thank you.

In service,

Æsa

Greetings unto the populace of Northshield from the Minister of Regalia,

Continuing our celebration of Northshield's 20th anniversary as a Kingdom, I would like to share some more of our regalia. This item is called the "War Hammer" (image right) within our regalia listings. It is about 28 inches long by 7 inches wide.

We do not know the crafter or history of this item. If there are others in the Kingdom that know more of the history of the War Hammer please let me know so that I can document it further.

I hope you all enjoy looking into the history of our Kingdom's regalia and I look forward to sharing more with you in upcoming articles.

In Service,

Geoffrey of Warwick

Kingdom Minister of Arts & Sciences

Greetings!

By the time you read this, we will be just a few months away from Northshield's annual Kingdom Arts & Sciences Faire. Do you have a project you've been working on that you want to share? It's not too late! If you want to display your cool stuff, this is the ideal time to start putting together whatever information you want to be able to share alongside your project – what books or websites helped you? Do you have in-process

photos that can show others how you did what you did? For non-competitive entries, documentation is optional and doesn't need to be a formal paper, so think about whether there's anything you might want to bring along to accompany your project. If you have any questions, my inbox is always open and I can't wait to see what the kingdom has been working on!

Farolfus

the end of Anno Societatis LVIII, I wish to instead praise my current staff members.

The *Northwatch* Editor: bantiarna Grainne Dhonn has served as editor of the *Northwatch* for three and a half years, and served as deputy editor for a year before that. She has produced over forty issues of the *Northwatch*, often times having to generate the content herself. For her efforts, the *Northwatch* received a special commendation for "Best Artistic Contribution to a Kingdom Newsletter" from the William Blackfox Awards for "Northshield Fashion Show!" for the December 2021 issue.

I do encourage people to contribute to the *Northwatch* or their local newsletter. Articles, poems, songs, photographs, and artwork are always welcome. If every person in Northshield only made ONE submission, we would have content for DECADES.

Kingdom Social Media Officer: Baroness Ceolwen ingen Adaim as served as KSMO for the past two years, helping ensure the smooth running of our social media infrastructure, reporting to Society, and going the extra mile (when technology has cooperated), with the live, or near live, streaming of Crown Tournaments and other kingdom events.

Event Information Officer: The Honorable Lady Aesa in Bjarndoelska has served as the EIO for nearly eight years. She has been ensuring that event submissions have all the required information for the kingdom calendar and newsletter, generating the text for the *Northwatch* event ads, and creating the Facebook event pages for the kingdom Facebook page.

Kingdom Webminister: Baron Abelard die Elster, OP, aka "Awesome Abelard," while he is my most "recent" deputy, having stepped up a few months ago, is serving his third tour of duty as Kingdom Webminister. In addition to making sure there is enough baling wire and duct tape to keep the current website running, he is also overseeing the development of a new kingdom website, and the migration of the hosting of the local websites to the kingdom.

I want to say a very heartfelt "Thank you" to my deputies and all their staffs. This kingdom cannot run without all your efforts.

Hopefully, next month, I will be able to share the nominees and winners of the AS LVII William Blackfox Awards. This is one on my favorite missives to share.

Ever in service to Crown, Kingdom, and you,

Arnbjorn

Kingdom Chronicler

Greetings unto the populace of Northshield,

First of all, I want to thank Their Majesties, Yngvar III and Isabella, for their service to the kingdom and their people. Secondly, I want to welcome Their Majesties, Hans II and Genevieve II, as they start their new reign, following the excellent traditions of service and inspiration of their forebearers.

Normally, I spend the bulk of my monthly missives letting you, good readers, know about all the office openings (and there are a lot. Please see last month's missive or the Help Wanted section). However, as we near

Cén scéal? What's the news?

As, always I greatly appreciate any articles, research, art, or stories on any topic that interests you. Our upcoming newsletter themes are as follows, but please submit art and articles about anything at all for the edification of the kingdom.

- March 20 – Toys and Games – Taff? Dolls? Northshield has the tradition of the Children's Toy Run and a rich board-game culture. What toys, games, and other period amusements would you like to highlight?
- April 20 – Early Attempts – Share some of your first garb, A&S, fighting kit, or other projects from starting out in the SCA. What are some things you did/would do differently? What parts are you still proud of?
- May 20 – Disability & Access – What are the SCA in general and Northshield in particular doing right now that makes our game more accessible to all our members? What could be done better? How about in period? How did our medieval counterparts make life more accessible to the disabled members of their society?

Please send all questions or submissions to northwatch@northshield.org.

Applications for the next Society Seneschal/Vice President for Operations have been

extended and are being accepted until 31 March 2024.

This vital role is key in the Society's operations and functions and will be supported through a significant handover process.

The Society Seneschal is considered both a Society and Corporate officer, and is responsible for coordinating the administration of the Society's historical re-creation. Where questions arise concerning the intent of Corpora, the Board specifically authorizes the Society Seneschal to make interpretations and clarifications. The Society Seneschal is also responsible for reviewing all sanction related activities.

This is a part-time stipend position requiring a minimum of 25 hours per week, often more.

Applicants must possess strong communication skills and be capable of interacting with unique SCA personalities without regard to rank or position in the organization. The ability to process and distill large amounts of information from multiple sources is required. Organizational and problem-solving skills are essential. Having held a Kingdom Seneschal position, while not required, is preferred. Applicants must be capable of maintaining a home office space, have access to internet, PC/tablet, printer, and possess word processing skills. Proficiency with Microsoft Office and Adobe Pro is a plus. Ready access to postal service for the mailing of trackable documents is required.

Required skills or background:

- Prior experience in positions of leadership within the SCA or in leading volunteer organizations
- Excellent working knowledge of current SCA corporate documents and handbooks
- Ability to research issues surrounding kingdom and Society rules and policies
- Understanding of how the SCA's sanction and investigative procedures work; direct experience with these procedures is preferred
- Ability to maintain confidentiality of investigations and other confidential material
- Ability to manage multiple projects and oversee volunteers on both Society and Kingdom levels
- Excellent communication skills, both written and oral
- The ability and willingness to communicate via email, phone, and videoconferencing on a regular basis
- Ability to explain policies, delegate projects, and build consensus

The Society Seneschal is responsible for the following duties:

- Oversee directly and indirectly the planning and implementation of all "game side" activities.
- Deal with large amounts of correspondence with many individuals, including but not limited to all kingdom seneschals, royalty, and corporate/Society level officers, especially the President, VP for Corporate Operations, and Executive Assistant to the Board of Directors.
- Meet via videoconference and/or phone with kingdom seneschals, Directors, and other corporate and Society officers several times a month.
- Provide training and advice to kingdom seneschals on a regular basis.
- Present sanction packets to the Board and provide oversight of investigations related to possible sanctions.
- Interpret Corpora and other SCA policies as needed; revise policies and create new policies as needed to facilitate SCA activities.
- Evaluate and create documentation as needed to facilitate a positive experience for SCA participants.
- Quarterly review of all Kingdom Seneschal reports, respond to reports, and refer Kingdom Seneschal requests or questions to the appropriate Society or Corporate officer for assistance as needed.
- Submit detailed quarterly reports to the President and Board, and supplemental reports as needed.
- Attend all quarterly meetings of the Board of Directors, mid-quarter conference call meetings, and other meetings as required.
- Other duties and projects may be assigned by the Board or President.

The Society Seneschal must be available for the four quarterly Board meetings, typically held over a Friday and Saturday or a Saturday and Sunday. These meetings may be held via videoconference or in person. In-person meetings require travel, typically on a Thursday and Sunday. In addition, the Society Seneschal must be available for conference call meetings of the Board four to twelve times a year, typically on weekday evenings, and meetings or calls with officers or directors on an as-needed basis. Additional travel besides the quarterly meetings may be required, typically around SCA events.

Interested applicants should send a letter of interest, together with modern and SCA qualifications, via email, to resumes@sca.org.

COMING SOON – PATRON MEMBERSHIPS

You asked, we listened – the Patron membership is coming!

We are pleased to announce that the long-awaited Patron-level membership will soon be available. This membership level is intended for dedicated members who find themselves able and wish to further support the Society and their fellow members as valued Patrons.

Along with all the privileges of a Sustaining membership level, the Patron level will include benefits such as:

- Exclusive access to rare digital content
- Limited-edition commemorative SCA merchandise
- A commemorative membership card and record of Patronage
- Grateful acknowledgment in Society publications such as the Annual Report

As a Patron-level member of the Society, your membership dues will go that much further, directly contributing to the growth and sustainability of the organization, and helping us to continue to provide exceptional experiences, resources, and support to our members worldwide.

The Patron Membership is part of ongoing work related to enhancing the benefits of membership to the Society at every level as each and every membership is valued,

Stay tuned for further updates and a request for commentary.

PATRON MEMBERSHIP – CORPORA COMMENTARY REQUEST

As part of the upcoming addition of a Patron membership, we invite you to provide commentary on the language changes in Corpora that this update will require. This commentary will assist the Board in forming further decisions relevant to its consideration of this matter.

What is the Patron Membership?

- It is a membership tier that offers the option of a greater financial contribution to the organisation. Many non-profit organisations offer tiers of membership.

What is the proposed cost of a patron membership?

- The proposed cost of the patron membership is \$150 a year.

Is it linked to titles or in game recognition?

- No. Some Kingdoms require paid annual memberships rather than an

event membership (non member rate) for awards but this is not a Society wide requirement.

Is it mandatory?

- No.

Who asked for it?

- The Corporate Office has received feedback from members at times that this is an option people would like available.

What are the benefits of a Patron membership?

- The main benefit is knowing that you are contributing to the ongoing administrative functioning of the Society in a way that you prefer. The organisation is providing a small range of options as a gesture of its appreciation for your generosity.

Commentary regarding this proposed Corpora change must be received by the Board no later than May 3, 2024.

Add #6 to Corporate Policies below. In bold.

Corporate Policies, I.B, 1-4—Membership Types-Non-Statutory Members:

B. Non-Statutory Members

The Board of Directors has designated the following categories of advisory membership. Such advisory members are not members within the meaning of Section 5056 of the California Corporations Code. California law supports the SCA's use of the terms "member" and "membership" in the common English meaning, referring to persons who have paid to be associated with the organization.

1. Sustaining Membership conveys eligibility to hold office in the SCA, a subscription to a Kingdom newsletter, the option to subscribe to other Corporate publications, and any other privileges designated by the SCA or its subdivisions as accruing to members of the SCA. This type of membership is considered a subscribing membership.

2. International Membership conveys the privileges of Section I.B.1. This membership type is available only in locations outside the United States which are part of the SCA, Inc., and not subject to an affiliate corporation. This type of membership is considered a subscribing membership.

3. Associate Membership conveys eligibility to hold office in the SCA, except where other membership categories are required Governing Documents. Associate membership also entitles the holder to any privileges designated by the SCA or its subdivisions as accruing to members of the SCA, except where another membership type is specifically required by the organization defining the privilege. This type of membership is not considered a subscribing membership.

4. Family Membership extends the privileges of Section I.B.1 to one additional adult and any children aged 21 or younger who live at the same physical address as a member defined in paragraphs B.1-

B.2 of this Article. This type of membership is not considered a subscribing membership.

5. Institutional Membership allows a library or school to subscribe to Tournaments Illuminated and The Compleat Anachronist without acquiring the regional newsletter, and without any of the other privileges of membership. The Board reserves the right to determine whether or not a given organization qualifies for this membership type

6. Patron Membership conveys all privileges of I.B.1. along with additional privileges as designated by the SCA. Corpora, including the By-Laws, can be found in its entirety here: <https://www.sca.org/resources/document-library/govdocs/>.

Please email all commentary to

SCA-Comments@sca.org and use the title "Patron Level Membership" in the subject line.

DEAR ABBESS:

As a traveling merchant, my caravan ranges widely and I often hear tales of fantastic beasts, terrifying monsters, giants, dragons, and the like. Occasionally I encounter locals who point to strange bones as evidence that such creatures are real. Most recently, passing through the vast desert on my way to do business in the lands of the Great Khan, I was shown the bones of a creature like a great beaked lion. I believe it to be a griffin, but was curious whether you knew of the habitat and range of such a creature, since I had only heard of it from the Greeks up until this point and none of them had ever seen a living one. Is it possible that such a beast may still roam the earth to the east? Should I be worried enough to increase the number of caravan guards in my employ?

—A SOJOURNING SKEPTIC

DEAR SOJOURNING,

To my knowledge, no one has ever reported seeing a living griffin with their own eyes. Tales of such a creature in the region you mention date back many centuries, however. A Greek traveler by the name of Aristreas is known to have recorded stories of the griffin as told to him by the Scythians, who described beaked, lion-sized monsters that lived in the desert far to the east. In more recent years, the people of those lands (now conquered by Genghis Khan) still fear this desert, which is littered with large strange bones that resemble no living beast. So while you may indeed have seen the bones of a griffin, the creatures are likely long extinct and you need not fear this particular wild beast.

The Gobi desert is in fact full of fossilized remains of many types of dinosaurs, and scholars believe that the mythical griffin may be a composite of Protoceratops and Psittacosaurus bones, described by the Scythian nomads to Aristreas. For more information on how ancient and medieval people interpreted dinosaur fossils as evidence of giants and fantastic beasts, check out Adrienne Mayor's book The First Fossil Hunters: Dinosaurs, Mammoths, and Myth in Greek and Roman Times (Princeton, N.J.: Princeton University Press, 2005) at your local library or bookstore.

DO YOU HAVE MEDIEVAL PROBLEMS? ASK DEAR ABBESS BY WRITING TO [NORTHWATCH@NORTHSHIELD.ORG](mailto:northwatch@northshield.org), PUTTING "DEAR ABBESS" IN THE SUBJECT.
