Royal Missive

Greetings to the Populace of Lochac,

It's been lovely to hear about and experience several events that have been happening through Lochac.

Canterbury Faire was a magical event, and it was fantastic meeting so many enthusiastic and engaging folk. There were many highlights from Master Diego Alonso Moreno and Master Kjartan Stafngrimsson's MoD ceremonies, the ball, the fighter auctions, the zombie fencing battle, the impressive newsletter with amusing notices, the awesome Youth Armoured Combat, the ingenious and entertaining postal service, the theatre, and the pirates running for the hills after the Mouse Guard sought justice.

The list continues with the duels and the custard guild, the classes, and the incredible amount of remarkable embroidery, tasting many excellent meads and so many other unique interactions that We could be here for a while. A list of gentles recognised at the event can be found further on in Pegasus. We gave Our strand of beads as thanks for their service to Noble Magdalena de Narbonne. A massive thank you to everyone who made Canterbury Faire what it was.

Since Our last missive, many meetings have been held, and we are delighted to announce sending The Honourable Lady Amelia de la Mere and The Honourable Lady Adrienne Furet to vigil for the Order of the Pelican and The Honourable Lady Joana de Bairros to vigil for the Order of the Laurel.

We are looking forward to a host of upcoming events with St Valentines in Torlyon, Border War in Bordescros and Mordenvale Rhythm and Brews, which will include The Honourable Lord Griffin Westcastle's Knighting.

As mentioned, March Crown Tournament is fast approaching, and Letters of Intent are due on the 16th of February. A reminder: make sure you have also booked with the March Crown Stewards. Further information can be found in the Crown Tournament missive. This service role is demanding and should be undertaken with seriousness. We strongly encourage all who intend to enter to check that their passports are up to date so they can travel to all corners of the Kingdom if they succeed.

We thank all those who have been sending in recommendations and encourage all to keep doing so. More information can be found here for those who are curious. <https://crown.lochac.sca.org/recommendation/>

From the Kingdom Seneschal

Greetings Lochac

I'm just back from Canterbury Faire and thought I'd give a short Kingdom update. There is so much happening in Lochac at the moment. Top of my list is the Alternate Crown poll. The Alternate Crown poll gives people a voice in deciding what they want in future Crown tourneys. It may be that people want change. It may be that people want the current system. That's why we're asking. The most important thing is to vote so we can hear your voice.

This is the text of the poll email for those who haven't received it. "Over the last several years there has been some discussion about the way we choose a Crown in Lochac. It would seem to be an appropriate time to ask the Kingdom whether they want to investigate other options. The Board of SCA Ltd Australia and the Committee of SCA New Zealand have asked that a survey be taken of adult members of both countries. The survey is to determine if there is enough interest in change to proceed in discussing alternatives. No matter how you answer, no changes will be made without significant further consultation. This is just an initial step to see how much interest there is in considering change within the Kingdom." If you haven't received the poll by email, please email acwg@lochac.sca.org.

On top of that we have a new Chronicler. Please join me in welcoming Lady Magdalena af Husum who has generously agreed to step into the role. I would also like to announce that the Kingdom of Lochac has a new Deputy Chronicler. Nest Brenhowel has very kindly agreed to be trained as well to help over the next two years and to take over the role when Lady Magdalena steps down. I would also like to thank Salome De Florin for her work as chronicler over the past couple of years.

We also have a new Crown Events deputy. Please welcome Countess Beatrice Maria Malatesta. I would like to thank The Honourable Lord Galen Wulfric for his dedicated service in the role for more than three years.

There are an excellent range of events happening over the next few months. The big one for March is Autumn Crown in Ildhafn, in Hunua New Zealand. Details can be found in the Lochac calendar or in this very edition of Pegasus.

I've taken up enough of your time, hopefully I'll see you at an event around Lochac.

In service to Lochac

Gomez

From the Kingdom Chronicler

Hello, I am Lady Magdalena af Husum & your new Chronicler.

I have been involved within the SCA on & off since 2010. I attended my 1st feast at the Great Southern Gathering in Innilgard & fell in love with all the pomp & ceremony, the clothing and the regalia. I have always had an interest in history, in particular the Tudors and Anne Boleyn.

During the great plague (Covid-19) I spent much of my time assisting my barony with the back log of AoA scrolls. I delight in the illumination side of the scrolls and rely on Mistress Rowan to complete the calligraphy.

For the past 2 years I held the office of Hospitaller for the Barony of Politarchopolis. I continue to enjoy assisting at events within the barony and throughout Lochac and I hope to extend this as your Chronicler.

I shall endeavour to make the upcoming editions of Pegasus as informative as possible. Please feel free to contact me at Pegasus@lochac.sca.org if you have any information or updates you would like included.

I would like to thank Gomez de Crecy , Helouys le Poer , for your support and assistance in allowing me the opportunity to take on this office.

To Salome de Florin, I would like to thank you for your past work and dedication to this office, during the past 2 years.

Yours In Service

Magdalena af Husum

From Crux Australis

Greetings and welcome to the January edition of the CAMEL with the LoAR for November:

Registrations are:

- ❖ **Angharad Rheged.** Name change from Florie Attewood and device change (see PENDINGS for badge change). Vert, a chevron and in chief three cinquefoils argent. The submitter's previous name, Florie Attewood, is released. The submitter's previous device, Vert, a winged stag segreant and on a chief argent three thistles vert, is released.
- ❖ **Gaylord of Saint Monica.** Name (see PENDINGS for device). Saint Monica is the registered name of an SCA branch.
- ❖ **Muireach Mac Gréine.** Device. Per chevron azure and sable, three roses argent and a sun Or. This device was pended for redraw on the July 2023 LoAR to draw the roses in their default arrangement. Quarterstaff provided new artwork which the submitter approved.
- ❖ **Rúnfríðr Keiliselgr.** Release of alternate name Rachel of Saint Monica.

Pending:

- ❖ **Angharad Rheged.** Badge change. (Fieldless) A rabbit sejant regardant contourny argent. This badge is pended to redraw the rabbit as clearly sejant. As drawn, commenters were split as to whether it was sejant or statant. If accepted, the submitter's previous badge, Per fess vert and argent, a thistle counterchanged, is to be released.
- ❖ **Gaylord of Saint Monica.** Device. Argent, a chaplet of thorns gules and overall a cross of Santiago sable. This device is pended for redraw to enlarge the cross so its arms extend past the edges of the chaplet. As submitted the cross is barely overall.

Returns:

- ❖ **Ollivier Le Floch.** Badge. Per pale argent and gules. This badge is returned for conflict with the device of Clara Masen, Per pale argent and Or. There is a single DC for changing the tincture of half the field.

Errata letter had the following:

May 2022

- ❖ **Rúnfríðr Keiliselgr.** Name change from Rachel of Saint Monica. When their name was registered, the LoI neglected to note this was a name change. The previous name, Rachel of Saint Monica, was retained as an alternate persona name.

From Laurel: A New Leaf!

The time has come to turn over my office. I am pleased to announce that the Board of Directors has, with my blessing, accepted Birgitta Lulli as the next Laurel Queen of Arms. Birgitta is well known to many of us as she has been a member of the College of Arms since 1996. A member of the Order of the Pelican, she has also been Pelican King of Arms and twice Schwarzdrachen Principal Herald, among many other offices!

The formal change of office will take place at the next quarterly Board Meeting, which happens to also be the weekend of vKWHSS in January. Her formal introduction will be on next month's Cover Letter.

From Laurel: KWHSS 2025 Bids Requested

For those considering bidding on the 2025 Known World Heraldic and Scribal Symposium, the deadline to have your bid entered into OSCAR is June 1, 2024. This deadline may be extended as needed, but we would prefer to be able to announce the bid's award sooner than later.

Please remember that bids posted to OSCAR are publicly readable. Because of this, any personal information, such as legal names, addresses, phone numbers, and email, should not be included in these bids without signed written permission. Such information as is necessary for the entire College of Arms to see should be posted as a comment after the bid is finalized; any identifying information that the Sovereigns might need should be included as a Sovereign Note.

Please send a copy of the full unredacted bid to Laurel at laurel@heraldry.sca.org. As a reminder, there is a KWHSS domain and web hosting space available on the SCA's servers. Please do not register a new domain. There is some information available at <https://heraldry.sca.org/kwhss/> with new pages in the works but if you have questions before the updates pages happen, please contact Laurel.

From Pelican: Nahuatl Alternate Titles

The Nahuatl alternate titles list proposed on Palimpsest's August 30th Rules Letter is accepted with some changes. The updated list will be available at <https://heraldry.sca.org/titles.html> within a few days. We thank Kallinikos Gavras, Rouge Scarpe Herald for sharing his research that led to the Rules Letter and Lillia de Vaux, Crampette Herald, for her additional research shared during commentary.

From Wreath: SENA A5E5 - Change of Posture of the Primary Charge Group

Based on Palimpsest's August 31st Rules Letter, a new section is added to SENA A5E5 to address the difference in orientation/type between ordinaries. The update will be available at <https://heraldry.sca.org/sena.html#A5E5c> within a few days.

I hope that you all had a wonderful and uneventful New Year and that this year brings all that you deserve. I look forward to working with you all and seeing as many of you as possible.

Food Safety Update

Food Safety Standard 3.2.2A came into effect in December 2023. At this stage, the Board does not believe that the SCA Ltd is captured by these new regulations, and no further action needs to be taken by groups or officers regarding these standards. Groups are actively encouraged to assist group members acquire the relevant training (such as food safety supervisor training) as this, similar to first aid training by group members, can greatly improve safety of all participants.

Additionally, no person operating under the banner of the SCA Ltd may sell food to members of the public or those who are not otherwise ticketed attendees of an SCA event. This is to prevent our accidental capture by these regulations, and covers such activities as selling of medieval food at demos and faires.

Individuals or businesses operating at SCA events but under their own banner (such as businesses selling food at Rowany Festival) are not operating as part of the SCA Ltd, and must determine for themselves how these new regulations apply to them.

YiS,

Katherine Rowell/Altani Khaligu

SCA PTY LTD, Chair

NZ BoD Update,

SCANZ has been busy over the past year ensuring that we meet the requirements of the new Incorporated Societies Act 2022. These requirements have meant that we have had to work with the Kingdom Seneschals to develop a new Issues Resolution Policy, which is currently in progress.

We have also had to make some changes on what information we collect from members e.g. we are no longer require occupation details. We were required to move our AGM date to the middle of the year so it was closer to the end of the financial year.

We will also introduce a wind up clause to our constitution so that if, in the unlikely circumstance the SCA Inc that in New Zealand closes, we have a designed recipient for our assets.

The committee has also updated their Financial Policy and introduced a policy around Live Streaming at events. We welcomed Jacqui Macgregor-Pahl on board as a Committee member in the middle of 2023 and farewelled Liz Brodie. 2024 will involve a more of the work to ensure we fulfil the requirements of the new Act.

THE BOARD OF DIRECTORS IS CURRENTLY CONSIDERING CHANGES TO CORPORA.

IT INVITES COMMENTARY FROM THE MEMBERSHIP AND PARTICIPANTS.

These changes aim to enhance recruitment and member retention in the SCA. They also aim to further support these goals. They elevate the Society Chatelaine to a greater Society Officer. They align local and regional chatelaines to this same structure. It is a strategic move, aiming to support the implementation of comprehensive recruitment and retention strategies. It also aims to align the office to a clear vision.

The Board also approved proposed wording. It supports the creation of a Society Diversity, Equity, Inclusion, and Belonging (DEIB) Officer. They also approved aligning local and regional DEIB officers into one structure. Like the proposed Chatelaine changes, it aims to support an aligned Society vision. It also aims to support the implementation of strategy in this space.

Finally, the Board approved changing the name and scope of the Corporate Diversity Equity Inclusion and Belonging Office. It is now the Office of Inclusive Programs. This office will handle the implementation of large scale, heavy-lift projects. This work will move inclusivity in the SCA forward. It will also transition leadership and management of game-facing DEIB work to the newly created Society DEIB Officer. This office will support all corporate and society officers. It will also serve as a primary DEIB advisor to the Board.

Recruiting and Retention structural changes for member commentary and verbiage change to Corpora.

Add:

I. Chatelaine:

The Chatelaine is responsible for promoting and supporting recruitment initiatives and guiding retention practices.

J. Diversity, Equity, Inclusion, and Belonging Officer:

The Society DEIB Officer is responsible for overseeing the development, implementation, and maintenance of game-facing DEIB initiatives and education.

Change:

Re-number I. Reservations to the Board, to K. Reservations to the Board, with no changes in content

Corpora, including the By-Laws, can be found in its entirety can be found [here](#). See Section VI. Society Officers

Note: Changes to corporate offices don't require changes in Corpora or public commentary. Understanding the changes to the Corporate DEIB Office will add context for the proposed changes to Corpora. It will also provide clarity for the realignment of responsibilities among these offices.

This restructuring aligns with better practice for organizations that aim to improve recruiting and retention by creating welcoming and inclusive environments.

All commentary must be received by 1 March, 2024.

Greetings, Lochac!

Excitement is building for the March Crown Tournament in Ildhafn! This will also be the final round of the year-long search for Lochac's next Arts and Sciences Champion. The Arts and Sciences entries will be judged on Saturday, March 16, A.S. LVIII.

The themes for this round are: "For a lover", "Language", and "15th century".

I look forward to seeing what Lochac can do with these topics.

Lady Isabell Winter will be co-ordinating A&S during the event. Much gratitude to her! Following this event, the new Arts and Sciences Champion will be announced, in May. If you want to enter, but can't bring your item to the event, you have a couple of options:

- You could send it on the day, with your trusted friend. This friend will need to deliver the entry and remember to collect it again after judging.
- Or you can have your entry judged locally, before the event, so that we can take your results into account when the rest of the competition is judged.

If you do wish to enter remotely, please discuss this with your local A&S officer as soon as possible. *Entries must be handed to them by 24th February.* They will need time to find judges and have the entry assessed, using the standard criteria, and then send the results to me. That way, all the entries can be taken into account at the event on Saturday 16th March.

If you want to know more about entering A&S competitions in Lochac, go here. To print the paperwork which needs to accompany your entry, go here.

If you have questions about the competitions for this event, you can contact me at artsandsciences@lochac.sca.org, or Lady Isabell Winter at artsandsciences@ildhafn.lochac.sca.org

In service,
Dame Joan Sutton,
Acting KMoAS.

Come to the Symposium, a place for discourse, food, wine, and entertainment. Traditionally a Symposium was a male only occurrence with music, singing, oration and discourse while eating and drinking or being entertained by dance displays. The most famous reference we have is of course Plato's Symposium. Our Symposium is of course open to all.

Come share your philosophical bent, your take on the Nature of Life, a perspective on why we entertain or desire to be entertained, perhaps a view on science and human nature. Present a dance, a poem, a play, or a song. Write a short a discourse on an aspect of life.

A Pan-Hellenic feast is planned for the evening with A&S entries to be performed or presented during the evening. As is customary in the North, there will be an afternoon of entertainment and a light repast to keep you going until the evening.

Come and join us for a glimpse of life from the Hellenic world.
