SCA Corporate Request for Commentary

Commentary Request – Draft Corpora Wording – Omnibus Peerage Proposal - SCA.org<<http://www.sca.org/news/commentary-request-draft-corpora-wording-omnibus-peerage-proposal/>>

Provide your feedback on the proposed Omnibus Peerage Proposal wording for Corpora! Inform the Board's future decisions on this topic!
www.sca.org

Currently approximately 8000 people around the Knowne World actively participate in target archery, combat archery, siege weapons, thrown weapons and equestrian martial activities. While no ultimate decision has yet been made the Board believes that a proposal of a path to peerage for these individuals is worthy of deep consideration.

Having received advice from the Peerage Committee, Directors have discussed the matter and following some minor amendments to language which align the proposed draft of Corpora wording to the existing patent orders, the Board feels that the proposal has matured to the point where commentary on the proposed Corpora wording from members is requested. This commentary will assist the Board in forming further decisions relevant to its consideration of this matter.

The draft Corpora language approved for commentary is:

VIII.A.4:

e. The Order of <Name>

(i) Members of the Order of <Name> may choose to swear fealty but are not required to do so. The candidate must have attained the standard of excellence in skill and/or knowledge equal to that of their prospective peers in a pre-17th century martial pursuit as practiced in the SCA, including, and limited to, target archery, combat archery, thrown weapons, equestrian activities, and siege engineers. The candidate must have applied this skill and/or knowledge for the instruction of members and service to the kingdom to an extent above and beyond that normally expected of members of the Society.

(ii) The duties of the members of the order are as follows:

(a) To set an example of courtesy and chivalrous conduct on and off the field of honor.

(b) To respect the Crown of the kingdom; to support and uphold the laws of the kingdom and Corpora.

(c) If in fealty, to support and uphold the Crown of their kingdom.

(d) To enrich the kingdom by sharing their knowledge and skills.

(e) To enhance the renown and defend the honor of the peer's Lady or Lord.

(f) To advise the Crown on the advancement of candidates for the Order of <Name>.

(other sections re-numbered as needed)

Knowing exactly what the people who work, study, and play in the Society want a potential new peerage to achieve and do will be key to moving forward in this discussion. The Board welcomes any additional context that people feel may be of use to the discussion.

We are looking for your feedback – as you begin to type up your comments please feel free to include your thoughts on the following questions:

Does this language fill the gap I personally feel exists in the paths to peerage, why or why not?

What is my ideal vision of a new peerage and its members? What virtue will they embody?

EDIT: If you are a financial member of the SCA, please include the relevant information.

The expertise of our community is invaluable, and these responses will contribute significantly to an outcome that positions our Society to meet its goals and future opportunities.

Corpora, including the By-Laws, can be found in its entirety here: <https://www.sca.org/resources/document-library/govdocs/>.

Please email all commentary to SCA-Comments@sca.org and use the title "Omnibus Peerage Proposal" in the subject line.

NOTE: Do not use attachments in your commentary. Attachments will mark your message as spam and it will be rejected by the server.

You can also send commentary by mail, Postage-Prepaid, to:

KNOWN WORLD BARDIC CHALLENGE

Greetings! My name is Shāh Megis Êlmanou, the Stag Bard of the Kingdom of Æthelmearc!

I am starting the rumblings of brilliant bardic challenge for both my home kingdom of Æthelmearc and the Known World in the coming year. It will be called ‘The Twelve Months of Bardic’, framed around the idea of the twelve days of Christmas. I am hoping to inspire and encourage bards new and old to create in 12 very different bardic styles. “But that’s a lot of flippin’ work?!” you might say. Fear not! This will not be an all-or-nothing type deal.

Complete one of the monthly challenges and at the end of the coming year you’ll receive a bronze medallion sporting the heraldry of our lovely Society.

Complete six of the monthly challenges and at the end of the coming year you’ll receive a silver medallion sporting the heraldry of your personal kingdom(you’ll have to let me know what kingdom you’re from).

Complete all twelve of the monthly challenges and at the end of the coming year you’ll receive a gold medallion sporting your personal heraldry/heraldry of your choice(these will be checked in at the end of the year for clarification).

Now that I have your attention with the sparklies let’s move on to how you can win these fabulous prizes!

Each month has a different theme for our challengers. They are as follows:

January- Jig

February- Fairytale/Ledgend/Myth

March- Limerick

April- Round/Canon

May- Sonnet

June- Epic/Tuuli

July- Chant

August- Tanka

September- Madrigal

October- Lyric

November- Ballad

December- Carol

You must post a recording of your *ORIGINAL* piece in the Twelve Months of Bardic group(otherwise I won’t be able to keep track of them). Feel free to post them all over the other bardic groups. Heck! Send a copy to your grandma so she can be extra proud(optional).

☒Tag ALL of the people who wrote or performed in the recording. You all get credit! This can end up as a lot of collaboration or entirely individual works.

☒The recording must be posted in the month corresponding to the list above, but I don’t care when in the month it is.

You MUST type out the lyrics/words if there are any.

☒Each piece must have a name and must credit the person in the group who wrote it. (Ex. The Sausey Sonnet of the Fluffy Fox by Jeremiah Bullfrog)

☒They must be works written in the last year and written by someone in the group making the recording.

☒They don’t have to be the next Hamlet. They just need to be vaguely recognizable as the type of work that we’re going for that month. No length requirements unless it’s part of the definition of each type of work.

You have to be able to receive private messages from me. Otherwise I can’t get you your medallion or check on preferences.
