# From the Baron of Selviergard

Greetings Oertha,

His Highness, Prince Floki and I were discussing the Winter Coronet scheduled for January 17-19 2025 in Palmer Alaska. His Highness wished to encourage Bardic at this event and to that end; He is sponsoring a Bardic Competition to be held on Friday Night. The Competition will be for Bardic pieces that tell a story, be it a story, song, poem, interpretive dance or puppet show. The Bardic entries will be judged by a secret panel of judges hidden in the audience. The Judges will be given specific instructions as to what the Prince is looking for in the performances. The identity of the Judges will remain secret even from each other. His Highness has directed me to serve as the Master of Ceremonies for the competition and to organize the Judges and performers. I am asking anyone who would like to perform during this competition to notify me beforehand so that the show can be planned. I will request an idea of what your performance will entail so I can plan the order of Bards to be the best possible show for all.

Prince Floki has also requested that I help in picking the Judges, so if you would be interested in being one of the Judges, let me know. I have been given very specific qualifications for selecting the Judges and have been commanded to keep the criteria for the Judges and their identities secret. It is possible to be both a competitor and a judge in this competition so feel free to volunteer for either role.

There will be a Bardic on Saturday during the feast with specific focus on tales, songs and poems celebrating the Forty Years of Oertha. I will also be serving as the MC for this Bardic so contact me if you would like to participate in the Feast Bardic on Saturday night. I will again ask for an idea of what your performance piece(s) will be like to again plan a smooth running show. I know, having a Bard organize Bards is like blindfolding someone in a dark room and asking them to herd black cats with a whip made of soggy spaghetti, but I will try.

Yours in Service to His Highness, Prince Floki and to the Dream

Colum, Baron of Selviergard

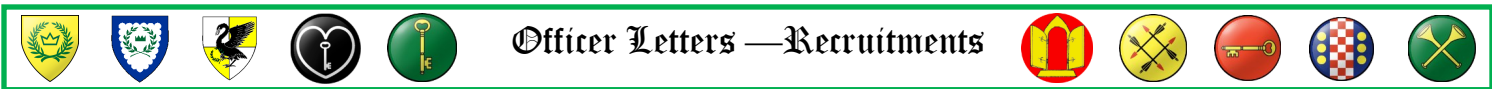

## Temporary Removal from Participation in the SCA

On October 16, 2024, Thorfinn and Tullia, King and Queen of the West, issued a Temporary removal from participation in the SCA, from Kamden Alan Richards, known in the Society as D'Artimus Rae.

Temporary Removal from Participation means that they are precluded from attendance or participation in any manner at any SCA activity, event, practice, or official gathering for any reason, at any time. This includes a ban on participation in officially recognized SCA social media (e.g. "Facebook") sites, officially recognized SCA electronic mail lists, and officially recognized SCA web pages. The SCA's Board of Directors will review this sanction. This sanction will continue until the Board of Directors makes a final decision on the matter.

### Kingdom Chatelaine – Gold Key

Hello everyone, As the Kingdom Chatelaine, I want to reach out about an important opportunity. We haven't had a Gold Key officer in many years, and this role is crucial for our community.

The Gold Key position is distinct from the chatelaine role, focusing on helping newcomers feel welcomed and supported at our events. If you're looking to make a meaningful impact and connect with others, this could be a wonderful chance for you. You won't need to bring a lot of infrastructure or bins of clothing to events. I've worked to streamline the position so that your main responsibilities will involve coordinating with local branches, assisting folks before events, and bringing only the requested garb to each event. If you have sewing skills, you can help repair clothes or find others to assist you. Maintaining the garb in good condition, laundering, and accepting donations will also be part of the role.

If you're interested in attending about six events a year and would like to help our community thrive, please reach out to me at [rew@westkingdom.org](mailto:rew@westkingdom.org). This is a vital role, and I hope to have someone step in by 12th Night. If no one volunteers, we will need to significantly reduce the Gold Key resources and ask other branches to support our community in their place. Thank you for considering this opportunity to help shape our kingdom. Your involvement can make a real difference.

Best regards,

Rew Payne Kingdom Chatelaine ☐

### Cynagua – Sable Swan Herald:

My term of office as the Sable Swan Herald is ending and I am seeking a successor.

There will be a training period to be determined by experience and training needed by the chosen successor.

Responsibilities include:

- ~ Attending and coordinating all heraldic duties at Principality events.
- ~ Coordinating and training of local heralds.
- ~ Reporting on awards given during Principality courts.
- ~ Attending Principality officer's meetings and Kingdom Herald's meetings.

Please note there is a herald's pavilion, but it is stored and transported in the Principality trailer.

### Cynagua Arts and Science Officer

Hello – my time as A&S officer is coming to an end. I am posting for a successor. Thyrrinni@gmail.com

### Kingdom Exchequer

Greetings, West Kingdom! The time has come that I begin my search for a successor as Chancellor of the Exchequer. My intent is to step down at June Crown next year, but I'd like to find a successor before then to give that person time to go through a few quarters' worth of reporting cycles, including budgeting, end-of-year and the Kingdom consolidated reports. A basic knowledge of accounting principles is helpful, but the most important job requirements are attention to detail, organization and the ability to stick to deadlines. If you're interested, please email me at [exchequer@westkingdom.org](mailto:exchequer@westkingdom.org). Rose de Le Mans

### Calendar Deputy

I begin my search for a successor as the West Kingdom Calendar Deputy to the Seneschal. It is my hope to step down at 12th Night next year. The training is relatively easy and straightforward. This is a 100% remote position, so you are not expected to attend every kingdom event or necessarily travel. Expectations include timely communications with territory seneschals and event stewards, creating and maintaining time sensitive documents for review by the Kingdom Seneschal and the Crown, and possessing strong observation of details when reviewing and processing event date requests. If you're interested, please email me at [mdm\\_ghislane@westkingdom.org](mailto:mdm_ghislane@westkingdom.org).

### Royal Archer

**Archers!** I have just lost my Deputy Royal Archer. I have been in too long and need to be done. I am stepping back to concentrate on mundane life. You should be currently or willing to become a target archery marshal. You work with Site Stewards on Kingdom Events provide archery at those events, you or a Marshal-in-charge will run them for the event. There are some reports and minor other things. Please contact me if you are interested. It is not too big of a job. Sandra Lowry

### Kingdom Event Site Coordinator/ Deputy Kingdom Seneschal

This role helps plan, schedule, and coordinate with the mundane locations, municipalities and organizations used for Kingdom events. Please contact Angelitta DeGuzman with your questions or letters of interest at [seneschal@westkingdom.org](mailto:seneschal@westkingdom.org).

### Kingdom Youth Minister

Please contact please contact [seneshal@westkingdom.org](mailto:seneshal@westkingdom.org) if you are interested in becoming the next Youth Minister. Kingdom will cover the required background check fees.

### Kingdom & Cynagua Accessibility and Inclusivity Officer

Please email us with your questions or letters of interest for any of the positions represented in this office at [cynagua\\_accessibility\\_support@westkingdom.org](mailto:cynagua_accessibility_support@westkingdom.org)

### Kingdom – Voices of the Populace

We are looking for language volunteers who have experience or a knowledge of any language outside English. We are in specific need for people who can work in Spanish, and ASL. Please contact: [head.emissary@westkingdom.org](mailto:head.emissary@westkingdom.org)

### Cynagua DEIB Volunteers

DEIB needs volunteers to help man the tables, rake roads, assist mobility membership, or transporting/storing supplies. Of course, volunteers who have adaptive learning skills such as inclusive dance techniques, techniques for including the blind in bardic circles, or ways for include exceptional perspectives in our Arts and Sciences activities. Contact [cynagua\\_accessibility\\_support@westkingdom.org](mailto:cynagua_accessibility_support@westkingdom.org) if interested.

### Bi-Baronial Yule (Anchorage/Palmer Area)

December 14, 2024  
Eagle River, Alaska

It has been many long months since the neighboring Baronies of Eskalya and Selviargard have gathered to celebrate the Yule season. Their Excellencies of Eskalya, Gavin and Celstria, and Their Excellencies of Selviargard, Colum and Vicana, extend a warm invitation to the Bi-Baronial Yule. Their Majesties of the West, Thorfinn and Tullia, plan to join the celebration. Bring out your best garb and stories of the year past to share. Bring your light to chase away the long winter night. Bring games to share with others in joyful competition. In the tradition of years past, the Eskalya Master or Mistress of Ambrosia will be chosen. Prepare your best period sweet dish or dessert. Documentation is not required but strongly encouraged. Also honoring a long tradition, Selviargard will choose their Lord or Lady of Misrule. Entrants from all areas are welcome in both contests.

Because being in warm company invites tale and song, a contest will be held to choose a Yule Bard. Share a story, song or poem celebrating a moment of the past year. An Arts & Sciences display is planned throughout the day. Bring completed works or works in progress to display. Cast a vote for The People's Choice Award.

A simple feast will be served. If you plan to join the feast, you MUST pre-register by December 1st. If you have allergies or food sensitivities, plan to bring your own food. The successful candidate will be primarily responsible for fostering the study of period culture and technology, and of methods for producing historically accurate artifacts and performances. The Board of Directors is currently considering the following proposed changes to Corpora and invites commentary from the membership and participants. You'll find an explanation for the suggested update to each section right after the marked up paragraph. New text is included in italics, with removed text struck out.

**I.C7: General – Role of the Board – Communications with the Board of Directors of the SCA, Inc.**

c. Any *written* communication with the Board is considered public, *subject to any confidentiality provisions of Corpora, Corporate Policy, and approved Officer Handbooks*, unless the author stipulates at the time of writing that the document is to be considered confidential. *Any communications regarding sanctions and/or Board/Officer work-product are deemed confidential communications.* Confidential documents will not be distributed outside the corporate staff unless the author's permission has been obtained.

*The Board reserves the right to declare any communication confidential subject to the author's right to republish the communication.* Reasonable requests for copies of other communications must be made in writing to the corporate office, and all such requests are automatically considered public documents.

[**Explanation:** Confidentiality is an important topic in the Society, and it can sometimes be confusing. The rules about confidentiality are mentioned in a lot of different places, and over time, the wording in those places has changed a bit, which has caused some confusion about how the Society should handle confidential information. This update is meant to make everything clearer and more consistent, so it's easier to understand what is considered confidential, and what the limits or exceptions to that confidentiality are.]

**II. B. Requirements for Participants at Society Events**

Anyone may attend Society events provided they wear an attempt at pre-17th century clothing, conform to the *rules of the Society* provisions in Corpora, and comply with any other requirements (including but not limited to site fees or waivers) which may be imposed. At business meetings and informal classes, the requirement to wear pre-17th century dress may be waived. All participants are expected to behave in an appropriate and respectful manner.

[**Explanation:** Corpora is not the only document where rules that SCA participants are expected to follow may be found. These rules may also be found in the By-laws, Corporate Policies, and various Society officer policies approved by the Board and contained in officer manuals. The proposed language makes clear that the SCA has rules which participants are expected to follow.]

**VI.A.2: Society Officers – General Requirements and Benefits**

d. No Society or Corporate Officer may serve as Crown or Coronet during their tenure in office. In order to fight or be fought for in a Crown or Coronet Lists, the officer must have served a minimum of one year in that office and must have an appointed deputy, approved by the Board, who is ready and willing to accept all responsibilities for that office. Committing to become a Crown or Coronet *Victory in a Royal List* will be considered a resignation from office, *effective no later than their Investiture.*

[**Explanation:** This change spells out current practice and defines the exact circumstances under which a Society or Corporate Officer will be expected to resign that office.]

**VIII.E.2: Personal Awards and Titles – Reservations to the Board – Revocation of Awards and Grants of Arms**

As with Peerages, the Board specifically reserves the right to revoke any Award or Grant of Arms. Kingdom law may make provision for offering such a recommendation to the Board. *Unless stipulated otherwise by the Board, the Board's decision in such a case applies only to the matter at hand. Nothing prohibits a person who has had any award or recognition revoked from being bestowed the award or recognition at a later date, should the Crown determine that the person in question now meets the requirements of the award or recognition being bestowed.*

**X.B.4.d: Grievances and Sanctions – Sanctions – Reservations to the Board – Revocation of Awards and Grants of Arms**

As with Peerages, the Board specifically reserves the right to revoke any Award of Arms or Grant of Arms. Kingdom law may make provisions for offering such a recommendation to the Board. *Unless stipulated otherwise by the Board, the Board's decision in such a case applies only to the matter at hand. Nothing prohibits a person who has had any award or recognition revoked from being bestowed the award or recognition at a later date, should the Crown determine that the person in question now meets the requirements of the award or recognition being bestowed.*

[**Explanation:** The proposed added language already exists in Corpora VIII.E.1 and X.B.4.c., which discuss the reservation to the Board of the right to degrade a person from the Peerage and the ability of a Crown to bestow such an award at a later date should they determine it is deserved. This change is proposed to apply the same language to Board removal of an award or grant of arms.]

**X.B.1: Grievances and Sanctions – Sanctions – Royal Sanctions**

The Crown of a Kingdom may sanction subjects, residents, and visitors within the borders of the Crown's Kingdom for just and stated cause. Royal Sanctions take effect from the moment of proclamation but must be announced in court and also be published in the next available issue of the kingdom newsletter if the sanction is to remain in effect. Within 15 business days of the imposition of the sanction, the specific cause and occasion of the sanction must be explained in writing to the sanctioned individual *unless it is impossible to do so, in which case it should be done as soon as possible.*

[**Explanation:** If the Corporate office or the Kingdom do not have a valid current means of contacting the sanctioned individual, it is not possible to fulfill this requirement unconditionally. The proposed change acknowledges the possibility that a correct means of notification may not be known at the time of the sanction.]

## Proposed Changes to Corpora - Commentary Request (cont)

### X.B.2: Administrative Sanctions

Officers may impose Administrative Sanctions within their areas of authority, for just and stated cause, only in accordance with the rules defined in their office handbooks or specifically granted to their offices by the Governing Documents of the SCA. Only the Society Seneschal or the Board may impose an Administrative Sanction that precludes the holding of any office including that of Crown.

[**Explanation:** This proposed change acknowledges that either the Society Seneschal or the Board of Directors has the authority to impose an Administrative Sanction that bars an individual from holding multiple offices. The Board already has ultimate authority over the rules of the SCA and over sanctions, as established in the By-laws, Section VI.A and Corpora I.C.1, so this simply adds language acknowledging that authority.]

Corpora, including the By-Laws, can be found in its entirety can be found here: <https://www.sca.org/resources/document-library/govdocs/>

Please email all commentary to [SCA-Comments@sca.org](mailto:SCA-Comments@sca.org) and use the title "Clarifying Corpora" in the subject line.

**NOTE: Do not use attachments in your commentary. Attachments will cause your message to be marked as spam, and it will be bounced.**

Commentary regarding this proposed Corpora change must be received by the Board no later than December 31, 2024.
