# Missives

## From Their Majesties

Unto Our beloved Kingdom, thank you for so warmly welcoming Us to the thrones at Twelfth Night. There is much to be thankful for even in the depth of winter, including the support from Our predecessors Thorfinn and Tullia, the generous event staff who made it all look so easy, the richly varied talents of Our populace, and the festivities that will entertain us all as we look forward to Spring. We are especially grateful that within just a sevenday of Our Coronation, over 100 activities have been logged in response to Our Challenge - We are incredibly proud of the citizens of the West and their service, art and joy! We remind you all that information about the challenge can be found at <https://www.westkingdom.org/aslix/challenge>.

As We write this missive, We are planning Our journey to the frozen North, to gladly witness the end of Floki and Cemper's successful reign and to welcome the Heirs to the Oerthan throne. From there we travel throughout the Kingdom where We look forward to seeing many old friends, and making many new as We journey!

Fabian Rex  
Eliška Regina

### Last of LIX Challenge

Join Their Majesties Fabian and Eliška in celebrating contributing to the Kingdom!

There are seven categories of activities that support and grow the Realm and its people. For each category that you participate in, you will receive a token, and anyone participating in all seven will receive a bonus token.

The Challenge begins with Coronation and ends at Beltane. Please use the Kingdom social media channels (Facebook and Discord) to inspire others by reporting your activities - or those of your friends - using hashtag **#LastOfTheLIXChallenge** - and remember that while not required, pictures make everything more fun! (And video makes it even more fun!!)

This challenge is open to all Westerners, and those who are a Westerner at heart: this includes those who have moved and those who visit so often they may as well be Western. For others, if their activities are in service to the West or to a Westerner, we are happy to include them as well.

Important note: Entry into Their Majesties Crown Tournament in March will be dependent on the aspiring couple having completed at least 4 activities between the two of them. These activities can be from as many or as few categories as you choose, though we encourage you to explore multiple ways to enrich the kingdom by performing different activities.

You can find examples of the seven categories and learn more about the Challenge at [www.westkingdom.org/aslix/challenge](http://www.westkingdom.org/aslix/challenge). You may also post questions regarding the challenge to the challenge coordinator Sunwolf Baird at [sunwolf@westkingdom.org](mailto:sunwolf@westkingdom.org).

Please use the [Challenge Reporting Form](#) to report your challenge submissions.

### Ides of March

March 15, 2025  
Houston, Alaska

The Barony of Selviargard

LU DITE SECURI QVIBVS AES EST SEMPER IN ARCA

"Play without concern when your purse is full"

Celebrate the Ides of March in true Roman style with a Roman themed tournament, some favored Roman games, a Mediterranean themed potluck, and perhaps a bit of intrigue as well.

Celebrants for the event will be given enough Denarii coins to participate in a variety of activities where, just like the favorite amusement of soldiers and the aristocracy, you can bet on games and even the fighting if you so choose. As an added reward, a prize will be given to the person with the most Denarii by the end of the event.

Make sure to dress in your best Roman clothing as the Empire's authorities will be out enforcing the Foreigner Tax. Don't have Roman garb yet? It's easy to make and in no time you too can look like a Roman and bypass the authorities without paying the hefty fine. A prize will be given to the "Best Dressed" Roman of the day.

Gladiators of the lands of Oertha, prepare yourselves! A Roman themed tournament worthy of any gladiatorial arena will take place in which you will fight with daggers for glory and the amusement of the crowd – and some Denarii to fatten your purse.

The Arts and Sciences Competition theme is "Roman" and may be of any suitable medium. A prize will be given for the winner of the Arts and Sciences competition as well as some Denarii to add to their purses. Documentation is encouraged. More info coming soon.
