From the Office of the Seneschal:

People of the Outlands,

One of my goals for the Kingdom during my time as Kingdom Seneschal has been to be as transparent as possible in this office. As an invested member deeply committed to the principles of transparency within our not-for-profit 501(c)(3) organization, I wish to address a critical concern regarding officer changeovers when officer warrants expire.

Transparency stands as an indispensable pillar of our organization's ethos, particularly during transitions in leadership roles. The expiration of an Officer Warrant signifies a pivotal moment, demanding explicit communication and openness to uphold the trust and confidence of our stakeholders.

In light of our organization's unwavering commitment to transparency, I stress the imperative need to implement a clear and open protocol for officer changeovers. This protocol includes:

1. Mandatory Notification: Timely and explicit notifications to all stakeholders regarding the impending expiration of Officer Warrants, ensuring everyone is informed and prepared for the transition. This includes when a warrant will not be extended past the active date.

3. Letters of Intent: Inviting interested individuals from our community to openly apply for officer positions, fostering inclusivity, and ensuring that stakeholders actively participate in the process.

4. Engagement and Participation: Arranging forums or meetings where candidates can introduce themselves, articulate their visions, and engage directly with the Shire or Barony. This not only upholds transparency but also encourages community involvement.

5. Immediate Announcement of New Officers: Swiftly announcing the selected officers to the community, accompanied by comprehensive details about their roles and responsibilities.

Upholding transparency during officer transitions is not just a guideline but an absolute necessity within our 501(c)(3) organization. It's integral to maintaining integrity, accountability, and the trust of our community and Kingdom.

Having any change, let alone a change in officers can be a difficult process. It can be hard to apply for a new role, or let go as your warrant comes to an end. I am a firm believer that we all rise together, sharing our knowledge, wisdom, and strengths.

Be Kind,
Baroness Ays,e al-Rumiyya, OSO
Outlands Kingdom Seneschal

From the Web Ministry:

Greetings Outlands!

Keeping the many pieces of technology not just running, but improving, takes a lot of diligent effort. The Web Ministry is looking for contributors to help make finding events, volunteering, and community building better for everyone.

Content Team
We need 3-4 people to work on general content for the kingdom website, at least 1 hour per week. This would be an on-going team with a lot of creative control, helping our different offices and activities create both resources for current participants and enticing marketing content for new people. You don't need to know anything about programming; the main skills to be successful are a willingness to seek out content and a desire to make it be effective and look good.

Special Projects Teams
We need contributors to special projects, covering anything from helping build new participant or officers services to creating a style guide to unify kingdom marketing resources. These would typically be more intensive, short term opportunities, where some specialized experience is extremely valuable. Special projects almost always involve collaboration with one or more other offices; these are the requests that come from all corners of the kingdom. I'll be making the Technology Roadmap public soon, and plan to include calls for support.

In Service to the Outlands,
Iohann
Kingdom Web Minister
From the Ministry of Arts & Sciences:

Greetings beloved Outlands:

What a thoughtful and productive time we have during these cold, wintery months. January brought us so much community and camaraderie during our 12th night celebrations and of course we have welcomed our newest sovereigns. This month of February we have many populace members who will be journeying to visit our friends and neighbors in Atenveldt at the War of the Phoenix. I encourage our sojourners to seek out new knowledge and art in your travels. We have many populace members up in our northern regions who will have a multi-baronial arts and sciences competition at Dragonspine’s Candelmas, February 24th. This is such a great opportunity for our northern friends to participate in a regional scale event. Also at Candelmas we are going to be holding a round table discussion about improving the Arts and Sciences competition experience by focusing on things we can do moving forward. If you would like to give us input, please join us during this discussion or by sending suggestions to artsandsciences@outlands.org with “A&S Competition Suggestions” in the title.

I would like to direct our arts and sciences community toward our coming Kingdom A&S competition next month on March 23rd. Entrants need to pre-register their entries by February 23rd and that can be done on the Kingdom A&S page of Outlands.org. Any members of the Outlands populace that would like to compete for the Kingdom Championship will need to have 3 projects completed and entered to be considered, all the rules and specifications can also be found on our Kingdom A&S portal. I greatly look forward to celebrating the return of spring and seeing the depth of creative achievement our Kingdom has to bring. You do not need to be competing for the championship to join us and bring an A&S entry for all to see and appreciate. We will be having arts and sciences displays at other events in the coming year so please stay tuned for that.

Keep being inquisitive my fellow Outlanders. Seek knowledge and share it when and where you can.

Yours in camaraderie and service:

Mistress Rannvaeig

Brigit was a pre-Christian Celtic Goddess and was celebrated in late winter with Imbolc, loosely translated as "ewe's milk" and indicates that the sheep are lambing and a new season has begun. St. Brigid was a 5th century Irish woman adopted as a patron saint for dairy workers & farmers, blacksmiths, poets and midwives & healers.

We will make St. Brigid’s crosses, have games and ask the populace to entertain during feast with a song or poem. A feast will feature spring foods. A menu will be published to social media and our web site once it is settled on.

This promises to be a day of fun, food and friends so don’t miss this chance to visit the Shining Hill for our first feast since the dark years.

Dragonsspine’s traditional Winter Feast Event has been expanded to include the competition for the Baronial Arts & Sciences Champion— and we thought, why not invite some friends? Details are still in the works, but we are hoping to have Arts & Sciences from Caerthe, Caer Galen, Unser Hafen and Aarquelle as well! There is sure to be something fascinating for almost anyone to view and discuss with its creator.

Additionally, as is traditional, Candlemas will feature heavy and rapier (and possibly cut-and-thrust) fighting for those hearty souls willing to brave the winter weather. (Some combat may be held indoors if the weather requires it.) There will be space for games during day, so bring them along.

REQUEST FOR COMMENTARY – CHATELAINE AND DEIB OFFICES

The Board of Directors is currently considering changes to Corpora. It invites commentary from the membership and participants. These changes aim to enhance recruitment and member retention in the SCA. They also aim to further support these goals. They elevate the Society Chatelaine to a greater Society Officer. They align local and regional chatelaines to this same structure. It is a strategic move. It aims to support the implementation of comprehensive recruitment and retention strategies. It also aims to align the office to a clear vision.

The Board also approved proposed wording. It supports the creation of a Society Diversity, Equity, Inclusion, and Belonging (DEIB) Officer. They also approved aligning local and regional DEIB officers into one structure. Like the proposed Chatelaine changes, it aims to support an aligned Society vision. It also aims to support the implementation of strategy in this space. Finally, the Board approved changing the name and scope of the Corporate Diversity Equity Inclusion and Belonging Office. It is now the Office of Inclusive Programs. This office will handle the implementation of large scale, heavy-lift projects. This work will move inclusivity in the SCA forward. It will also transition leadership and management of game-facing DEIB work to the newly created Society DEIB Officer. This office will support all corporate and society officers. It will also serve as a primary DEIB advisor to the Board.

Note: Changes to corporate offices don’t require changes in Corpora or public commentary. Understanding the changes to the Corporate DEIB Office will add context for the proposed changes to Corpora. It will also provide clarity for the realignment of responsibilities among these offices. This restructuring aligns with better practice for organizations that aim to improve recruiting and retention by creating welcoming and inclusive environments.

Recruiting and Retention structural changes for member commentary and verbiage change to Corpora.

- Section VI. Society Officers
  - Add:
    I. Chatelaine:
    The Chatelaine is responsible for promoting and supporting recruitment initiatives and guiding retention practices.
    J. Diversity, Equity, Inclusion, and Belonging Officer:
    The Society DEIB Officer is responsible for overseeing the development, implementation, and maintenance of game-facing DEIB initiatives and education.

Change:

Renumber I. Reservations to the Board, to K. Reservations to the Board, with no changes in content

Corpora, including the By-Laws, can be found in its entirety can be found here:

Please email all commentary to SCA-Comments@sca.org and use the title “Chatelaine and DEIB Changes” in the subject line.
