All Rights Reserved for each of the above submissions.

Publication Policies

Send submissions to the Kingdom Chronicler (see Regnum). All submissions IN THEIR ENTIRETY must be in the Kingdom Chronicler's possession no later than the first of the month prior to the cover date (e.g. January 1 for the February issue). This includes e-mail and hardcopy submissions. Should the first fall on a Sunday or holiday, the deadline for hardcopy will be moved to the next business day; e-mail submissions will be due no later than the 1st regardless.

If you are going to be late, you must inform the Chronicler before the

first of the month so that space may be reserved. Anything arriving after the first is subject to refusal and has no guarantee of being published.

Submissions shall consist of a [1] an electronic copy, [2] an event announcement checklist which has been signed off on by the Seneschal of your group, and [3] a release form for any artwork (including maps) in the submission. If your submission is missing any of the previous items it will potentially not be published if not resolved by midnight on the first.

Additionally, if you wish to publish the same ad in more than one issue of The Black Star, you must resubmit your paperwork and event announcement <u>each month</u> UNLESS you have indicated on the first Event Ad/Seneschal Checklist that you wish the ad to run for more than one month. The Chronicler will assume that any ad received will only be used in the month it is received, unless otherwise stated on the Checklist. This is as much for our protection as it is to ensure that only the most current event information is contained in this publication. You are asked to send a half page ad to run in any month prior to your event month.

In order for "lasting business" (for example, laws and awards) to take place at an event, there must be a COMPLETE ad in the Black Star issue for the month of the event (so an August event must be in the August Black Star, and would be due July 1), UNLESS the event is in the first ten days of the month. Then the complete ad may be in the previous month's Black Star.

PDF is the (much) preferred file format for electronic submissions. Any other format MUST be discussed with the Kingdom Chronicler for acceptability. But please, just send PDF. The Kingdom Chronicler can advise free software solutions for doing so for Windows users.

Ads, releases and checklists should be sent in electronic form via e-mail if at all possible. As with all communications, please send them to kingdom@chronicler.ansteorra.org.

Again, please see: http://chronicler.ansteorra.org/ for detailed information on event announcement submissions.

Express Mail Information

If you are sending your announcement by Express Mail or similar service, you MUST waive the signature requirement by signing the appropriate place on the form. This way the courier may leave the item. Otherwise, the delay in going to the Post Office to pick up your announcement may result in it not making it into The Black Star at all. In that case, you might as well not have sent it at all. So, for everyone's sake: PLEASE WAIVE THE SIGNATURE!

General Information

The Kingdom Chronicler reserves the rights to redraw any map, retype any submission, or remove any borders to improve the printability of said item. All maps must be the original creation of the submitting party. No reproductions of printed or electronic maps will be accepted without a signed release. The Black Star reserves the right to refuse any item not suitable for publication.

Copyright Reminder

All content of the Black Star is copyright of the original submitters and/or the Society of Creative Anachronism. While we respect the needs of citing text in fair use, we ask that you not copy segments of the newsletter verbatim by means of screenshots or similar methods. Please respect the rights of the SCA and of our precious contributors, without whom there would be no newsletter.

her Stellar Majesty

Greetings to Our Great Kingdom!

As the days may seem dark and cold, remember with hope that light will soon grow within our Stellar Lands and within our hearts. I would like to express my deepest gratitude to everyone for their love and support during this time. I hope everyone had a safe and joyful holiday season!

I also look forward to Crown Tournament when our Royal Heirs will be found. I would charge all entrants to be your best selves that day, not just your deadliest. Let everyone be thier most honorable, chivalrous, and joyous. Remember, you fight for something of even greater value than a Kingdom Crown. You fight for your own honor and that of your consort.

I also look forward to Round Table. This is a wonderful opportunity to learn more about different officer positions. Our officers are very dedicated to doing their jobs well, and they would love to train interested individuals to follow in their footsteps.

In the midst of all of our training and preparation, let us not forget that the drums call us to War! Gulf Wars is coming soon! Everyone who is able should prepare themselves to best represent our homeland - Armored and Rapier fighters, Archery and Thrown Weapons, Equestrians, Cooks and Bards, and Artisans of every kind. Let us prepare to show the Known World the glory that is Ansteorra!

In Service to the Dream, Nicollet, Sovereign Queen of Ansteorra Kingdom Seneschal

Greetings Ansteorra

As we start the New Year full of possibilities, hopes, dreams, goals, and we look forward to all that it can bring. The beautiful thing about this is that the more we help others to realize and achieve their goals and dreams the more that we all grow and benefit.

The Principality of Vindheim has a new set of Highness' and we are excited to see what their plans for the future of Vindheim are.

Crown Tournament is this month and the Kingdom of Ansteorra will have new heirs!

All across our great Kingdom groups are preparing for the spring season and so many wondrous events. All kinds of tourneys, contests, demos, and gatherings will be held and I hope to see every one of you at one of these spectacular events.

In February we will have Laurel's Prize Tourney where artisans are able to display a body of work and get to sit down with Laurels and talk about their art, where it is, where it is going, and how to make things even better.

In March is our beloved Gulf Wars! So much work has been done during this last year, I am really excited to see all of the new improvements.

As I settle into my new position as Kingdom Seneschal I would like to make sure that everyone knows that I am here for you. I have had the honor of working with many great Seneschals in the past and from them I have learned a great deal. Please use your chain of command for everything official along with my official email address.

In Service,

Margherita de Mantua (mka Vallie Copley) Kingdom Seneschal

We have a lot of events coming up, please remember to turn in your reports on time. I will have another open office on Jan 25th from 7 pm to 8 pm. I would love to see more people able to attend. I will post a link for it on the kingdom Facebook and in the kingdom exchequer page the day before. As always if you need help first try your regionals if they are unable to help, please reach out to me and we will see what we can do. In Service of The Dream,

Lord Sean Mac Daniel Chancelor of The Exchequer Kingdom of Ansteorra

Kingdom (Dinister of Arts & Sciences

Greetings Ansteorra,

It's a great new year and we are in Ball Season! If you don't know how to do the European dances, this is the best time to learn. Many of our groups have year round dance guilds and would love to see you come join the fun. There will also be some competitions at some of these events. So set a goal for next year. European dance is a lot of fun, great exercise and a great way to spend time with friends. If it were not for a good friend hauling me to Euro dance practice over 30 years ago, I would have never known about the SCA. So bring a friend. If you are interested in starting a dance guild in your area, contact M Myfanway, our Kingdom Euro Dance Deputy. She can get you started with dance steps and music to start your group off on the right foot.

For those of you who would rather play music, now is the time to get involved. The music community tends to have bigger groups at this time of the year and they are always willing to teach new members. If you are interested contact our Music Deputy HL Sean Tabor and he can help you get a copy of the Pennsic Pile 2023 dance music or you can join the Ansteorra Musicians Collective on Facebook. This is a group where all the various ensembles around the kingdom get together to organize playing opportunities for balls, courts and sometimes just for some list side fun.

Have a great January and see you in February for Laurel's Prize.

Greetings Ansteorra!

I would like to welcome HL Morina O'Donovan to the hospitaler team as our new kingdom demo deputy. She will be helping to coordinate efforts across the kingdom and improve our processes and products for putting on demos. I would also like to thank HL Marianna for her many (more than expected) years of service as southern regional hospitaler. I appreciate you staying on to help out!

This is my second to last Black Star. If you are interested in applying for kingdom hospitaler (or hospitaler at any level, really) please reach out. I would love to speak with you about it.

Orazio Kingdom Hospitaler

Happy New Year Ansteorra!

I hope everyone has had a joyous holiday season!

As we start the new year, the College of Heralds has a few notices and changes to announce. I hope that everyone in the College and those who are interested in heraldry will make time to attend Round Table on the 20th. We've changed up the classes this time, so check the schedule. The Plenary Meeting will also have a Q&A session at the end with a discussion on the state of heraldry in Ansteorra and what all of us can do to help make it better, stronger, and more visible.

There will be a Heraldic Retreat on February 17th in the Barony of Bryn Gwlad. The Heraldic Retreat is a great place to learn the details of being a local heraldic officer. We will cover all that and more at this retreat. Thank you to Bryn Gwlad for hosting this very important event! Gulf Wars is just around the corner! If you are attending, please consider volunteering at Heralds' Point or teaching a Heraldic Class. Spread that Happy Herald Hienous-ness!! The College of Heralds will host a monthly Heraldic Happy Hour every 3rd Tuesday of the month beginning at 7:30 pm. The meeting will be on Google Meets. We'll talk about everything Heraldic and whatever else comes to mind. So if you're craving some heraldry and social time, please join us. The link will be posted in the Ansteorran Heraldic Consultation Group on FB the day of.

The College now has its own DEIB officer! Our DEIB Herald will be available to discuss and advise on DEIB matters for heralds as they execute their duties. Diversity, Equity, Inclusion, and Belonging are core values in the College. We have always strived to be a welcoming place for everyone, and having an official DEIB herald further cements the College's commitment to inclusion and equity for all. This position is educational and advisory. I am excited to announce that Mushir Abd al-Mahdi Jamal ibn Hakim is the new DEIB Herald. I know he will do an excellent job!

Her Excellency Meadhbh inghean Rois has stepped aside as Bastion Herald. His Lordship Thomas de Groet is acting as her ER replacement until a permanent Bastion Herald can be found. I want to give my heartfelt thanks to Maedhbh for all her hard work, and dedication, and for going above and beyond to the heralds of Vindheim.

The office of Bastion Herald is now open for applications. This is the herald for the Principality of Vindheim. Please send applications to Star Principal. The deadline for applications is January 31, 2024.

Solstice Herald, Southern Regional, is now open for applications through January 31. I want to thank Her Ladyship Caitilin inghean Rudhraighe ui Cheallaigh for her work in this office. It is much appreciated. Lord Liam m'Shemus MacSweeney will be acting Solstice. He will continue doing good things in this position.

Rowell Pursuivant is also open for applications until filled. This office is responsible for commenting on the Ansteorran LOIs in OSCAR every month. This is a non-warranted position. Major duties include working with the Submissions team to facilitate kingdom submissions with conflict, documentation, and link checks, as well as offering suggestions and other valuable commentary on submissions. For more details about the requirements and expectations of any open office, please contact Star Principal Herald.

After many years, Mistress Serena Lascelles has decided to retire from her position as Special Documents Deputy. Mistress Serena's countless hours of historical law research, Latin translations, and other rabbit holes created the Ansteorran Scroll Text and Award Constitutions we use and follow today. Her knowledge and expertise will be greatly missed. This office will be absorbed into the duties of the Star Principal Herald until such time it is deemed necessary to reopen the office.

Until next time, I remain, Annais de Montgomerie Star Principal Herald

I hope this New Calendar year finds you well. I would like to thank those of you who have been sending in great event ads to the Black Star each month. People have been submitting ads in a timely manner, and that makes my job much easier.

Please continue to support your local Chroniclers by submiting content for them to include! Being a Chronicler is a collaborative effort. The more people who submit, art, poems, articles, and reciples help make the newsletters more interesting and fun!

I am still accepting applications for my office -Kingdom Chronicler. If people have questions about what is involved in any of these offices, please feel free to contact me.

Ever in Your Service, Baroness Beatrix Funteyn Kingdom Chronicler

To the Kingdom of Ansteorra,

As the Minister of Children, I am writing to you today to address the upcoming return of our youth from winter break and the potential challenges they may face in balancing their academic commitments with their participation in SCA events.

The start of the new year often brings a renewed

sense of energy and enthusiasm for SCA activities. However, it is also a time when our youth are faced with increased academic demands and pressure to succeed in school. This can create a difficult balancing act for many of our young members.

I believe that it is important for us as a kingdom to provide our youth with the support and resources they need to thrive in both their academic and SCA endeavors. We can do this by:

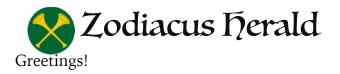

- Encouraging local groups to include youth activities in their event planning. This could include providing age-appropriate workshops, classes, and demonstrations, as well as creating opportunities for youth to participate in leadership roles.
- Offering guidance and support to parents and guardians on how to help their children manage their time and commitments effectively. This could include providing tips on creating a schedule, setting priorities, and communicating effectively with teachers and SCA leaders.

• Celebrating the achievements of our youth in both their academic and SCA pursuits. This could be done through public recognition, awards, and other forms of acknowledgement.

I also want to emphasize the importance of creating a welcoming and inclusive environment for all of our youth, regardless of their academic background or SCA experience. We should strive to make our events and activities accessible to all, and we should encourage our youth to pursue their interests and passions, regardless of what they are.

As we prepare for the upcoming SCA season, I encourage you to keep our youth in mind and to consider ways in which we can support them in balancing their academic and SCA commitments. By working together, we can ensure that our youth have the opportunity to thrive in both areas and to continue to grow and develop as members of our kingdom.

Yours In Service, Baron Goldweard Kingdom Minister of Children

My thanks to Hubert d'Aigues-Mortes, Donnchadh Beag mac Griogair, and Brian O'hUilliam for their court reports.
