From the Kingdom Officers

From their Royal Majesties

Unto our members of the Order of Chivalry and the Order of Defense,

We will be holding a joint meeting of your orders at both East Kingdom Twelfth Night and Birka in order to communicate information about changes that are being proposed. As leaders in your respective communities, we want you to be well informed and have the chance to ask questions. If you will be attending these events, it is our hope that you will be able to make time to attend. If you will not be at the events, information will be made available afterwards.

The Twelfth Night meeting will be at 1pm in the royal room unless another site is announced on the day of the event.

The Birka meeting will be on Friday 1/26 at 8:30pm, in the same room and immediately after the DEIB panel.

Depending on feedback, we might hold a virtual meeting as well.

We look forward to seeing as many of you as possible there.

In service,
Matthias & Feilinn

From their Royal Highnesses

Each day we see a bit more light on the horizon and we are looking forward to soon welcoming warmer weather to the Kingdom. And with the brightness of summer comes the opportunity to test ourselves against our eternal foe, the Dragon. It is with joy in our hearts that we look forward to seeing the mighty Tyger rise up in preparation to overtake any challenge before the East. We have spoken to our Warlord, Count Sir Ryuko'jin Of-The Iron-Skies, and have had him working to find bring us the best in leadership for an army to represent every aspect of our Kingdom. We are excited to announce the following positions:

Commander General of Heavy Weapons: Aciterix Caldius Julius Cittinius, more commonly known as "Kit"

Commander General of Rapier Combat: Doña Magdalena von Kirschberg

Commander General of Archery: Master Ryan McWhite

Commander General of Arts and Sciences Artisans: Pan Jan Janowicz Bogdanski

Let our populace know that we are preparing for another Pennsic War. Now is the time to knock off the rust, repair your kits, prepare more arrows, and assure all your equipment is shipshape when we again charge into battle as an East Kingdom army.

From the Society Board of Directors

The Board of Directors is currently considering
changes to Corpora. It invites commentary from
the membership and participants.

These changes aim to enhance recruitment and
member retention in the SCA. They also aim to
further support these goals. They elevate the Society
Chatelaine to a greater Society Officer. They
align local and regional chatelaines to this same
structure. It is a strategic move. It aims to support the
implementation of comprehensive recruitment and
retention strategies. It also aims to align the office to
a clear vision.

The Board also approved proposed wording. It
supports the creation of a Society Diversity, Equity, Inclusion, and Belonging (DEIB) Officer. They
also approved aligning local and regional
DEIB officers into one structure. Like the
proposed Chatelaine changes, it aims to support an
aligned Society vision. It also aims to support the
implementation of strategy in this space.

Finally, the Board approved changing the name
and scope of the Corporate Diversity Equity
Inclusion and Belonging Office. It is now the Office
of Inclusive Programs. This Office will handle the
implementation of large scale, heavy-lift projects.
This work will move inclusivity in the SCA forward.
It will also transition leadership and management of
game-facing DEIB work to the newly created Society
DEIB Officer. This office will support all corporate
and society officers. It will also serve as a primary
DEIB advisor to the Board.

Note: Changes to corporate offices don’t require
changes in Corpora or public commentary.
Understanding the changes to the Corporate DEIB
Office will add context for the proposed changes
to Corpora. It will also provide clarity for the
realignment of responsibilities among these offices.

This restructuring aligns with better practice for
organizations that aim to improve recruiting and
retention by creating welcoming and inclusive
environments.

Recruiting and Retention structural changes for
member commentary and verbiage change to
Corpora.

• Section VI. Society Officers
  o Add:
  1. Chatelaine:
  The Chatelaine is responsible for promoting and
supporting recruitment initiatives and guiding
retention practices.

She has also stated in the past that she wishes to encourage more artisans to contribute the gift of their works (drawn, painted, photos of other mediums, etc.) to the Pikestaff or their local newsletters.

Winter Nights East: a Performing Arts Challenge Event
February 3, Barony of Carolingia (Groveland, MA)

A winter's night is made better by entertaining each other! Please join us for Winter Nights East, where performers (storytellers, poets, singers, instrumentalists, dancers, actors, etc., solo or as a small group) will perform, and will set performance challenges for each other. Performers are encouraged to evoke the time and place where their story is told, and new performers are encouraged to participate.

In addition, their Excellencies of Carolingia will choose their new Court Performer during Winter Nights: competitors will state their intent at the start of the event, so their Excellencies can judge their performances throughout the day.

Challenges will take place in rounds, the number of rounds depending on the number of competitors.

* First round, please state who you are and where you come from, then perform a short (3-7 minutes) piece of your own choosing.

* Second round will begin head to head challenges, now that we all know each other a little bit. Challenge pairs will be organized by the MOL. Pairs will issue challenges to each other (topics such as “revenge”, “true love”, “anything except Shakespeare sonnets”, etc.--be kind!), or if they’re stumped for a topic, we will have curated inspiration cards to use instead. Each pair will have the length of the previous two performances to prepare to meet their respective challenges. Rounds will continue until we run out of time.

* Final round will be a subset of performers, based on both the judges of Winter Nights and the judges of the Court Performer championship. The final round will also include (yet to be determined) participation by the current Court Performers of Carolingia, I Sebastiani (The Greatest Commedia del Arte Troupe in the Entire World).

The hope of a new spring brings us new heirs, who will guide us into years of prosperity and peace.

On this day of celebration, we are honored to welcome the Kingdom’s Bardic Art Championship. Come and marvel at the talents of those who dare to brave the cold north to entertain you with their songs, tales and bewitching dances.

Bardic Competition Guidelines:
“Love looks not with the eyes, but with the mind, And therefore is winged Cupid painted blind.”
-William Shakespeare

Greetings, I am Brogain O’Riain, Baronial Bard of Saltmurn Swamp’s domain. To Gryphonwald, Black Gryphon Inn we hail, On February’s twenty-fifth, a tale. The Baron and Baroness extend invite, To gentlefolk in tales that gleam so bright. In storytelling, song, and poetry, Be Bardic Champion for the year to be. “Tis ‘IT TAKES TWO’ this year’s bold decree, Two rounds unfold, a test of artistry. Eight minutes long, each piece, before the court, Perform, enthral, with every skill and thought. First round, a work in progress, raw and true, Canton A&S theme, now revealed to you. From book’s embrace, or sonnet incomplete, Fear not to wing it, let your art compete. Second piece, love in various array, Romantic, Platonist, in the light of day. Familial, Unconditional, or Self-love, Express through song, tale, or haiku thereof. Of Classic Greek Loves, five in number, In sonnet, epic, or in rhyming blunder. Tell us how your piece embodies these themes, In just one sentence, share your artistic dreams. I’m eager for the wondrous works you craft, Questions, fandom, my door is daft. Crack those books, weave tales, but not too tight, For one must remain, a work undone, that night.

This year’s competition will be IT TAKES TWO. The competition will be broken in two rounds. In each round, the competitors will perform a period or period-style piece, of no longer than 8 minute before their excellencies and all good gentiles in attendance.

But as with all good love stories there is a twist...

We ask that the first piece be a work in progress, sticking to the Canton A&S theme of show me your work. The piece can be something you are working on or a piece you have yet to polish.

Maybe a reading still on book. Or a sonnet left incomplete. Don’t be afraid to wing it...

For your second piece all we ask for is love...Romantic, Platonic, Familial, Unconditional, or Self-love. We humbly request your piece contain, express, embody, or evoke any one of the five Classic Greek Loves. Whether as a song, a sonnet, an epic tale, or a haiku we just want you to let good vibes of blind Cupid in.

We also ask you tell us how you feel this particular piece embodies the themes. It can be only a single sentence. I can’t wait to see what you all have accomplished. And if you have any questions about the competition or just want a new rabid fan feel free to get in touch. My door is always open.

With that, crack those books get to work on your entries. But don’t work too hard as you need one undone.

Brewing Competition Guidelines:
This year’s theme will be to brew a beverage that incorporates food & flavors associated with love or as an aphrodisiac within period.

An extra point will be given for beverages that represent the theme with documentation demonstrating period appropriateness.

In addition, the following items are required:
• Documentation demonstrating your process (i.e., specific gravity, rounds of racking, reasons for choices made, etc)
• An ingredient list with quantities.

Scoring:
We will utilize the East Kingdom Brewers Guild scoring rubric as a guide to score submissions
