Words of the Crown

Sven and Siobhan, most humble majesties of the Black Dragon Thrones,

Greetings unto the populace of Drachenwald

We wholeheartedly would like to thank you for the warm welcome We have received.

"This beginning of the year arrives like the first light of dawn, promising possibilities and opportunities yet to unfold." Just as Orm sets sail into the unknown, We stand on the cusp of a new chapter, armed with Our own courage and curiosity to navigate the twists and turns ahead. And We mean "Orm" from the book "Longboats" not from the series "Norsemen". According to viking law, everyone knows that an Orm quote is from "Longboats".

And what a start of the year, filled with the promise of great adventures and the joy of shared experiences!! We are really looking forward to it all.

As the dawn of the year breaks upon Us, it feels like flipping to a fresh page in a well-worn book, ready for new adventures and tales waiting to be written. What will you make by your own hands? What adventure do you plan to join? What will happen during that event you SO much look forward to?

What We know is that exciting things will happen. Maybe that thing you longed for so many winters will happen, who knows?

May this year be a tapestry woven with laughter, kindness, and remarkable moments, each day a stroke of paint on the canvas of our lives in our society. Until next time, prepare that special thing you have been working on. We want to see it!

Submission deadlines

Be aware that the deadlines for publishing an event announcement, article or any such thing, is always the 25th two months prior to the month of the issue.

Greetings from the Seneschal

Dear Drachenwald!

Greetings Drachenwald!

Drachenwald has a new King and Queen. Our former King Sven and Queen Siobhan have, after a long and prosperous reign, handed it over to their successors. It has been a pleasure to be your seneschal. Thank you again for everything you have done for Drachenwald!

Long live our new King Stigot and Queen Lo!

Don’t forget to update our website. It’s easy. Just follow the link; https://forms.drachenwald-sca.org/forms/

Kingdom Seneschal

Greetings from the Chronicler

Greetings unto the populace of our wondrous Kingdom of Drachenwald,

Firstly, whilst here in the north of Drachenwald, a blanket of snow does cover the lands, summer is only a few months away, with the first half year well stocked with events to ensure merriment and good cheer.

Next, a small matter of business: Some of you might have noticed that the Kingdom Guilds and Interest groups section of the Regnum (on page 15) has been updated. In fact, all guilds and groups that do not have an entry in the Kingdom regnum have been removed. This has been done in order to clear any and all inactive guilds/groups from the listing. If your guild/group is not listed there (and the guild/group is still active), then please contact me directly and I will happily guide you through the process of resolving this.

Finally, as someone who sees a good portion of what goes on behind the scenes at various levels within our kingdom, I would like to take this opportunity to encourage everyone to look around at those around you. For some, much of the work they do is very visible (such as event stewards), however for many, much of the work that they do remains in the background and goes unrecognized. For all those who work behind the scenes, I would like to thank you all and I would like to encourage everyone to be aware of our quiet unassuming heroes. For those who wish to send in recommendations the link is: https://forms.drachenwald-sca.org/forms/award-recommendations/

Yours in Service,

Dafydd Myfyrgar

Aarnimetsa Baronial Investiture
25 Aug 2023 - Michoñlinna

Ruling Royals: Baron Gilbert & Baroness Maerith of Aarnimetsa
Court Herald: Johann von Hasengraben

Furthermore:
- The Aarnimetsa Baronial Court was opened as an intermission of a Royal Court of Their Majesties King Sven and Queen Siobhán.
- Their Excellencies thanked their Majesties, welcoming them to the great Barony of Aarnimetsa. Their Excellencies then noted that their Divestiture has finally come to be – after two full terms, four years of reign. While it had been good time, it was now time move on. There were just a few items to be taken care of before stepping down, so that they would not be left as a burden to their heirs.
- Lady Fiona was "inaugurated" into the Order of the Broken pen (which she had been awarded in absentia during Cudgel War)
- Lady Valgerta Bjørnarsdottir, also known as Lady Valka, was given her Yellow marshlight (which she had been awarded in absentia during Cudgel War)
- Their Excellencies called the following Ladies to approach the Thrones: Lady Åsliinn O’Faelan, Master Magdalen Yrijanántýtar, Lady Joanne am Rein, Lady Viole de León, Magistra Memorantia van de Linde, Mistress Kerittu Kataríinánntýtar Röisko, Lady Vallitu aff Huca, and Her Excellency, Baroness Maerith af Weselax – who rather conveniently was already quite close by. They all had served as scribes during their Excellencies’ long reign, and were gracefully thanked for their good service.
- The Baron and Baroness invited all the Baronial Maids of Honour to gather before Their Excellencies. They were relieved of their duties and thanked for their invaluable service.
- It was also noted by Their Excellencies, that apparently the Baronial Champions had already leaped to retirement, as none was to be found at the Court.
- There being no further business to be conducted in Their Excellencies’ last court of their Long Reign, and them being in somewhat moved state of mind, they would not have any final words to the populace. Thus, the final court of Baron Gilbert and Baroness Maerith was closed, and the Royal Court resumed with the Divestiture of the Baron and Baroness of Aarnimetsa.

An Irregular Event - bread, butter and birthdays
01 - 03 March 2024
Styringsheim - Sweden

Welcome to a most ordinary irregular event. We (Duchess Siobhan, Duke Sven, Mistress Silwa, Mistress Unna, Baron Einar Helsing and Mistress Alma) realized that we would like to spend more time together with all of you, our SCA friends in Drachenwald and the Known World. How could this be arranged? On a 12 hour long tour to Skellita, the bards inspired us to host an event to make this easier. The song that inspired us will remain our secret for a little while longer, but if you would like to prepare for the Feast, bring a lot of feast gear… This is not a coronation, not a university, not an inauguration, nor a serious event. It is however a feast among friends, celebrating the coming of spring, various birthdays and the joy of the SCA. Hosting the event is the Barony of Styringsheim. This being the first event in West Styringsheim, aka Swedish mainland since Baron Cormac claimed Styringsheim for himself, we are proud to welcome you all to the famous landscape that has been seen in Ronja Rövardotter (the Swedish medieval film from the 1980s with Helvetesgapet, Björngrottan etcetera). This being the lands of Highway Robberies, we encourage each and all to bring something as a ransom.
On site we have access to 200 beds, saunas, castle-in-the-making, courtrooms and plenty of indoor and outdoor areas.
During the event, there is plenty of space to do A&S and there will be martial activities.

The Board of Directors is currently considering changes to Corpora. It invites commentary from the membership and participants.

These changes aim to enhance recruitment and member retention in the SCA. They also aim to further support these goals. They elevate the Society Chatelaine to a greater Society Officer. They align local and regional chatelaines to this same structure. It is a strategic move. It aims to support the implementation of comprehensive recruitment and retention strategies. It also aims to align the office to a clear vision.

The Board also approved proposed wording. It supports the creation of a Society Diversity, Equity, Inclusion, and Belonging (DEIB) Officer. They also approved aligning local and regional DEIB officers into one structure. Like the proposed Chatelaine changes, it aims to support an aligned Society vision. It also aims to support the implementation of strategy in this space.

Finally, the Board approved changing the name and scope of the Corporate Diversity Equity Inclusion and Belonging Office. It is now the Office of Inclusive Programs. This office will handle the implementation of large scale, heavy-lift projects. This work will move inclusivity in the SCA forward. It will also transition leadership and management of game-facing DEIB work to the newly created Society DEIB Officer. This office will support all corporate and society officers. It will also serve as a primary DEIB advisor to the Board.

Note: Changes to corporate offices don’t require changes in Corpora or public commentary. Understanding the changes to the Corporate DEIB Office will add context for the proposed changes to Corpora. It will also provide clarity for the realignment of responsibilities among these offices.

This restructuring aligns with better practice for organizations that aim to improve recruiting and retention by creating welcoming and inclusive environments.

‘Recruiting and Retention structural changes for member commentary and verbiage change to Corpora.

• Section VI. Society Officers

  • Add:
    I. Chatelaine:
      The Chatelaine is responsible for promoting and supporting recruitment initiatives and guiding retention practices.
    J. Diversity, Equity, Inclusion, and Belonging Officer:
      The Society DEIB Officer is responsible for overseeing the development, implementation, and maintenance of game-facing DEIB initiatives and education.

  • Change:
    Renumber I. Reservations to the Board, to K. Reservations to the Board, with no changes in content’

Corpora, including the By-Laws, can be found in its entirety can be found here: https://www.sca.org/resources/document-library/govdocs/.

Please email all commentary to SCA-Comments@sca.org and use the title “Chatelaine and DEIB Changes” in the subject line.

NOTE: Do not use attachments in your commentary. Attachments will mark your message as spam and it will be rejected by the server.

You can also send commentary by mail, Postage-Prepaid, to:
Society for Creative Anachronism, Inc.
RE: Chatelaine and DEIB Changes
