Persona

Logan the Gardener, son of the legendary Dreadlord Gregory Ahern, was born in the mid 10th century in an Irish village. He was kidnapped by a Viking raiding party at a young age. The Vikings were impressed by his ferocity at such a young age and offered to raise him as one of their warriors if he maintained the lands around the Jarl’s longhouse. Logan learned well and fast in the ways of war and the garden. Soon the many tales of his exploits and plunder spread far and wide. The name Logan the Gardener became a war cry and hearing the Gardener struck terror into the hearts of his enemies. Whilst raiding an Irish village Logan learned of his true heritage and sought out his family. Logan returned home and grew further under the tutelage of his family. At the recommendation of the greatest warriors of the land of three seas, Logan was raised to knighthood under the Reign of Ardien. Desiring to continue to build his legacy, Logan began gathering and training his own warriors, establishing his own house, The Garden of Dragons. From there he has set out to become known as his father was, a Dreadlord.

Bronach of Kildare is a 9th century Irish woman. She was abandoned at a young age, and was thus raised by the church and town of Kildare. During her time there, she learned to read and write, and began to study with the scribes and assist with the manuscripts. It was at this time that the Danish Vikings arrived and destroyed the town with fire and sword. Bronach was taken as prisoner for her beauty. Through her charming nature, her hard work ethic, and her eagerness to help people, she convinced the Vikings that she would be a great addition to their group if she were free. They saw wisdom in this and freed her, allowing her to live among them as an equal. Bronach then began to share her knowledge, and learn from them. She has taken up arms on the field with her Viking brethren, preferring bow and arrow as her weapon of choice. Her love of both Irish and Viking cultures is reflected in her interests. She continues to pursue her scribal arts, and has taken a recent interest in the fiber arts. As she has received help from so many in her young life when she had no family or money, she continues to give of herself to all who need assistance.

Bronach is a member of the Order of the Pelican and resides in the Barony of Wyvernwoode.

REQUEST FOR COMMENTARY – CHATELAINE AND DEIB OFFICES
The Board of Directors is currently considering changes to Corpora. It invites commentary from the membership and participants.
These changes aim to enhance recruitment and member retention in the SCA. They also aim to further support these goals. They elevate the Society Chatelaine to a greater Society Officer. They align local and regional chatelaines to this same structure. It is a strategic move. It aims to support the implementation of comprehensive recruitment and retention strategies. It also aims to align the office to a clear vision.
The Board also approved proposed wording. It supports the creation of a Society Diversity, Equity, Inclusion, and Belonging (DEIB) Officer. They also approved aligning local and regional DEIB officers into one structure. Like the proposed Chatelaine changes, it aims to support an aligned Society vision. It also aims to support the implementation of strategy in this space. Finally, the Board approved changing the name and scope of the Corporate Diversity Equity Inclusion and Belonging Office. It is now the Office of Inclusive Programs. This office will handle the implementation of large scale, heavy-lift projects. This work will move inclusivity in the SCA forward. It will also transition leadership and management of game-facing DEIB work to the newly created Society DEIB Officer. This office will support all corporate and society officers. It will also serve as a primary DEIB advisor to the Board.
Note: Changes to corporate offices don’t require changes in Corpora or public commentary. Understanding the changes to the Corporate DEIB Office will add context for the proposed changes to Corpora. It will also provide clarity for the realignment of responsibilities among these offices.
This restructuring aligns with better practice for organizations that aim to improve recruiting and retention by creating welcoming and inclusive environments.

Greetings Unto thee Kingdom of Trimaris,

The Trimaris College of Heralds is currently looking for someone who is interested in filling the role of the Sextant Herald (Order of Precedence). This is a Kingdom Deputy position and requires paid membership in the SCA. Skill with databases and web design tools are a plus. Please send an email to herald@trimaris.org with your intent and a summary of your skills or an SCA resume. You may respond to me anywhere for information queries. We would like to find a candidate soon, so we will take appreciation for a minimum of two weeks, but until filled. Below is a summary of the role:

The Sextant Herald is responsible for updating and maintaining the order of precedence in Trimaris.

Requirements & Responsibilities:
Must be familiar with the online process used to record awards.
Must update the online order of precedence on a regular basis, no less than once per month.
Responsible for resolving any correction requests submitted via the online form or direct email.
Job Opening: Successor Deputy to the Kingdom Seneschal

Do you love Trimaris? Would you love a challenging executive leadership opportunity serving everyone in the Kingdom?

The Kingdom Seneschal is looking for his successor!

This job demands 10-20 hours a week online, handling questions, responding to comments, attending Zooms, performing research, conducting negotiations, coaching direct reports, and handling correspondence. At kingdom events, 23 hour availability by radio and phone.

Applicants must be a Trimaris citizen acceptable to the Crown, a paid ‘blue card’ SCA member, and a Florida resident. Applicants should have a background in nonprofit management, gained from some combination of education and experience. 8-10 years is a good number. Experience in project management is also super helpful. Having been a local group seneschal and having held a kingdom office is more or less a requirement. Recognition as a SCA Peer is not a requirement. Leadership experience in mundane employment or other nonprofits would be very helpful, particularly if that experience is in the HR or Finance fields.

The application period is open from January 1, 2024 through March 10, 2024 and the new successor deputy would begin onboarding at Spring Coronation in April 2024. The term of office is 24 months, starting at Fall Crown List in November 2024.

For a complete and realistic job description, please email inquiries to Seneschal@trimaris.org, RE: application for successor kingdom seneschal.

Greetings! My name is Shāh Megis Êlmanou, the Stag Bard of the Kingdom of Æthelmearc!

I am starting the rumblings of brilliant bardic challenge for both my home kingdom of Æthelmearc and the Known World in the coming year. It will be called ‘The Twelve Months of Bardic’, framed around the idea of the twelve days of Christmas. I am hoping to inspire and encourage bards new and old to create in 12 very different bardic styles. “But that's a lot of flippin' work?!” you might say. Fear not! This will not be an all-or-nothing type deal.

Complete one of the monthly challenges and at the end of the coming year you'll receive a bronze medallion sporting the heraldry of our lovely Society.

Complete six of the monthly challenges and at the end of the coming year you’ll receive a silver medallion sporting the heraldry of your personal kingdom(you'll have to let me know what kingdom you're from ).

Complete all twelve of the monthly challenges and at the end of the coming year you'll receive a gold medallion sporting your personal heraldry/heraldry of your choice(these will be checked in at the end of the year for clarification).

Now that I have your attention with the sparklies let's move on to how you can win these fabulous prizes!

Each month has a different theme for our challengers. They are as follows:

January- Jig
February- Fairytales/Legend/Myth
March- Limerick
April- Round/Canon
May- Sonnet
June- Epic/Tuuli
July- Chant
August- Tanka
September- Madrigal
October- Lyric
November- Ballad
December- Carol

You must post a recording of your *ORIGINAL* piece in the Twelve Months of Bardic group(otherwise I won't be able to keep track of them). Feel free to post them all over the other bardic groups. Heck! Send a copy to your grandma so she can be extra proud(optional). Tag ALL of the people who wrote or performed in the recording. You all get credit! This can end up as a lot of collaboration or entirely individual works.

The recording must be posted in the month corresponding to the list above, but I don't care when in the month it is.

You MUST type out the lyrics/words if there are any.

Each piece must have a name and must credit the person in the group who wrote it. (Ex. The Sausey Sonnet of the Fluffy Fox by Jeremiah Bullfrog)

They must be works written in the last year and written by someone in the group making the recording.

They don't have to be the next Hamlet. They just need to be vaguely recognizable as the type of work that we're going for that month. No length requirements unless it's part of the definition of each type of work.

You have to be able to receive private messages from me. Otherwise I can't get you your medallion or check on preferences.

There is a chance that if this flies instead of falling flat, that I would try to make up books with all the pieces in them in the future. But we'll
