LETTER FROM THE CROWN

Greetings Fair Trimaris!

As the summer months march on, we remind all of Our populous to ensure that you stay properly hydrated while engaging in any outside activities. Moreover, we strongly encourage our fighters to carefully monitor the heat index and take appropriate measures to guarantee the safety of all combatants.

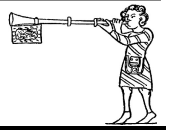

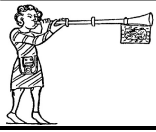

As the drums of war echo in the north, We have tasked our Heirs to lead an expeditionary force of Trimarian warriors and artisans to ensure that peace is maintained among Our Cousins. We look forward to glorious reports of prowess and chivalry in the days to come.

We would also recognize the amazing contributions of Our Webminister, Catriona O’Cathasaigh, in improving the Kingdom Webpage and making it as beautiful and functional as possible. Likewise, We commend the scribes of the Kingdom for stepping up and continuing to make wonderful displays of art that are Our joy to bestow in court.

Finally, an administrative matter to comply with Society policy: Section 7.B.9(d) shall be deleted (and the subsequent sections renumbered accordingly) and Section 7.B.2(i) shall be added to state - “The Kingdom Seneschal will oversee the deputy office of Kingdom Minister of Social Media.” This amendment shall be announced at Trimaris Royal University and formally enacted after the required review period.

Thank you and please continue to embrace the wonders of the SCA.

Vincent, King
Catherine, Queen

Kingdom Job Openings

Greetings and Salutations to all of Trimaris.

I am 7 months now into my tenure as your Kingdom Mistress of Arts and Sciences, a calling to which I am devoted to.

In order to have time to train, teach and empower a future generation of Officers to continue to lead and grow our Arts and Sciences community, I am seeking applicants for my drop dead deputy. My tenure ends in 2025.

Ideally, I can engage several well qualified individuals into service to be able to take on tasks and multiply outreach to our Kingdom and People. Selected deputies will work with me on projects in the community here at home as well as projects for Gulf Wars, improving technologies, and embracing the most important part of the arts and sciences, the people!

Please apply as instructed below.

Applications will be accepted until September 2, 2023.

One disclaimer: Applying for the position does not guarantee selection.

Much love to all. I will be at TRU if you would like to sit and ask questions about the office.

The Kingdom of Trimairs is seeking candidates for the Successor Deputy to the Kingdom Minister of Arts & Sciences. This is a voluntary position to train with the KMOAS until January of 2025 - after which, provided the Crown and Society Minister of Arts and Sciences approve, you would ideally become Kingdom Minister of Arts and Sciences.

The successful candidate will be primarily responsible for fostering the study of pre-17th century culture and technology, and of methods for producing historically accurate artifacts and performances. Duties include coordinating the efforts of Trimaris Group Arts and Sciences Officers, promoting the dissemination of information about the fields under study; and assisting the the mentorship and development of the Kingdom Art Sci Deputy positions: Chancellor of the Laureate, Trimaris Royal University Chancellor, and Art Sci Exposition Deputy Officer(s).

The duties of the Kingdom Minister of Arts & Sciences include, but are not limited to, the following:

Coordinating the reports and monitoring the efforts of local Ministers of Arts and Sciences and working closely with other Kingdom level officers to promote, encourage and advance the Arts and Sciences within the Kingdom;

Acting as a resource guide and referral service for persons looking for experts or information in a field of study pertaining to the Arts and Sciences within the context of the SCA;

Promoting, reviewing, and approving (with the other Kingdom Officers) the Trimaris Royal University and Kingdom Art Sci Fair Events in accordance with the guidelines outlined in Kingdom Policy;

Working with the Kingdom Officers to make sure all A&S needs are met;

Producing reports on a quarterly basis, or as otherwise requested, for the Society Art Sci Minister;

Performing other duties as directed by the Crown or Society Minister of Arts And Sciences (to whom you would directly report after becoming KMOAS);

Successful candidates for this position should be able to travel to 4 of the 6 annual Kingdom events, ideally including Winter Kingdom Art Sci and Trimaris Royal University, and have easy access to phone, mail, and reliable e-mail. Access to social media such as Facebook and Discord is ideal given a majority of Arts and Sciences groups communicate social challenge and community events and portfolios on these platforms;

An applicant must be a paid member of the Society and must be able to meet quarterly reporting deadlines in a timely manner. They must plan to attend Kingdom Meetings and Kingdom Financial Committee Meetings. All Kingdom Officers must swear fealty to the Crown of Trimaris;

This position presents the opportunity to help preserve the rich traditions of the Society and assure its future by assisting in the maintenance and promotion of the teaching and learning culture of the Society.

Per Kingdom Law:

5. The Kingdom Minister of Arts and Sciences

a) The Kingdom Minister of Arts and Sciences is responsible for the fostering of the Arts and Sciences in the Kingdom of Trimaris.

b) The Kingdom Minister of Arts and Sciences will regularly sponsor classes, symposia, and other educational seminars in conjunction with Trimarian Royal University.

c) The Kingdom Minister of Arts and Sciences will coordinate activities at the Kingdom Art-Science Fairs.

d) The Kingdom Minister of Arts and Sciences oversees the Lesser Office of Trimarian Royal University Chancellor.

e) The Kingdom Minister of Arts and Sciences reports to the Society Minister of Arts and Sciences and to the Kingdom Seneschal.

3. There will be two Arts and Sciences Events each year, one during each reign. These will be organized and administered by the office of the Kingdom Minister of Arts and Sciences.
