## THE SCA PROHIBITS HARASSMENT AND BULYING OF ALL INDIVIDUALS AND GROUPS.

The SCA prohibits bullying and harassment of all individuals and groups. Bullying is systematic and unwelcome behavior which involves the use of influence, threat, intimidation, or coercion to cause hurt or harm to another person or group of people. When the bullying behavior is based on a protected class (1), that behavior is defined as harassment.

(1) race, sex, religion, national origin, gender, sexual orientation, age, or disability.

Bullying and Harassment may be **overt**, as in the following non-inclusive list of examples:

- Verbal abuse, including using racial, homophobic, transphobic, ableist epithets, etc.
- Non-consensual physical contact, violence, or threatening gestures.
- Displaying material that is offensive, degrading, or threatening to a protected class.
- Consistent demeaning remarks or malicious teasing - Stalking or predatory behavior

### Covert:

- Spreading rumors or innuendo with malicious intent
- Deliberate exclusion, isolation, or alienation of an individual without just cause
- Using rank, title, or office to intimidate others

Provided that the behavior does not rise to the criteria listed above, bullying and harassment is not:

- Single episodes of social rejection, dislike, tactlessness, or forgetfulness.
- Mutual arguments, disagreements, or fights.
- The termination, mutual or not, of a romantic relationship or friendship.
- Reasonable constructive feedback or critique.

The test for bullying is the reasonableness of the behavior and the impact of that behavior on the recipient. Participants engaging in bullying/harassment are subject to appropriate sanctions. If an individual believes they have been subjected to or have witnessed harassment, bullying, or retaliation, that person should contact a senechal, the President of the SCA, or that kingdom's Board Ombudsman.

# From Their Majesties Gareth & Juliana

Greetings Sylvan Æthelmearc,

We have been very fortunate to serve as King and Queen of Æthelmearc once again. It's been great to travel across Æthelmearc's vast lands as well as other Kingdoms of the known world. It has brought us joy to come to know so many of you so well and to see you again doing the things we love. We have grieved together for those we have lost, and we have forged new friendships as well. It is just better here in Æthelmearc.

Æthelmearc's might lies in the convictions of its people to make the dream real for all of us. Some do this on the list field, or with painstaking research, a finely crafted item, running an event, speaking up for inclusiveness, cooking feast, or many other ways that are all part of bringing reality to what we do. Pursue what you are passionate about and bring others along with you.

We are looking forward to musters as our armies prepare for Pennsic war in the summer! It will be good to go Home.

We are writing this as we look forward to the coronation of our heirs. We know Æthelmearc is in good hands and that this Kingdom will give them the support and friendship they will need to do this difficult but wonderful task. We wish them and Æthelmearc the best as we step down and return to the other things we love doing in the society.

Ad Glorium Æthelmearc  
Duke Gareth and Duchess Juliana

## From Their Royal Highnesses

Unto the noble populace of Æthelmearc do the heirs to the Sylvan Thrones, Murdoch and Riognach send greetings.

As the time grows ever closer to the beginning of Our reign, We find Ourselves making plans and schedules to serve you as best as We know how.

To that end, there are many Kingdom Championships that need attending and the earlier they are announced, the better prepared you can be.

Our thrown weapons championship will be held at Blackstone Raid XXXI.

Æthelmearc War Practice will host Our Archery, Brewing, and Youth Combat championships.

Melee Madness will see Our Heavy Weapons championship.

While it has not yet made it to the Kingdom calendar, the Queen's Rapier Champion will be named on June 22nd in the Shire of Sterlynge Vayle.

We are very excited and are looking forward to witnessing the feats of skill and honor that come along with such daring undertakings.

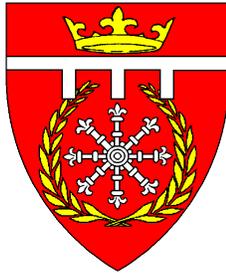

We would invite you to visit Our webpage linked to the Kingdom page to meet Our reign staff, learn some facts about Us, and maybe peruse the information to assist in the creation of Riognach's favors for Pennsic.

The first Curia of Our reign will be held on April 18th via Zoom. More information will be forthcoming.

We stand eager and ready to serve the Kingdom in any and every way We are called to do so. As always, We would ask that if you are aware of any gentle deserving of recognition for their deeds, please send in letters of recommendation so We may so recognize them.

In service to Æthelmearc and Our shared Dream We remain,

Murdoch & Ríognach  
Æ Prince and Princess

## From the Kingdom Chronicler

Please remember the deadline for the Æstel is the 5th of each month (unless a notice is sent to the Official Kingdom Mailing list indicating an earlier date). It is important to note that this deadline is for the following month's issue. For example, the deadline for the April issue of the Æstel is March 5th. The finalized newsletter must go to Corporate by the 10th of each month. Why is this important? When submitting events to the calendar if you submit event information after the deadline it is not going to make it into the Æstel for the proper month. Any updates to a current event submitted after the deadline will also not make it into the Æstel. Life happens and we will always work to accommodate people, but if your group can meet and decide on information, and meet Æstel deadlines, that is appreciated (looking at you Kingdom officers as well).

## From the Kingdom Seneschal

Magnificence is a popular, though poorly known virtue. It means to do great things. First spoken of by Plato, it carried through from antiquity all through our period. Towering buildings with intricate stained-glass windows are a testament to magnificence as is a brilliantly brocaded dress or illuminated book.

For us, magnificence is a peer-like quality, though of the many I have spoken to on the subject none mentioned it by name. We strive to fight harder, create better, research deeper, and serve more. We get together to discuss the great things our friends have done and tell tales of the great deeds of the past.

Do me a favor and let me know about the great things you see done. I love reporting about it to Society. I love bragging about our people to my fellow seneschals.

The time for our next coronation is neigh, and swiftly upon its heels we will have the Curia Regis for their newly minted Majesties. We are scheduling this one online for April 18th, and I greatly look forward to seeing you there. Likewise, I look forward to seeing you all at the many events we have over the next few months. Let's go out there and do great things.

## From the Kingdom Exchequer

---

---

Greetings from the Kingdom Exchequer's Office!

First, I would like to thank all our Kingdom Exchequers for their hard work. These dedicated folks allow all of us to participate in the activities we love so much. Please take a moment to thank your local and regional Exchequers. Next, I want to remind everyone that starting on April 1, 2024, the Non-Member Rate (NMR) will be increased to \$10. Any event that is held on or after April 1st is subject to the new rates. This includes any pre-registrations made prior to April 1.

For Group Exchequers, I will be sending out a quarterly report form with the starting numbers for your group, that were reported to Society. You will need to use these forms for your quarterly reports. We will be revising the storage/location of financial statements, event reports, and quarterly reports to reduce requests for missing documents. Also, over the next couple of months, we will be reviewing warrants by region and getting everyone updated. To assist in this, Caitriona Fhail ingheal Ui Chonaill will be taking over as the warrant deputy.

Should you have any questions, concerns, comments, etc., please contact the Exchequer Office at [exchequer@aethelmearc.org](mailto:exchequer@aethelmearc.org)

Sincerely,  
Tigernach mac Cathail

## From the Kingdom Chancellor Minor

Greetings and salutations seneschals and autocrats!

Your friendly neighborhood KCM here with a humble request at events (especially RP's)

As a parent, it's hard not to feel like the littles might be too underfoot in the busy parts of an event, and for the kids it's hard to enjoy each other in sometimes small areas filled with grownups.

I would love to see a "kids' space" in the main hall of events that can be as simple as a table and a few chairs where kids and parents can come together to socialize.

This does not supersede any rules and regulations that have already been set. Parents are still in charge of caring for their offspring. This space is not to be in a separate

room and not a space for a local cm to monitor; but simply a "reserved" table concept where the kids and parents can hang out in the main room and have a space to socialize (and if wall plugs are nearby for device charging you will really have happy kids) as always please feel free to reach out if you have any questions or concerning and thank you for taking this into consideration
